2. P&C Heidsieck is the owner of the intellectual property rights attached to the registered trademarks and to the requests for registration of trademarks whose characteristics are listed in Appendix 2 to this Agreement (the ***Trademark***).

Article 5 ENFORCEMENT OF THE PLEDGE

5.1 Enforcement of the pledge by the Banks

In the event that the Facility becomes payable before its due date by reason of the failure by Rémy Cointreau, or its subsidiary Rémy Martin, to pay immediately any amounts due under the Facility, the Banks shall have, in relation to the Trademark, upon notification sent to P&C Heidsieck by the Banks by registered post with acknowledgement of receipt attached and on the terms of the Facility, in preference and in priority to all other creditors of P&C Heidsieck (with the exception of the Bondholders and the Other Lenders), all the rights, actions and privileges given by law to a creditor to whom trademark rights are pledged and may request that the Trademark be judicially transferred to them (*attribution judiciaire*) together with all rights connected therewith or may require the compulsory sale (*vente forcée*) of the Trademark, up to the amount owed, without prejudice to any other actions which may be taken independently or concurrently by the Banks, provided that prior notification is sent to the Representatives of the *Masse* and to the Other Lenders.

5.2 Enforcement of the pledge by the Bondholders

In the event that the Bonds become payable before their due date by reason of the immediate failure to pay any amounts due under the Bonds, the Bondholders shall have in relation to the Trademark, upon notification sent to P&C Heidsieck by the representatives for the body of bondholders (*Représentants de la Masse*) by registered post with acknowledgement of receipt attached and on the terms of the Bond Prospectus, in preference and in priority to all other creditors of P&C Heidsieck (with the exception of the Banks and the Other Lenders), all the rights, actions and privileges given by law to a creditor to whom trademark rights are pledged and may request that the Trademark be judicially transferred to them (*attribution judiciaire*) together with all rights connected therewith or may require the compulsory sale (*vent forcée*) of the Trademark, up to the amount owed, without prejudice to any other actions which may be taken independently or concurrently by the Bondholders, provided that prior notification is sent to the Banks and to the Other Lenders and subject to the provisions of Clause 5.4 below.

5.3 Enforcement of the pledge by the Other Lenders

In the event of the failure by Rémy Cointreau to pay any amounts due under the Loans to the Other Lenders, the Other Lenders shall have in relation to the Trademark, at the end of any period of grace contractually provided for in the Loans and on the terms of the relevant Loans, upon notification sent to P&C Heidsieck by registered post with acknowledgement of receipt attached in preference and in priority to all other creditors of P&C Heidsieck (with the exception of the Banks and the Bondholders), all the rights, actions and privileges given by law to a creditor to whom trademark rights are pledged and may request that the Trademark be judicially transferred (*attribution judiciaire*) to them together with all rights connected therewith

TRADEMARK
REEL: 1883 FRAME: 0132

or may require the compulsory sale (*vente forcée*) of the Trademark, up to the amount owed, without prejudice to any other actions which may be taken independently or concurrently by the Other Lenders, provided that prior notification is sent to the Banks and to the Representatives of the *Masse* and subject to the provisions of Clause 5.4 below.

5.4 Enforcement conditions

5.4.1 Notwithstanding any provision to the contrary, this pledge may only be enforced by the Beneficiaries if Beneficiaries representing at least fifty (50) per cent of the total amount outstanding under the Facility, the Bonds and the Loans have previously decided to enforce the pledge.

5.4.2 In the event that this pledge is enforced, all sums and, as the case may be, the Trademark, shall be allocated between the Beneficiaries in the proportions set out in Appendix 3.

Article 6 REGISTRATION AND OTHER FORMALITIES

6.1 P&C Heidsieck shall bear the fees payable in relation to the registration of this Agreement. The holder of an original of this Agreement is to be given all powers necessary for its registration.

6.2 This Agreement will be registered by, and at the expense of, P&C Heidsieck, at the *Registre National des Marques de l'Institut National de la Propriété Industrielle*, according to the provisions of the French Intellectual Property Code, only in relation to the Charles Heidsieck trademark, under registration number 1276626 (name).

6.3 P&C Heidsieck shall use its best efforts to carry out, at its expense, all the formalities necessary for the registration and enforceability of the pledge in the countries representing the major markets for the Trademark (as set out in column A of Appendix 4 to this Agreement) and in relation to the Charles Heidsieck trademarks set out in column D of Appendix 4 to this Agreement, within a reasonable period of time and, in any event, within the maximum time period set out in column C of Appendix 4 in relation to each country (such time period to begin on the date of signing of this Agreement). P&C Heidsieck shall not be held liable for the failure to register or protect this pledge within the relevant time period set out in column C of Appendix 4 other than through an act or omission of P&C Heidsieck itself. Moreover, the Banks reserve the right to carry out, at any moment and at their expense, all formalities in respect of countries and Charles Heidsieck trademarks other than those set out in Appendix 4 and, as the case may be, to inform the Bondholders and the Other Lenders of this.

6.4 In order to carry out the provisions of Clause 6.3 above and to effect the formalities, the parties undertake expressly to sign any act, form or other document necessary for the above mentioned formalities. The holder of an original of this Agreement, in particular P&C Heidsieck and its advisors, is to be given all powers necessary for such formalities.

