ARTICLE II

Guarantee

SECTION 2.01. Guarantee. Each Grantor unconditionally and irrevocably guarantees, jointly with the other Grantors and severally, as a primary obligor and not merely as a surety, the due and punctual payment and performance of the Obligations. Each of the Grantors further agrees that the Obligations may be extended or renewed, in whole or in part, without notice to or further assent from it, and that it will remain bound upon its guarantee notwithstanding any extension or renewal of any Obligation. Each of the Grantors waives presentment to, demand of payment from and protest to the Company, any Borrower or any other Loan Party of any of the Obligations, and also waives notice of acceptance of its guarantee and notice of protest for nonpayment.

SECTION 2.02. Guarantee of Payment. Each of the Grantors further agrees that its guarantee hereunder constitutes a guarantee of payment when due and not of collection, and waives any right to require that any resort be had by the Collateral Agent or any other Secured Party to any security held for the payment of the Obligations or to any balance of any deposit

account or credit on the books of the Collateral Agent or any other Secured Party in favor of the Company, any Borrower or any other Person.

SECTION 2.03. No Limitations, Etc. (a) Except for termination of a Grantor's obligations hereunder as expressly provided in Section 11.15, the obligations of each Grantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense or setoff, counterclaim, recoupment or termination whatsoever by reason of the invalidity, illegality or unenforceability of the Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Grantor hereunder shall not be discharged or impaired or otherwise affected by (i) the failure of the Collateral Agent or any other Secured Party to assert any claim or demand or to enforce any right or remedy under the provisions of any Loan Document or otherwise; (ii) any rescission, waiver, amendment or modification of, or any release from any of the terms or provisions of, any Loan Document or any other agreement, including with respect to any other Grantor under this Agreement; (iii) the release of any security held by the Collateral Agent or any other Secured Party for the Obligations or any of them; (iv) any default, failure or delay, wilful or otherwise, in the performance of the Obligations; or (v) any other act or omission that may or might in any manner or to any extent vary the risk of any Grantor or otherwise operate as a discharge of any Grantor as a matter of law or equity (other than the indefeasible payment in full in cash of all the Obligations). Each Grantor expressly authorizes the Secured Parties to take and hold security for the payment and performance of the Obligations and this Agreement, to exchange, waive or release any or all such security (with or without consideration), to enforce or apply such security and direct the order and manner of any sale thereof in their sole discretion or to release or substitute any one or more other guarantors or obligors upon or in respect of the Obligations, all without affecting the obligations of any Grantor hereunder.

(b) To the fullest extent permitted by applicable law, each Grantor waives any defense based on or arising out of any defense of the Company, any Borrower or any other Loan Party or the unenforceability of the Obligations or any part thereof from any cause, or the cessation from any cause of the liability of the Company, any Borrower or any other Loan Party, other than the indefeasible payment in full in cash of all the Obligations. The Collateral Agent and the other Secured Parties may, at their election, foreclose on any security held by one or more of them by one or more judicial or nonjudicial sales, accept an assignment of any such security in lieu of foreclosure, compromise or adjust any part of the Obligations, make any other accommodation with the Company, any Borrower or any other Loan Party or exercise any other right or remedy available to them against the Company, any Borrower or any other Loan Party, without affecting or impairing in any way the liability of any Grantor hereunder except to the extent the Obligations have been fully and indefeasibly paid in full in cash. To the fullest extent permitted by applicable law, each Grantor waives any defense arising out of any such election even though such election operates, pursuant to applicable law, to impair or to extinguish any right of reimbursement or subrogation or other right or remedy of such Grantor against the Company, any Borrower or any other Loan Party, as the case may be, or any security.

SECTION 2.04. Reinstatement. Each of the Grantors agrees that its guarantee hereunder shall continue to be effective or be reinstated, as the case may be, if at any time

payment, or any part thereof, of any Obligation is rescinded or must otherwise be restored by the Collateral Agent or any other Secured Party upon the bankruptcy or reorganization of the Company, any Borrower or any other Loan Party or otherwise.

SECTION 2.05. Agreement To Pay; Subrogation. In furtherance of the foregoing and not in limitation of any other right that the Collateral Agent or any other Secured Party has at law or in equity against any Grantor by virtue hereof, upon the failure of the Company, any Borrower or any other Loan Party to pay any Obligation when and as the same shall become due, whether at maturity, by acceleration, after notice of prepayment or otherwise, each Grantor hereby promises to and will forthwith pay, or cause to be paid, to the Collateral Agent for distribution to the applicable Secured Parties in cash the amount of such unpaid Obligation. Upon payment by any Grantor of any sums to the Collateral Agent as provided above, all rights of such Grantor against the Company or any other Grantor arising as a result thereof by way of right of subrogation, contribution, reimbursement, indemnity or otherwise shall in all respects be subject to Article VI.

SECTION 2.06. Information. Each Grantor assumes all responsibility for being and keeping itself informed of the Company's and each other Loan Party's financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Obligations and the nature, scope and extent of the risks that such Grantor assumes and incurs hereunder, and agrees that none of the Collateral Agent or the other Secured Parties will have any duty to advise such Grantor of information known to it or any of them regarding such circumstances or risks.

ARTICLE III

Pledge of Securities

SECTION 3.01. Pledge. As security for the payment or performance, as the case may be, in full of the Obligations, each Grantor hereby assigns and pledges to the Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, and hereby grants to the Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest in, all such Grantor's right, title and interest in, to and under (a) the Equity Interests owned by it and listed on Schedule II and any other Equity Interests now owned or obtained in the future by such Grantor, and the certificates representing all such Equity Interests, if any (the "*Pledged Stock*"); *provided* that the Pledged Stock shall not include more than 65% of the issued and outstanding voting Equity Interests of any Foreign Subsidiary; (b) the debt securities listed opposite the name of such Grantor on Schedule II, any debt securities (other than debt securities representing obligations that individually do not exceed $1,000,000) now owned or in the future issued to such Grantor, and any promissory notes or other instruments evidencing such debt securities (the "*Pledged Debt Securities*"); (c) all other property that may be delivered to and held by the Collateral Agent pursuant to the terms of this Section 3.01; (d) subject to Section 3.06, all payments of principal or interest, dividends, cash, instruments and other property from time to time received, receivable or otherwise distributed in respect of, in exchange for or upon the conversion of, and all other Proceeds received in respect of, the securities referred to in clauses (a), (b) and (c) above; (e) subject to Section 3.06, all rights and privileges of such Grantor with respect to the

TRADEMARK

securities and other property referred to in clauses (a), (b), (c) and (d) above; and (f) all Proceeds of any of the foregoing (the items referred to in clauses (a) through (f) above being collectively referred to as the "*Pledged Collateral*"). Notwithstanding the foregoing, with respect to the Equity Interests pledged hereunder in The Reader's Digest Association Pty. Ltd. and any other Subsidiaries organized in Australia (collectively, "*Australian Subsidiaries*") the principal amount of the Obligations secured by such Equity Interests shall be limited to $10,000,000; provided, that in the event the Company or the Collateral Agent shall determine that the aggregate fair market value of the shares of Australian Subsidiaries required to be pledged hereunder shall be materially in excess of $10,000,000, then the Company and the Collateral Agent will, within 30 days, amend this Agreement to increase the limit on the amount of Obligations secured by the shares of the Australian Subsidiaries to an amount agreed by the Company and the Collateral Agent to represent such fair market value.

TO HAVE AND TO HOLD the Pledged Collateral, together with all right, title, interest, powers, privileges and preferences pertaining or incidental thereto, unto the Collateral Agent, its successors and assigns, for the ratable benefit of the Secured Parties, forever; subject, however, to the terms, covenants and conditions hereinafter set forth.

