TRADEMARK ASSIGNMENT

Assignment made as of August 20, 1999, by Wells Fargo Bank, N.A., as successor to First Interstate Bank of California ("Assignor") to Saddleman, Inc., a Delaware corporation ("Assignee").

WHEREAS, on February 7, 1996, Assignor was granted a security interest in certain trademarks (the "Trademarks") owned by Performance Marketing, Inc. ("Performance"), which was recorded with the United States Patent and Trademark Office;

WHEREAS, Assignor foreclosed on the security interest and exercised its right to transfer, at a private sale pursuant to Section 9504 of the California Uniform Commercial Code, all of Performance's right, title, and interest to the Trademarks, but only to the extent that such right, title and interest was pledged by Performance as collateral to Assignor (the "Pledged Trademark Rights");

WHEREAS, Assignor has acquired the right to transfer all of the Pledged Trademark Rights in applications for the Trademarks in the United States Patent and Trademark Office and the Canadian Intellectual Property Office (the "Applications"), including but not limited to those application serial numbers identified in Exhibit A attached hereto;

WHEREAS, Assignor has acquired the right to transfer all of the Pledged Trademark Rights in Canadian and United States trademark registrations (the "Registrations"), including but not limited to those registration numbers identified in Exhibit A attached hereto;

WHEREAS, Assignee desires to receive an assignment of the full right, title, and interest in the Trademarks, and Assignor is willing to make such assignment;

WHEREAS, Assignor is assigning all rights that it may have to the Trademarks, the Registrations, and the Applications to Assignee as part of the sale of the assets of the Wolf Automotive Division of Performance, to which the Trademarks pertain; and

WHEREAS, Assignee desires to acquire the entire interest of the Assignor in the Trademarks, the Registrations, and the Applications and has purchased such interest at the private sale.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is acknowledged, Assignor hereby assigns to Assignee all right, title and interest that it may have in and to the Trademarks, together with the goodwill of the business symbolized by the Trademarks; the Registrations and all rights that arise from the Registrations; the Applications and any rights that arise from the Applications; all rights to seek other registrations of the Trademarks in the United States Patent and Trademark Office or the Canadian Intellectual Property Office or elsewhere; and all causes of action, past and future, for infringement of the Trademarks or other violations of the rights assigned hereunder. It is understood that Assignor is assigning only whatever interest it may have as to the Trademarks, the Registrations, and the Applications, and that Assignor makes no representations or warranties, except that the Assignor represents and warrants that it has the authority to assign its interest in such Trademarks, Registrations, and Applications and has not previously assigned or otherwise transferred such interest.