Article 7 REPRESENTATIONS AND WARRANTIES OF P&C HEIDSIECK

P&C Heidsieck represents and warrants to the Beneficiaries that the following representations are true, accurate and complete as at the date of this Agreement:

TRADEMARK
REEL: 1883 FRAME: 0133

(a) all obligations of P&C Heidsieck under this Agreement are valid, are legally binding and may be enforced (*opposable*) against it according to their terms;

(b) P&C Heidsieck has the legal capacity to enter into this Agreement and to carry out its obligations under the pledge, has obtained all the necessary consents and corporate authorisations, particularly in relation to article 98 of Law n° 66-537 of 24 July 1966, and such consents and authorisations are valid as at the date of this Agreement; all the steps necessary to authorise P&C Heidsieck to enter into this Agreement have been made within the necessary time;

(c) the signing and performance of this Agreement by P&C Heidsieck does not breach any provisions of any other material agreement or undertaking to which it is a party, nor any law, regulation or any administrative, judicial or arbitration decision which is applicable to it;

(d) P&C Heidsieck is not in a state of cessation of payments nor has any event occurred to its knowledge which may lead to a cessation of payments;

(e) P&C Heidsieck is the rightful owner of the Trademark;

(f) the Trademark is not the subject of any other pledge agreement and is free from all rights granted to third parties (other than the rights attached to the licences entered into by P&C Heidsieck) and is not the subject of any other agreement which might affect the rights of the Beneficiaries under this Agreement;

(g) to its knowledge, the Trademark is not currently being challenged by any third party, nor does it infringe the rights of any third party; and

(h) the Trademark has been duly published and all renewals and necessary applications have been carried out so that the Trademark is, to its knowledge, enforceable against third parties in all countries in which the Trademark is registered or application has been made for it to be registered.

Article 8 NO FIDUCIARY DUTY BETWEEN BENEFICIARIES

Each of the Beneficiaries is responsible for safeguarding as against whomsoever the validity and the enforceability of this pledge, without recourse to any of the other Beneficiaries. As a result, each Beneficiary will alone be responsible for the rights and remedies which it benefits from and will ensure in relation to itself only that the *pari passu* provision set up between the Beneficiaries is operating, that the formalities relating to this pledge are completed or other consequences. In this respect, the parties to this Agreement recognise and accept that neither the Banks nor the Security Agent nor their advisors have any responsibility whatsoever to the Bondholders or the Other Lenders under this pledge, including in relation to the existence of the *pari passu* provision set up between the Beneficiaries, its effects and the completion of the formalities relating to this pledge or other consequences. The parties to this Agreement also recognise that neither the Bondholders nor the Other Lenders take any responsibility whatsoever towards the other Beneficiaries in relation to the *pari passu* provision set-up amongst the Beneficiaries, its effects, the carrying out of any formalities under this Agreement or other consequences.

REEL: 1883 FRAME: 0134

Article 9 ASSIGNMENT AND SUBSTITUTION

Each of the Banks and the Other Lenders may assign all or part of their rights and obligations under this Agreement, in the event of an assignment of all or part of their participation in the Facility or the relevant Loan, as the case may be, and such assignment shall be *pro rata* to the amount of the participation which is assigned.

Article 10 EXERCISE OF RIGHTS

If one or more of the Beneficiaries does not forthwith exercise any of its rights under this Agreement or does not exercise such a right, such action shall not amount to a waiver of such right or any of their other rights. If one or more of the Beneficiaries only partially exercises any of its rights under this Agreement, this shall not prevent it from the further exercise of such right nor from the exercise of any other right.

Article 11 REPRESENTATIVES OF THE BENEFICIARIES

11.1 In all dealings with the Banks and the Other Lenders under this Agreement, the Bondholders will be represented by the Representatives of the *Masse*. As a result, the Representatives of the *Masse* will act in the capacity of representatives for the Bondholders for all payments, notices and, generally, for everything that may relate to the operation of this Agreement, to the extent permitted by law and by the Bond Prospectus.

11.2 In all dealings with the Bondholders and the Other Lenders under this Agreement, the Banks will be represented by Société Générale, acting in its capacity as security agent (***Security Agent***), to whom all powers are granted in this regard. As a result, the Security Agent will act in the capacity of representative for the Banks for all notification, notices and, generally, for everything that may relate to the operation of this Agreement.

Article 13 SEVERABILITY OF PROVISIONS AND UNDERTAKINGS

13.1 In the event that one of the provisions of this Agreement is or becomes invalid, impossible to carry out or is judged to be such by a competent jurisdiction, that provision shall be invalid and shall no longer form part of this Agreement, without affecting the validity of the other provisions of this Agreement which shall continue to have effect. The parties shall then negotiate in good faith with a view to replacing the provision that is invalid or impossible to carry out with a new provision whose objective and effect is as similar as possible to the provision that is being replaced.

13.2 In the event that one of the undertakings of Piper Heidsieck under this Agreement or one of the undertakings set out in Clause 1.1, paragraphs (i), (ii) and (iii), is or becomes invalid as against one of the Beneficiaries, that undertaking shall continue to apply in relation to the other Beneficiaries.

Article 14 FEES AND EXPENSES

All fees and expenses under this Agreement as well as all those which may be incurred in connection with its enforcement shall be borne exclusively by P&C Heidsieck who agrees to meet them, in accordance with the provisions of this Facility.

Article 15 LANGUAGE

The parties agree that this Agreement is entered into in the French language and the English language, each of which is equally binding. The parties accept to undertake any translation of this Agreement in accordance with any of the formalities envisaged in Clause 6 above.

Article 16 GOVERNING LAW AND JURISDICTION

This Agreement is governed by French law. Any litigation arising under this Agreement shall be subject to the competent court in the jurisdiction of the *Cour d'Appel* in Paris, without prejudice to the right of the Beneficiaries to bring an action in another jurisdiction, particularly in any country in which the Trademark is registered or an application for registration has been made, in order to preserve all rights relating to this pledge or in order to enforce this pledge.