SECTION 3.02. Delivery of the Pledged Collateral. (a) Each Grantor agrees promptly to deliver or cause to be delivered to the Collateral Agent any and all Pledged Securities (other than certificates representing Equity Interests in (i) gifts.com, Inc. for so long as efforts to sell or wind down such Subsidiary shall not have been terminated, (ii) LookSmart, Ltd. and (iii) WebMD Corporation), along with properly executed, undated stock and note powers, as applicable.

(b) Each Grantor will cause any Indebtedness for borrowed money owed to such Grantor (other than obligations that individually do not exceed $1,000,000) by any Person to be evidenced by a duly executed promissory note that is pledged and delivered to the Collateral Agent pursuant to the terms hereof.

(c) Upon delivery to the Collateral Agent, (i) any Pledged Securities shall be accompanied by stock powers duly executed in blank or other instruments of transfer satisfactory to the Collateral Agent and by such other instruments and documents as the Collateral Agent may reasonably request and (ii) all other property comprising part of the Pledged Collateral shall be accompanied by proper instruments of assignment duly executed by the applicable Grantor and such other instruments or documents as the Collateral Agent may reasonably request. Each delivery of Pledged Securities shall be accompanied by a schedule describing the securities, which schedule shall be attached hereto as Schedule II and made a part hereof; provided that failure to attach any such schedule hereto or to include therein any Pledged Securities shall not affect the validity of such pledge of such Pledged Securities. Each schedule so delivered shall supplement any prior schedules so delivered.

SECTION 3.03. Representations, Warranties and Covenants. The Grantors jointly and severally represent, warrant and covenant to and with the Collateral Agent, for the benefit of the Secured Parties, that:

(a) Schedule II correctly sets forth the percentage of the issued and outstanding Equity Interests of each class of the issuer thereof represented by the Pledged Stock and correctly sets forth all Equity Interests, debt securities and promissory notes required to be pledged hereunder in order to satisfy the Collateral and Guarantee Requirement;

(b) the Pledged Stock and Pledged Debt Securities have been duly and validly authorized and issued by the issuers thereof and (i) in the case of Pledged Stock, are fully paid and nonassessable and (ii) in the case of Pledged Debt Securities, are legal, valid and binding obligations of the issuers thereof;

(c) except for the security interests granted hereunder, each of the Grantors (i) is and, subject to any transfers made in compliance with the Credit Agreements, will continue to be the direct owner, beneficially and of record, of the Pledged Collateral indicated on Schedule II as being owned by such Grantor, (ii) holds the same free and clear of all Liens, other than Liens created by this Agreement and Liens permitted under Section 6.02 of either Credit Agreement, (iii) will make no assignment, pledge, hypothecation or transfer of, or create or permit to exist any security interest in or other Lien on, the Pledged Collateral, other than Liens created by this Agreement, Liens permitted under Section 6.02 of either Credit Agreement and transfers made in compliance with the Credit Agreements, and (iv) subject to Section 3.06, will cause any and all Pledged Collateral, whether for value paid by the Grantor or otherwise, to be forthwith deposited with the Collateral Agent and pledged or assigned hereunder;

(d) except for restrictions and limitations imposed by the Loan Documents or securities laws generally, the Pledged Collateral is and will continue to be freely transferable and assignable, and none of the Pledged Collateral is or will be subject to any option, right of first refusal, shareholders agreement, charter or by-law provisions or contractual restriction of any nature that might prohibit, impair, delay or otherwise affect the pledge of such Pledged Collateral hereunder, the sale or disposition thereof pursuant hereto or the exercise by the Collateral Agent of rights and remedies hereunder;

(e) each of the Grantors (i) has the power and authority to pledge the Pledged Collateral pledged by it hereunder in the manner hereby done or contemplated and (ii) will defend its title or interest thereto or therein against any and all Liens (other than the Liens created by this Agreement and Liens permitted under Section 6.02 of either Credit Agreement), however arising, of all Persons whomsoever;

(f) no consent of any other Person (including stockholders, partners, members or creditors of any Grantor) and no consent or approval of any Governmental Authority, any securities exchange or any other Person was or is necessary to the validity of the pledge effected hereby (other than such as have been obtained and are in full force and effect);

TRADEMARK
REEL: 002520 FRAME: 0127

(g) by virtue of the execution and delivery by the Grantors of this Agreement, when any Pledged Securities are delivered to the Collateral Agent in accordance with this Agreement, the Collateral Agent will obtain a legal, valid and perfected first priority lien upon and security interest in such Pledged Securities as security for the payment and performance of the Obligations; and

(h) the pledge effected hereby is effective to vest in the Collateral Agent, for the benefit of the Secured Parties, the rights of the Collateral Agent in the Pledged Collateral as set forth herein.

SECTION 3.04. Certification of Limited Liability Company and Limited Partnership Interests. Each interest in any limited liability company or limited partnership pledged hereunder that is represented by a certificate, shall expressly provide that it be a "security" within the meaning of Article 8 of the New York UCC and shall be governed by Article 8 of the New York UCC.

SECTION 3.05. Registration in Nominee Name; Denominations. (ii) The Collateral Agent shall execute and deliver to each Grantor, or cause to be executed and delivered to such Grantor, all such proxies, powers of attorney and other instruments as such Grantor may reasonably request for the purpose of enabling such Grantor to exercise the voting and/or consensual rights and powers it is entitled to exercise pursuant to subparagraph (i) above.

that, unless otherwise directed by the Required Lenders under either Credit Agreement, the Collateral Agent shall have the right from time to time following and during the continuance of an Event of Default under either Credit Agreement to permit the Grantors to exercise such rights. After all Events of Default under both Credit Agreements have been cured or waived, such Grantor will have the right to exercise the voting and consensual rights and powers that it would otherwise be entitled to exercise pursuant to the terms of paragraph (a)(i) above.

(d) Any notice given by the Collateral Agent to the Grantors suspending their rights under paragraph (a) above (i) may be given by telephone if promptly confirmed in writing, (ii) may be given to one or more of the Grantors at the same or different times and (iii) may suspend the rights of the Grantors under paragraph (a)(i) or paragraph (a)(iii) in part without suspending all such rights (as specified by the Collateral Agent in its sole and absolute discretion) and without waiving or otherwise affecting the Collateral Agent's rights to give additional notices from time to time suspending other rights so long as an Event of Default under either Credit Agreement has occurred and is continuing.

The Security Interest is and shall be prior to any other Lien on any of the Article 9 Collateral, other than Liens expressly permitted under Section 6.02 of each Credit Agreement; and

(d) the Article 9 Collateral is owned by the Grantors free and clear of any Lien, except for Liens expressly permitted pursuant to Section 6.02 of each Credit Agreement. None of the Grantors has filed or consented to the filing of (i) any financing statement or analogous document under the Uniform Commercial Code or any other applicable laws covering any Article 9 Collateral, (ii) any assignment in which any Grantor assigns any Article 9 Collateral or any security agreement or similar instrument covering any Article 9 Collateral with the United States Patent and Trademark Office or the United States Copyright Office or (iii) any assignment in which any Grantor assigns any Article 9 Collateral or any security agreement or similar instrument covering any Article 9 Collateral with any foreign governmental, municipal or other office, which financing statement or analogous document, assignment, security agreement or similar instrument is still in effect, except, in each case, for Liens expressly permitted pursuant to Section 6.02 of each Credit Agreement. None of the Grantors holds any commercial tort claim with a value in excess of $1,000,000 except as indicated on the Perfection Certificates.

SECTION 4.03. Covenants. Each Grantor agrees promptly to provide the Collateral Agent with certified organizational documents reflecting any of the changes described in the first sentence of this paragraph. The Company agrees not to effect or permit any change referred to in this Section until the Company has notified the Collateral Agent in writing of such change, and that prior to or promptly after any such change the Company will take all such actions as may be required in order that the Collateral Agent shall continue at all times following such change to have a valid, legal and perfected security interest in all the Collateral. The Company agrees promptly to notify the Collateral Agent if any material portion of the Collateral owned or held by any Grantor is damaged or destroyed.

