Sir:

## REQUEST TO CORRECT RECORDATION

This is a request to correct the erroneous recordation of a security interest by Wells Fargo Bank in United States Trademark Registration Number 1,674,225. A cover sheet and the required fee of $40.00 is attached with this request. The First Supplemental Notice in Security Interest previously recorded with the United States Patent and Trademark Office at Reel/Frame 1149/0257 erroneously listed a trademark registration number of 1,674,225. *See Notice of Recordation, June 4, 1994, attached.* However, no security interest was ever held in this mark or this registration by Wells Fargo Bank.

Historically, the First Supplemental Notice of Security Interest in Intellectual Property was recorded in the U.S. Patent and Trademark Office on May 9, 1994 at Reel/Frame 1149/0257. *See United States Patent and Trademark Notice of Recordation of Assignment Document, June 4, 1994, attached.* Schedule IV of this Supplemental Notice erroneously contained the registration number of the mark CLIMACEL, U.S. Trademark Reg. No. 1,674,225. Schedule IV of the First

Supplemental Notice of Security Interest in Intellectual Property identifies a trademark, PC-WAVE. However, no trademark registration for the mark PC-WAVE exists, and the corresponding trademark registration number listed next to the mark PC-WAVE was that of the mark, ADDSYS-3000. U.S. Trademark Registration Number 1,674,225 is then listed in error for the mark ADDSYS-3000. Wells Fargo Bank and its attorneys was unaware of this mistake until notified by the owners of the mark, CLIMACEL in December 1997.

An Amended First Supplemental Notice of Security Interest in Intellectual Property was made removing U.S. Trademark Registration No. 1,674,225 as part of the security interest held. The Amended First Supplemental Notice of Security Interest was properly recorded but did not correct the error or remove the security interest recorded against U.S. Trademark Registration No. 1,674,225. *See United States Patent and Trademark Office Notice of Recordation of Assignment Document, July 1, 1998, attached.*

Therefore, Wells Fargo Bank. respectfully requests that the security interest in U.S. Trademark Registration 1,674,225 recorded erroneously recorded at Reel 1149/0257 be removed.

Respectfully submitted,

FOR WELLS FARGO BANK
