REQUEST FOR CORRECTED ASSIGNMENT DOCUMENT

U.S. Patent and Trademark Office
Assignment Division, Box Assignments
CG-4, 1213 Jefferson Davis Highway
Suite 320
Washington, D.C. 20231

Dear Sir:

Enclosed is a copy of the Notice of Non-Recordation of Assignment Document, together with the original Assignment Document, which was received in the above referenced trademark matter.

The Assignment Division has determined that the Schedule A which was originally submitted to the PTO for recordation (copy attached) did not clearly identify the property numbers. A such, it was required that a new Schedule A be prepared, showing the application serial number and filing date for each trademark and/or trademark application to be recorded.

Attached hereto is such a Schedule A, which correctly identifies each trademark and/or trademark application by its serial number and filing date. As such, a Notice of Recordation of Assignment Document is now respectfully requested. Please call Eric Highman at (216) 623-0040 if any questions or problems arise.

It is further submitted that no fee is necessary to effect this Notice of Recordation, as the proper fee ($3,540.00 for 141 trademarks and/or trademark applications) was submitted with the original Assignment document. If it is determined, however, that an additional fee is necessary, the Commissioner is authorized to charge said fee to our Deposit Account No. 22-0347.

Respectfully submitted,
VICKERS, DANIELS & YOUNG