(b) Each Grantor agrees to maintain, at its own cost and expense, such complete and accurate records with respect to the Article 9 Collateral owned by it as shall be consistent with its current practices and in accordance with such prudent and standard practices used in industries that are the same as or similar to those in which such Grantor is engaged, but in any event to include complete accounting records indicating all payments and proceeds received with respect to any part of the Article 9 Collateral, and, at such time or times as the Collateral Agent may reasonably request, promptly to prepare and deliver to the Collateral Agent a duly certified schedule or schedules in form and detail satisfactory to the Collateral Agent showing the identity, amount and location of any and all Article 9 Collateral.

(c) Each Grantor shall, at its own expense, take any and all reasonable actions necessary to defend title to the Article 9 Collateral against all Persons and to defend the Security Interest of the Collateral Agent in the Article 9 Collateral and the priority thereof against any Lien not expressly permitted pursuant to Section 6.02 of each Credit Agreement.

(d) Each Grantor agrees, at its own expense, to execute, acknowledge, deliver and cause to be duly filed all such further instruments and documents and take all such actions as the Collateral Agent may from time to time reasonably request to better assure, preserve, protect and perfect the Security Interest and the rights and remedies created hereby, including the payment of any fees and taxes required in connection with the execution and delivery of this Agreement, the granting of the Security Interest and the filing of any financing statements (including fixture filings) or other documents in connection herewith or therewith.

Without limiting the generality of the foregoing, each Grantor hereby authorizes the Collateral Agent, with prompt notice thereof to the Grantors, to supplement this Agreement by supplementing Schedule III or adding additional schedules hereto to specifically identify any asset or item that may constitute Copyrights, Licenses, Patents or Trademarks; *provided*, that any Grantor shall have the right, exercisable within 10 days after it has been notified by the Collateral Agent of the specific identification of such Collateral, to advise the Collateral Agent in writing of any inaccuracy of the representations and warranties made by such Grantor hereunder with respect to such Collateral. Each Grantor agrees that it will take such action as shall be necessary in order that all representations and warranties hereunder shall be true and correct with respect to such Collateral within 30 days after the date it has been notified by the Collateral Agent of the specific identification of such Collateral.

(e) The Collateral Agent and such Persons as the Collateral Agent may reasonably designate shall have the right, at the Grantors' own cost and expense, at reasonable times and without undue burden or disruption to such Grantor, to inspect the Article 9 Collateral, all records related thereto (and to make extracts and copies from such records) and the premises upon which any of the Article 9 Collateral is located, to discuss the Grantors' affairs with the officers of the Grantors and their independent accountants and to verify under reasonable procedures, in accordance with Section 5.06 of the Credit Agreements, the validity, amount, quality, quantity, value, condition and status of, or any other matter relating to, the Article 9 Collateral, including, in the case of Accounts or Article 9 Collateral in the possession of any third person, by contacting Account Debtors or the third person possessing such Article 9 Collateral for

the purpose of making such a verification. The Collateral Agent shall have the right to share any information it gains from such inspection or verification with any Secured Party.

(f) At its option, the Collateral Agent may discharge past due taxes, assessments, charges, fees, Liens, security interests or other encumbrances at any time levied or placed on the Article 9 Collateral and not permitted pursuant to Section 6.02 of each Credit Agreement, and may pay for the maintenance and preservation of the Article 9 Collateral to the extent any Grantor fails to do so as required by the Credit Agreements or this Agreement, and each Grantor jointly and severally agrees to reimburse the Collateral Agent on demand for any payment made or any expense incurred by the Collateral Agent pursuant to the foregoing authorization; *provided, however*, that nothing in this paragraph shall be interpreted as excusing any Grantor from the performance of, or imposing any obligation on the Collateral Agent or any Secured Party to cure or perform, any covenants or other promises of any Grantor with respect to taxes, assessments, charges, fees, Liens, security interests or other encumbrances and maintenance as set forth herein or in the other Loan Documents.

(g) If at any time any Grantor shall take a security interest in any property of an Account Debtor or any other Person to secure payment and performance of an Account, such Grantor shall promptly assign such security interest to the Collateral Agent. Such assignment need not be filed of public record unless necessary to continue the perfected status of the security interest against creditors of and transferees from the Account Debtor or other person granting the security interest.

(h) Each Grantor shall remain liable under each contract, agreement or instrument relating to the Article 9 Collateral to observe and perform all the conditions and obligations to be observed and performed by it thereunder, all in accordance with the terms and conditions thereof, and each Grantor jointly and severally agrees to indemnify and hold harmless the Collateral Agent and the Secured Parties from and against any and all liability for such performance.

(i) None of the Grantors shall make or permit to be made an assignment, pledge or hypothecation of the Article 9 Collateral or shall grant any other Lien in respect of the Article 9 Collateral, except as expressly permitted by Section 6.02 of each Credit Agreement. None of the Grantors shall make or permit to be made any transfer of the Article 9 Collateral and each Grantor shall remain at all times in possession of the Article 9 Collateral owned by it, except as permitted by Sections 6.04 and 6.05 of each Credit Agreement. Without limiting the generality of the foregoing, each Grantor agrees that at least 66-2/3% (as of May 20, 2002 for the period ending June 30, 2003 and as of June 30 for each year thereafter) of the aggregate value of all Inventory of the Grantors that is in the possession or control of one or more warehousemen, bailees, agents or processors at any time shall consist of Complying Bailee Inventory. The Grantors will deliver to the Collateral Agent not later than August 15 in each year commencing in 2003 a certificate, accompanied by supporting information in reasonable detail, confirming their compliance as of June 30 in such year with the agreement set forth in the preceding sentence.

(j) None of the Grantors will, without the Collateral Agent's prior written consent, grant any extension of the time of payment of any Accounts included in the Article 9 Collateral, compromise, compound or settle the same for less than the full amount thereof, release,

wholly or partly, any Person liable for the payment thereof or allow any credit or discount whatsoever thereon, other than extensions, credits, discounts, compromises or settlements granted or made in the ordinary course of business.

(k) The Grantors, at their own expense, shall maintain or cause to be maintained insurance covering physical loss or damage to the Inventory and Equipment in accordance with Section 5.05 of the Credit Agreements. Each Grantor irrevocably makes, constitutes and appoints the Collateral Agent (and all officers, employees or agents designated by the Collateral Agent) as such Grantor's true and lawful agent (and attorney-in-fact) for the purpose, during the continuance of an Event of Default under either Credit Agreement, of making, settling and adjusting claims in respect of Article 9 Collateral under policies of insurance, endorsing the name of such Grantor on any check, draft, instrument or other item of payment for the proceeds of such policies of insurance and for making all determinations and decisions with respect thereto. In the event that any Grantor at any time or times shall fail to obtain or maintain any of the policies of insurance required hereby or to pay any premium in whole or part relating thereto, the Collateral Agent may, without waiving or releasing any obligation or liability of the Grantors hereunder or any Event of Default under either Credit Agreement, in its sole discretion, obtain and maintain such policies of insurance and pay such premium and take any other actions with respect thereto as the Collateral Agent deems advisable. All sums disbursed by the Collateral Agent in connection with this paragraph, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be payable, upon demand, by the Grantors to the Collateral Agent and shall be additional Obligations secured hereby.

(l) Each Grantor shall legend, in form and manner satisfactory to the Collateral Agent, its Chattel Paper and its books, records and documents evidencing or pertaining thereto with an appropriate reference to the fact that such Chattel Paper have been assigned to the Collateral Agent for the benefit of the Secured Parties and that the Collateral Agent has a security interest therein.

(m) None of the Grantors shall cause or permit (i) any uncertificated Equity Interest required to be pledged hereunder to be certificated unless it shall forthwith pledge and deliver the certificate representing such Equity Interest to the Collateral Agent or (ii) the issuer of any uncertificated Equity Interest required to be pledged hereunder to opt-in to Article 8 of the Uniform Commercial Code unless and until such Equity Interests are certificated and the certificated representing such Equity Interests are delivered to the Collateral Agent, as required hereunder.

(d) Commercial Tort Claims. If any Grantor shall at any time hold or acquire a commercial tort claim with a value in excess of $1,000,000, the Grantor shall immediately notify the Collateral Agent thereof in a writing signed by such Grantor including a summary description of such claim and grant to the Collateral Agent in such writing a security interest therein and in the proceeds thereof, all upon the terms of this Agreement, with such writing to be in form and substance satisfactory to the Collateral Agent.

Remedies

SECTION 5.01. Remedies upon Default. Upon the occurrence and during the continuance of an Event of Default under either Credit Agreement, each Grantor agrees to deliver each item of Collateral to the Collateral Agent on demand, and it is agreed that the Collateral Agent shall have the right to take any of or all the following actions at the same or different times: (a) with respect to any Article 9 Collateral consisting of Intellectual Property, on demand, to cause the Security Interest to become an assignment, transfer and conveyance of any of or all such Article 9 Collateral by the applicable Grantors to the Collateral Agent, or to license or sublicense, whether general, special or otherwise, and whether on an exclusive or nonexclusive basis, any such Article 9 Collateral throughout the world on such terms and conditions and in such manner as the Collateral Agent shall determine (other than in violation of any then-existing licensing arrangements to the extent that waivers cannot be obtained), and (b) with or without legal process and with or without prior notice or demand for performance, to take possession of the Article 9 Collateral and without liability for trespass to enter any premises where the Article 9 Collateral may be located for the purpose of taking possession of or removing the Article 9 Collateral and,

generally, to exercise any and all rights afforded to a secured party under the Uniform Commercial Code or other applicable law. Without limiting the generality of the foregoing, each Grantor agrees that the Collateral Agent shall have the right, subject to the mandatory requirements of applicable law, to sell or otherwise dispose of all or any part of the Collateral at a public or private sale or at any broker's board or on any securities exchange, for cash, upon credit or for future delivery as the Collateral Agent shall deem appropriate. The Collateral Agent shall be authorized at any such sale (if it deems it advisable to do so) to restrict the prospective bidders or purchasers to Persons who will represent and agree that they are purchasing the Collateral for their own account for investment and not with a view to the distribution or sale thereof, and upon consummation of any such sale the Collateral Agent shall have the right to assign, transfer and deliver to the purchaser or purchasers thereof the Collateral so sold. Each such purchaser at any such sale shall hold the property sold absolutely, free from any claim or right on the part of any Grantor, and the Grantors hereby waive (to the extent permitted by law) all rights of redemption, stay and appraisal which such Grantor now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted.

The Collateral Agent shall give the applicable Grantors 10 days' written notice (which each Grantor agrees is reasonable notice within the meaning of Section 9-611 of the New York UCC or its equivalent in other jurisdictions) of the Collateral Agent's intention to make any sale of Collateral. Such notice, in the case of a public sale, shall state the time and place for such sale and, in the case of a sale at a broker's board or on a securities exchange, shall state the board or exchange at which such sale is to be made and the day on which the Collateral, or portion thereof, will first be offered for sale at such board or exchange. Any such public sale shall be held at such time or times within ordinary business hours and at such place or places as the Collateral Agent may fix and state in the notice (if any) of such sale. At any such sale, the Collateral, or portion thereof, to be sold may be sold in one lot as an entirety or in separate parcels, as the Collateral Agent may (in its sole and absolute discretion) determine. The Collateral Agent shall not be obligated to make any sale of any Collateral if it shall determine not to do so, regardless of the fact that notice of sale of such Collateral shall have been given. The Collateral Agent may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for sale, and such sale may, without further notice, be made at the time and place to which the same was so adjourned. In case any sale of all or any part of the Collateral is made on credit or for future delivery, the Collateral so sold may be retained by the Collateral Agent until the sale price is paid by the purchaser or purchasers thereof, but the Collateral Agent shall not incur any liability in case any such purchaser or purchasers shall fail to take up and pay for the Collateral so sold and, in case of any such failure, such Collateral may be sold again upon like notice. At any public (or, to the extent permitted by law, private) sale made pursuant to this Section, any Secured Party may bid for or purchase, free (to the extent permitted by law) from any right of redemption, stay, valuation or appraisal on the part of any Grantor (all said rights being also hereby waived and released to the extent permitted by law), the Collateral or any part thereof offered for sale and may make payment on account thereof by using any claim then due and payable to such Secured Party from any Grantor as a credit against the purchase price, and such Secured Party may, upon compliance with the terms of sale, hold, retain and dispose of such property without further accountability to any Grantor therefor. For purposes hereof, a written agreement to purchase the Collateral or any portion thereof shall be treated as a sale thereof; the Collateral Agent shall be free to carry out such sale

pursuant to such agreement and no Grantor shall be entitled to the return of the Collateral or any portion thereof subject thereto, notwithstanding the fact that after the Collateral Agent shall have entered into such an agreement all Events of Default under either Credit Agreement shall have been remedied and the Obligations paid in full. As an alternative to exercising the power of sale herein conferred upon it, the Collateral Agent may proceed by a suit or suits at law or in equity to foreclose this Agreement and to sell the Collateral or any portion thereof pursuant to a judgment or decree of a court or courts having competent jurisdiction or pursuant to a proceeding by a court-appointed receiver. Any sale pursuant to the provisions of this Section 5.01 shall be deemed to conform to the commercially reasonable standards as provided in Section 9-610(b) of the New York UCC or its equivalent in other jurisdictions.

SECTION 5.02. Application of Proceeds. The Collateral Agent shall apply the proceeds of any collection or sale of Collateral, including any Collateral consisting of cash, as follows:

FIRST, to the payment of all costs and expenses incurred by the Collateral Agent in connection with such collection or sale or otherwise in connection with this Agreement, any other Loan Document or any of the Obligations, including all court costs and the fees and expenses of its agents and legal counsel, the repayment of all advances made by the Collateral Agent or the Administrative Agent under either Credit Agreement, hereunder or under any other Loan Document on behalf of any Grantor and any other costs or expenses incurred in connection with the exercise of any right or remedy hereunder or under any other Loan Document;

SECOND, to the payment in full of the Obligations (the amounts so applied to be distributed among the Secured Parties pro rata in accordance with the amounts of the Obligations owed to them on the date of any such distribution); and

THIRD, to the Grantors, their successors or assigns, or as a court of competent jurisdiction may otherwise direct.

The Collateral Agent shall have absolute discretion as to the time of application of any such proceeds, moneys or balances in accordance with this Agreement. Upon any sale of Collateral by the Collateral Agent (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the Collateral Agent or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Collateral Agent or such officer or be answerable in any way for the misapplication thereof.

SECTION 5.03. Grant of License to Use Intellectual Property. For the purpose of enabling the Collateral Agent to exercise rights and remedies under this Article at such time as the Collateral Agent shall be lawfully entitled to exercise such rights and remedies, each Grantor hereby grants to the Collateral Agent an irrevocable, nonexclusive license (exercisable without payment of royalty or other compensation to the Grantors) to use, license or sublicense any of the Article 9 Collateral consisting of Intellectual Property now owned or hereafter acquired by such

TRADEMARK

Grantor, and wherever the same may be located, and including in such license reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer software and programs used for the compilation or printout thereof. The use of such license by the Collateral Agent shall be exercised, at the option of the Collateral Agent, upon the occurrence and during the continuation of an Event of Default under either Credit Agreement; *provided* that any license, sublicense or other transaction entered into by the Collateral Agent in accordance herewith shall be binding upon the Grantors notwithstanding any subsequent cure of an Event of Default under either Credit Agreement.

SECTION 5.04. Securities Act, etc. In view of the position of the Grantors in relation to the Pledged Collateral, or because of other current or future circumstances, a question may arise under the Securities Act of 1933, as now or hereafter in effect, or any similar statute hereafter enacted analogous in purpose or effect (such Act and any such similar statute as from time to time in effect being called the "Federal Securities Laws") with respect to any disposition of the Pledged Collateral permitted hereunder. Each Grantor understands that compliance with the Federal Securities Laws might very strictly limit the course of conduct of the Collateral Agent if the Collateral Agent were to attempt to dispose of all or any part of the Pledged Securities, and might also limit the extent to which or the manner in which any subsequent transferee of any Pledged Securities could dispose of the same. Similarly, there may be other legal restrictions or limitations affecting the Collateral Agent in any attempt to dispose of all or part of the Pledged Collateral under applicable Blue Sky or other state securities laws or similar laws analogous in purpose or effect. Each Grantor recognizes that in light of such restrictions and limitations the Collateral Agent may, with respect to any sale of the Pledged Collateral, limit the purchasers to those who will agree, among other things, to acquire such Pledged Collateral for their own account, for investment, and not with a view to the distribution or resale thereof. Each Grantor acknowledges and agrees that in light of such restrictions and limitations, the Collateral Agent, in its sole and absolute discretion (a) may proceed to make such a sale whether or not a registration statement for the purpose of registering such Pledged Collateral or part thereof shall have been filed under the Federal Securities Laws and (b) may approach and negotiate with a single potential purchaser to effect such sale. Each Grantor acknowledges and agrees that any such sale might result in prices and other terms less favorable to the seller than if such sale were a public sale without such restrictions. In the event of any such sale, the Collateral Agent shall incur no responsibility or liability for selling all or any part of the Pledged Collateral at a price that the Collateral Agent, in its sole and absolute discretion, may in good faith deem reasonable under the circumstances, notwithstanding the possibility that a substantially higher price might have been realized if the sale were deferred until after registration as aforesaid or if more than a single purchaser were approached. The provisions of this Section 5.04 will apply notwithstanding the existence of a public or private market upon which the quotations or sales prices may exceed substantially the price at which the Collateral Agent sells.

Indemnity, Subrogation and Contribution

REEL: 002520 FRAME: 0142

SECTION 6.01. Indemnity and Subrogation. In addition to all such rights of indemnity and subrogation as the Subsidiary Guarantors may have under applicable law (but subject to Section 6.03), the Company agrees that (a) in the event a payment shall be made by any Subsidiary Guarantor under this Agreement, the Company shall indemnify such Subsidiary Guarantor for the full amount of such payment and shall be subrogated to the rights of the Person to whom such payment shall have been made to the extent of such payment and (b) in the event any assets of any Subsidiary Guarantor shall be sold pursuant to any Security Document to satisfy in whole or in part a claim of any Secured Party, the Company shall indemnify such Subsidiary Guarantor in an amount equal to the fair market value of the assets so sold.

SECTION 6.02. Contribution. Each Subsidiary Guarantor (a "Contributing Guarantor") agrees (subject to Section 6.03) that in the event a payment shall be made by any other Subsidiary Guarantor hereunder in respect of any Obligation, or assets of any other Subsidiary Guarantor shall be sold pursuant to any Security Document to satisfy any Obligation, owed to any Secured Party and such other Subsidiary Guarantor (the "*Claiming Guarantor*") shall not have been fully indemnified by the Company as provided in Section 6.01, the Contributing Guarantor shall indemnify the Claiming Guarantor in an amount equal to the amount of such payment or the fair market value of such assets, as the case may be, in each case multiplied by a fraction of which the numerator shall be the net worth of the Contributing Guarantor on the date hereof and the denominator shall be the aggregate net worth of all the Subsidiary Guarantors on the date hereof (or, in the case of any Subsidiary Guarantor becoming a party hereto pursuant to Section 11.16, the date of the Supplement hereto executed and delivered by such Subsidiary Guarantor). Any Contributing Guarantor making any payment to a Claiming Guarantor pursuant to this Section 6.02 shall be subrogated to the rights of such Claiming Guarantor under Section 6.01, and to the rights of the Secured Party that shall have held the Obligation so paid, in each case to the extent of such payment.

SECTION 6.03. Subordination. (a) Notwithstanding any provision of this Agreement to the contrary, all rights of the Subsidiary Guarantors under Sections 6.01 and 6.02 and all other rights of indemnity, contribution or subrogation under applicable law or otherwise shall be fully subordinated to the indefeasible payment in full in cash of the Obligations, each Grantor hereby agreeing that it will not assert any claim in respect of such rights until all the Obligations shall have been indefeasibly paid in full. No failure on the part of the Company or any Subsidiary Guarantor to make the payments required by Sections 6.01 and 6.02 (or any other payments required under applicable law or otherwise) shall in any respect limit the obligations and liabilities of the Company or any Subsidiary Guarantor with respect to its obligations hereunder, and the Company and each Subsidiary Guarantor shall remain liable for the full amount of its obligations hereunder.

(b) The Company and each Subsidiary Guarantor hereby agrees that all Indebtedness and other monetary obligations owed to it by the Company or any Subsidiary shall be fully subordinated to the indefeasible payment in full in cash of the Obligations.

Acts of Secured Parties and Administrative Agent; Amounts of Secured Obligations

SECTION 7.01. Acts of Secured Parties and Administrative Agent. Any request, demand, authorization, direction, notice, consent, waiver or other action permitted or required by this Agreement to be given or taken by any Secured Party or by the Administrative Agent under either Credit Agreement may be and, at the request of the Collateral Agent, shall be embodied in and evidenced by one or more instruments reasonably satisfactory in form to the Collateral Agent and signed by such Secured Party or the Administrative Agent under either Credit Agreement, acting individually or on behalf of the applicable Secured Parties, as the case may be, and, except as otherwise expressly provided in any such instrument, any such action shall become effective when such instrument or instruments shall have been delivered to the Collateral Agent as provided herein. The instrument or instruments evidencing any action (and the action embodied therein and evidenced thereby) are sometimes referred to herein as an "Act" of the persons signing such instrument or instruments. All Acts hereunder on the part of any Secured Parties shall be taken on their behalf by the Administrative Agent under the applicable Credit Agreement. The Collateral Agent shall be entitled to rely absolutely upon an Act of the Administrative Agent under either Credit Agreement if such Act purports to be taken by or on behalf of the Secured Parties under such Credit Agreement, and nothing in this Section 7.01 or elsewhere in this Agreement shall be construed to require the Administrative Agent under either Credit Agreement to demonstrate that it has been authorized by the Secured Parties to take any action which it purports to be taking, the Collateral Agent being entitled to rely conclusively without any independent investigation whatsoever, and being fully protected in so relying, on any Act of the Administrative Agent under either Credit Agreement.

SECTION 7.02. Determination of Amounts of Secured Obligations and Existence of Event of Default under either Credit Agreement; Acceleration. Whenever the Collateral Agent is required to determine the existence or amount of any of the Secured Obligations or the existence of any Event of Default under either Credit Agreement for any purposes of this Agreement, it shall request written certification of such existence or amount from the Administrative Agent under such Credit Agreement, and shall be entitled to make such determination on the basis of such certification; provided, however, that if, notwithstanding the request of the Collateral Agent, the Administrative Agent under either Credit Agreement shall fail or refuse reasonably promptly to certify as to the existence or amount of any Secured Obligation or the existence of any Event of Default under such Credit Agreement, the Collateral Agent shall be entitled to determine such existence or amount by such method as the Collateral Agent may, in the exercise of its good faith judgment, determine, including by reliance upon a certificate of the Company. The Collateral Agent may rely conclusively, and shall be fully protected in so relying, on any determination made by it in accordance with the provisions of the preceding sentence (or as otherwise directed by a court of competent jurisdiction) and shall have no liability to the Company, any holder of any Secured Obligation or any other person as a result of such determination. The Administrative Agent under either Credit Agreement shall promptly notify the Collateral Agent of any acceleration of the Loans outstanding thereunder; provided that failure to give any such notice shall not affect any rights or remedies of the Collateral Agent or any Secured Party arising in connection with any such acceleration.

ARTICLE VIII

Duties of Collateral Agent

SECTION 8.01. Notices to Administrative Agent under Either Credit Agreement. The Collateral Agent shall promptly notify the Administrative Agent under the applicable Credit Agreement in the event it shall receive (a) any notice of an Event of Default under either Credit Agreement, (b) any instructions to commence the exercise of remedies under Article V or (c) any other material instruction, notice, request, demand or other communication from any person related to this Agreement or the Collateral.

SECTION 8.02. Actions Under This Agreement. (a) The Collateral Agent shall not be obligated to take any action under this Agreement except for the performance of such duties as are specifically set forth herein and therein or in accordance with the provisions hereof. Subject to the provisions of Article IX of this Agreement and to the succeeding provisions of this Section 8.02, the Collateral Agent shall take such actions, and only such actions, under this Agreement and the other Security Documents under either Credit Agreement as are requested jointly by the Administrative Agent under each Credit Agreement and as are not inconsistent with or contrary to the provisions of this Agreement, except for ministerial and/or administrative actions required or permitted by this Agreement and the other Security Documents under either Credit Agreement. It is the intent of the parties hereto that (i) the Administrative Agent under either Credit Agreement shall have the right to initiate the exercise of remedies under Article V and (ii) the Administrative Agents under the Credit Agreements shall jointly control the manner of the exercise of such remedies. Therefore, in the event the Administrative Agent under either Credit Agreement notifies the Collateral Agent and the Administrative Agent under the other Credit Agreement of its desire to commence the exercise of remedies and/or to foreclose on specified Collateral, the Administrative Agents under both Credit Agreements shall promptly confer to determine the manner in which the Collateral Agent should proceed. The Administrative Agent under each Credit Agreement, acting in good faith, shall use its best efforts to reach agreement on such matters so that one or more remedies (which shall include foreclosure on such Collateral if requested in such notification) will be exercised reasonably promptly after such notification. In connection with the foregoing, neither Administrative Agent will give instructions to the Collateral Agent with the intent of preventing, hindering or delaying the exercise of any remedies requested by the Administrative Agent under the other Credit Agreement. Notwithstanding the foregoing, the Collateral Agent shall, if it has received inconsistent instructions from the Administrative Agents under the Credit Agreements with respect to any matter hereunder, act with respect to such matter in such manner as it shall deem to be in the best interests of all the Secured Parties and consistent with the provisions and intent of this Agreement.

(b) The holders of Designated Letter of Credit Obligations shall not be entitled to, and shall not, (i) direct the actions of the Collateral Agent hereunder, (ii) take any action, or commence any legal proceeding seeking, to require, compel or cause the Collateral Agent to enforce any provisions of this Agreement against any Grantor or to exercise any remedy hereunder, (iii) take any action, or commence any legal proceeding seeking, to prevent or enjoin the Collateral Agent from taking any action (including, without limitation, the enforcement of any provisions of this Agreement against any Grantor, the exercise of any remedy hereunder, the release of any

REEL: 002520 FRAME: 0145

Collateral hereunder or the consent to any amendment or modification of this Agreement or the grant of any waiver hereunder), or refraining from taking any such action, in accordance with this Agreement or (iv) take any action, or commence any legal proceeding seeking, to delay, hinder or otherwise impair the Collateral Agent in taking any such action in accordance with this Agreement. By acceptance of the benefits under this Agreement, the holders of Designated Letter of Credit Obligations will be deemed to have acknowledged and agreed that the provisions of the preceding sentence are intended to induce the Lenders to permit the holders of Designated Letter of Credit Obligations to be Secured Parties under this Agreement and are being relied upon by the Lenders as consideration therefor.

(d) **THE COLLATERAL AGENT HAS CONSENTED TO SERVE AS COLLATERAL AGENT HEREUNDER ON THE EXPRESS UNDERSTANDING, AND THE HOLDERS OF DESIGNATED LETTER OF CREDIT OBLIGATIONS, BY ACCEPTING THE BENEFITS OF THIS AGREEMENT, SHALL BE DEEMED TO HAVE AGREED, THAT THE COLLATERAL AGENT SHALL HAVE NO DUTY AND SHALL OWE NO OBLIGATION OR RESPONSIBILITY (FIDUCIARY OR OTHERWISE) TO THE HOLDERS OF DESIGNATED LETTER OF CREDIT OBLIGATIONS, OTHER THAN THE DUTY TO PERFORM ITS EXPRESS OBLIGATIONS UNDER THIS AGREEMENT IN ACCORDANCE WITH THEIR TERMS, SUBJECT IN ALL EVENTS TO THE PROVISIONS OF ARTICLES V AND IX AND THE OTHER PROVISIONS OF THIS AGREEMENT LIMITING THE RESPONSIBILITY OR LIABILITY OF THE COLLATERAL AGENT HEREUNDER. WITHOUT LIMITING THE FOREGOING, THE HOLDERS OF DESIGNATED LETTER OF CREDIT OBLIGATIONS, BY ACCEPTING THE BENEFITS OF THIS AGREEMENT, SHALL BE DEEMED TO HAVE WAIVED ANY RIGHT THEY MIGHT HAVE, UNDER APPLICABLE LAW OR OTHERWISE, TO COMPEL THE SALE OR OTHER DISPOSITION OF ANY COLLATERAL, AND ANY OBLIGATION THE COLLATERAL AGENT MIGHT HAVE, UNDER APPLICABLE LAW OR OTHERWISE, TO OBTAIN ANY MINIMUM PRICE FOR ANY COLLATERAL UPON THE SALE THEREOF, IT BEING EXPRESSLY UNDERSTOOD, AND THE AVAILABILITY OF THE BENEFITS OF THIS AGREEMENT TO THE HOLDERS OF DESIGNATED LETTER OF CREDIT OBLIGATIONS BEING CONDITIONED UPON THE UNDERSTANDING, THAT THE SOLE RIGHT OF THE HOLDERS OF DESIGNATED LETTER OF CREDIT OBLIGATIONS SHALL BE TO RECEIVE THEIR RATABLE SHARE OF ANY PROCEEDS OF COLLATERAL IN ACCORDANCE WITH AND SUBJECT TO THE PROVISIONS OF THIS AGREEMENT.**

(e) In connection with any matter hereunder or any other agreement with respect to which the Collateral Agent is required not unreasonably to withhold its consent or approval or with respect to which the Collateral Agent is required to act reasonably or in good faith or with respect to which the consent or approval of the Collateral Agent is required or which the Collateral Agent is required to approve as being satisfactory to it, the Collateral Agent shall not take any action with respect to such matter until the Collateral Agent shall have received uniform written instructions with respect to such matter from the Administrative Agents under both Credit Agreements as provided in Section 8.02(a) herein. The Collateral Agent shall be fully protected in

taking or failing to take any action in accordance with such uniform instructions of the Administrative Agents (or in the absence of such uniform instructions, if such instructions shall have been requested but not received) in connection with any matter referred to in the preceding sentence.

(f) Upon the termination of the Commitments and payment in full of the Loans and other amounts under either Credit Agreement and the termination of any letters of credit or other extensions of credit thereunder, any action which is to be taken by the Collateral Agent hereunder or otherwise in respect of the Collateral only upon the uniform instructions of the Administrative Agents under both Credit Agreements shall be taken by the Collateral Agent upon the instructions of the Administrative Agent under the Credit Agreement under which Commitments, Loans or other extensions of credit continue to be outstanding.

ARTICLE IX

Concerning the Collateral Agent

SECTION 9.01. Limitations on Responsibility of Collateral Agent. The Collateral Agent shall not be responsible in any manner whatsoever for the correctness of any recitals, statements, representations or warranties contained herein. The Collateral Agent makes no representation as to the value or condition of the Collateral or any part thereof, as to the title of any Grantor to the Collateral, as to the security afforded by this Agreement or as to the validity, execution, enforceability, legality or sufficiency of this Agreement, and the Collateral Agent shall incur no liability or responsibility in respect of any such matters. The Collateral Agent shall not be responsible for insuring the Collateral, for the payment of taxes, charges, assessments or Liens upon the Collateral or otherwise for the maintenance of the Collateral, except as provided in the immediately following sentence when the Collateral Agent has possession or control of the Collateral. Except as otherwise provided herein, the Collateral Agent shall have no duty to the Grantors or to the holders of the Secured Obligations as to any Collateral in its possession or control or in the possession or control of any agent or nominee of the Collateral Agent or any income thereon or as to the preservation of rights against prior parties or any other rights pertaining thereto, except the duty to accord such Collateral the same care that it normally accords to its own assets and the duty to account for moneys received by it. The Collateral Agent shall not be required to ascertain or inquire as to the performance by the Company of any of the covenants or agreements contained herein or in any other agreement. Neither the Collateral Agent nor any officer, agent or representative thereof shall be personally liable for any action taken or omitted to be taken by any such person in connection with this Agreement except for such person's own gross negligence or wilful misconduct (it being understood that any action taken in accordance with the terms of this Agreement by the Collateral Agent or any such officer, agent or representative at the direction or instruction of the Administrative Agent and/or the Administrative Agent under either Credit Agreement (or not taken, in the absence of any such directions or instructions) shall not constitute gross negligence or wilful misconduct). Neither the Collateral Agent nor any officer, agent or representative thereof shall be personally liable for any action taken by any such person in accordance with any notice given by the Administrative Agent under either Credit Agreement hereunder even if, at the time such action is taken by any such person, the Administrative Agent

under either Credit Agreement which gave the notice to take such action is no longer the Administrative Agent under either Credit Agreement or the Secured Parties on behalf of which such notice was given are no longer the Secured Parties. The Collateral Agent may execute any of the powers granted under this Agreement and perform any duty hereunder either directly or by or through agents or attorneys-in-fact, and shall not be responsible for the negligence or misconduct of any agents or attorneys-in-fact selected by it without gross negligence or wilful misconduct.

SECTION 9.02. Reliance by Collateral Agent; Indemnity Against Liabilities, etc. (a) Whenever in the performance of its duties under this Agreement the Collateral Agent shall deem it necessary or desirable that a matter be proved or established with respect to any Grantor or any other person in connection with the taking, suffering or omitting of any action hereunder by the Collateral Agent, such matter may be conclusively deemed to be proved or established by a certificate executed by an officer of such person, and the Collateral Agent shall have no liability with respect to any action taken, suffered or omitted in reliance thereon.

(b) The Collateral Agent may consult with counsel and shall be fully protected in taking any action hereunder in good faith in accordance with any advice of such counsel. The Collateral Agent shall have the right but not the obligation at any time to seek instructions concerning the administration of this Agreement, the duties created hereunder or the Collateral from any court of competent jurisdiction.

(c) The Collateral Agent shall be fully protected in relying upon any resolution, statement, certificate, instrument, opinion, report, notice, request, consent, order or other paper or document which it in good faith believes to be genuine and to have been signed or presented by the proper party. The Collateral Agent may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificate or opinions furnished to the Collateral Agent in connection with this Agreement.

(d) The Collateral Agent shall not be deemed to have actual, constructive, direct or indirect notice or knowledge of the occurrence of any Event of Default under either Credit Agreement unless and until the Collateral Agent shall have received written notice thereof from the Administrative Agent under such Credit Agreement. The Collateral Agent shall have no obligation whatsoever either prior to or after receiving such a notice to inquire whether an Event of Default under either Credit Agreement has, in fact, occurred and shall be entitled to rely conclusively, and shall be fully protected in so relying, on any notice so furnished to it.

(e) If the Collateral Agent has been requested to take any specific action by the Administrative Agent under either Credit Agreement pursuant to any provision of this Agreement, the Collateral Agent shall not be under any obligation to exercise any of the rights or powers vested in it by this Agreement in the manner so requested unless it shall have been provided indemnity by the Secured Parties (or the applicable Secured Parties) reasonably satisfactory to it against the costs, expenses and liabilities which may be incurred by it in compliance with such request or direction.

SECTION 9.03. Resignation and Removal of the Collateral Agent. The Collateral Agent may at any time, by giving 30 days' prior written notice to the Company and the

TRADEMARK
REEL: 002520 FRAME: 0148

Administrative Agents under both Credit Agreements, resign and be discharged from the responsibilities hereby created, such resignation to become effective upon the appointment of a successor by the Administrative Agents under both Credit Agreements and the acceptance of such appointment by such successor. If no successor shall be appointed and approved within 30 days after the date of any such resignation, the Collateral Agent may apply to any court of competent jurisdiction to appoint a successor to act until a successor shall have been appointed as above provided or may, on behalf of the Secured Parties, appoint a successor Collateral Agent which shall be a bank with an office in the United States having a combined capital and surplus of at least $500,000,000.

SECTION 9.04. Expenses and Indemnification. By accepting the benefits of this Agreement, each of the Lenders severally agrees (i) to reimburse the Collateral Agent, on demand, in the amount of its pro rata share from time to time (based on the sum of the aggregate amount of (A) the aggregate Commitments (as defined in the Five-Year Credit Agreement), or, if such Commitments shall have been terminated, the aggregate Loans (as defined in the Five-Year Credit Agreement) and (B) the outstanding aggregate principal amount of the Tranche A Term Loans and Tranche B Term Loans (in each case, as defined in the Term Loan Agreement), for any expenses referred to in this Agreement and/or any other reasonable expenses incurred by the Collateral Agent in connection with the enforcement and protection of the rights of the Collateral Agent and the Secured Parties which shall not have been paid or reimbursed by the Company or paid from the proceeds of Collateral as provided herein and (ii) to indemnify and hold harmless the Collateral Agent and its Affiliates and their directors, officers, employees, agents and attorneys, on demand, in the amount of such pro rata share, from and against any and all liabilities, taxes, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements referred to in this Agreement and/or incurred by the Collateral Agent in connection with this Agreement or the enforcement and protection of the rights of the Collateral Agent and the Secured Parties, to the extent the same shall not have been reimbursed by the Company or paid from the proceeds of Collateral as provided herein; provided, in each case, that no Secured Party shall be liable to the Collateral Agent or any such other person for any portion of such expenses, liabilities, taxes, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements referred to in this Agreement resulting from the gross negligence or wilful misconduct of such person.

ARTICLE X

Ratable Benefit

The Collateral Agent and each of the Secured Parties hereby agrees that the Liens and security interests granted to the Collateral Agent hereunder shall be treated, as among the Secured Parties, as being for the equal and proportionate benefit of all the Secured Parties, without preference, priority, prejudice or distinction as to Lien or security interest of any Secured Party over any other Secured Party, and shall at all times be shared by the Secured Parties as provided herein.

ARTICLE XI

All communications and notices hereunder to any Subsidiary Guarantor shall be given to it in care of the Company.

SECTION 11.02. Security Interest Absolute. All rights of the Collateral Agent hereunder, the Security Interest, the grant of a security interest in the Pledged Collateral and all obligations of each Grantor hereunder shall be absolute and unconditional irrespective of (a) any lack of validity or enforceability of the Credit Agreements, any other Loan Document, any agreement with respect to any of the Obligations or any other agreement or instrument relating to any of the foregoing, (b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Obligations, or any other amendment or waiver of or any consent to any departure from the Credit Agreements, any other Loan Document or any other agreement or instrument, (c) any exchange, release or non-perfection of any Lien on other collateral, or any release or amendment or waiver of or consent under or departure from any guarantee, securing or guaranteeing all or any of the Obligations, or (d) any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Grantor in respect of the Obligations or this Agreement.

SECTION 11.03. Survival of Agreement. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Collateral Agent or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended under the Credit Agreements, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under any Loan Document is outstanding and so long as the Commitments have not expired or terminated.

SECTION 11.04. Binding Effect; Several Agreement. This Agreement shall become effective as to any Grantor when a counterpart hereof executed on behalf of such Grantor shall have been delivered to the Collateral Agent and a counterpart hereof shall have been executed on behalf of the Collateral Agent, and thereafter shall be binding upon such Grantor and the Collateral Agent and their respective permitted successors and assigns, and shall inure to the benefit of such Grantor, the Collateral Agent and the other Secured Parties and their respective successors and assigns, except that no Grantor shall have the right to assign or transfer its rights or obligations hereunder or any interest herein or in the Collateral (and any such assignment or transfer shall be void) except as permitted by this Agreement and the Credit Agreements.

SECTION 11.05. Successors and Assigns. Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the permitted successors and assigns of such party; and all covenants, promises and agreements by or on behalf of any Grantor or the Collateral Agent that are contained in this Agreement shall bind and inure to the benefit of their respective successors and assigns.

SECTION 11.06. Collateral Agent's Fees and Expenses; Indemnification. (a) Each Grantor jointly and severally agrees to pay upon demand to the Collateral Agent the amount of any and all reasonable expenses, including the reasonable fees, disbursements and other charges of its counsel and of any experts or agents, which the Collateral Agent may incur in connection with (i) the administration of this Agreement, (ii) the custody or preservation of, or the sale of, collection from or other realization upon any of the Collateral (in the case of evaluations of the Collateral, limited, in the absence of a continuing Default, to one such evaluation in any fiscal year), (iii) the exercise, enforcement or protection of any of the rights of the Collateral Agent hereunder or (iv) the failure of any Grantor to perform or observe any of the provisions hereof.

(b) Without limitation of its indemnification obligations under the other Loan Documents, each Grantor jointly and severally agrees to indemnify the Collateral Agent and the other Indemnitees (as defined in Section 10.03 of each Credit Agreement) against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including the fees, charges and disbursements of any counsel for any Indemnitee, incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of, the execution, delivery or performance of this Agreement or any claim, litigation, investigation or proceeding relating to any of the foregoing, to this Agreement or to the Collateral, whether or not any Indemnitee is a party thereto; *provided* that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence, wilful misconduct or bad faith of such Indemnitee.

(c) Any such amounts payable as provided hereunder shall be additional Obligations secured hereby and by the other Security Documents. The provisions of this Section 11.06 shall remain operative and in full force and effect regardless of the termination of this Agreement or any other Loan Document, the consummation of the transactions contemplated hereby, the repayment of any of the Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Collateral Agent or any other Secured Party. All amounts due under this Section 11.06 shall be payable on written demand therefor.

SECTION 11.07. Collateral Agent Appointed Attorney-in-Fact. Each Grantor hereby appoints the Collateral Agent the attorney-in-fact of such Grantor for the purpose of carrying out the provisions of this Agreement and taking any action and executing any instrument that the Collateral Agent may deem necessary or advisable to accomplish the purposes hereof, which appointment is irrevocable and coupled with an interest. Without limiting the generality of the foregoing, the Collateral Agent shall have the right, upon the occurrence and during the continuance of an Event of Default under either Credit Agreement, with full power of substitution either in the Collateral Agent's name or in the name of such Grantor (a) to receive, endorse, assign

and/or deliver any and all notes, acceptances, checks, drafts, money orders or other evidences of payment relating to the Collateral or any part thereof; (b) to demand, collect, receive payment of, give receipt for and give discharges and releases of all or any of the Collateral; (c) to sign the name of any Grantor on any invoice or bill of lading relating to any of the Collateral; (d) to send verifications of Accounts Receivable to any Account Debtor; (e) to commence and prosecute any and all suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect or otherwise realize on all or any of the Collateral or to enforce any rights in respect of any Collateral; (f) to settle, compromise, compound, adjust or defend any actions, suits or proceedings relating to all or any of the Collateral; (g) to notify, or to require any Grantor to notify, Account Debtors to make payment directly to the Collateral Agent; and (h) to use, sell, assign, transfer, pledge, make any agreement with respect to or otherwise deal with all or any of the Collateral, and to do all other acts and things necessary to carry out the purposes of this Agreement, as fully and completely as though the Collateral Agent were the absolute owner of the Collateral for all purposes; *provided*, that nothing herein contained shall be construed as requiring or obligating the Collateral Agent to make any commitment or to make any inquiry as to the nature or sufficiency of any payment received by the Collateral Agent, or to present or file any claim or notice, or to take any action with respect to the Collateral or any part thereof or the moneys due or to become due in respect thereof or any property covered thereby. The Collateral Agent and the other Secured Parties shall be accountable only for amounts actually received as a result of the exercise of the powers granted to them herein, and neither they nor their officers, directors, employees or agents shall be responsible to any Grantor for any act or failure to act hereunder, except for their own gross negligence or wilful misconduct.

SECTION 11.08. GOVERNING LAW. THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK, *PROVIDED* THAT, TO THE EXTENT THE CREATION, PERFECTION AND ENFORCEMENT OF THE LIENS AND SECURITY INTEREST CREATED HEREBY IN RESPECT OF ANY PARTICULAR COLLATERAL AND THE EXERCISE OF EACH REMEDY PROVIDED HEREBY, INCLUDING THE POWER OF FORECLOSURE OR POWER OF SALE PROCEDURES SET FORTH HEREIN, SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE INTERNAL LAW OF A STATE OTHER THAN THE STATE OF NEW YORK, THEN THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF SUCH STATE.

SECTION 11.09. Waivers; Amendment. (a) No failure or delay by the Collateral Agent or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Collateral Agent and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of any Loan Document or consent to any departure by any Grantor therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the

making of a Loan shall not be construed as a waiver of any Default, regardless of whether the Collateral Agent or any Lender may have had notice or knowledge of such Default at the time. No notice or demand on any Grantor in any case shall entitle any Grantor to any other or further notice of demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Collateral Agent and the Grantor or Grantors with respect to which such waiver, amendment or modification is to apply, subject to any consent required in accordance with Section 10.02 or 10.02A, as applicable of the Credit Agreements.

SECTION 11.10. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

SECTION 11.11. Severability. In the event any one or more of the provisions contained in this Agreement should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction.

SECTION 11.12. Counterparts. This Agreement may be executed in counterparts, each of which shall constitute an original but all of which when taken together shall constitute a single contract, and shall become effective as provided in Section 11.04. Delivery of an executed signature page to this Agreement by facsimile transmission shall be as effective as delivery of a manually signed counterpart of this Agreement.

SECTION 11.13. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

SECTION 11.14 Jurisdiction; Consent to Service of Process. (a) Each of the Loan Parties hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of any New York State court or Federal court of the United States of America, sitting in New York City, and any appellate court from any thereof, in any action or

proceeding arising out of or relating this Agreement or any other Loan Document, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or any other Loan Document shall affect any right that the Collateral Agent or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against any Loan Party or its properties in the courts of any jurisdiction.

(b) Each of the Loan Parties hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in paragraph (a) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 11.01. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 11.15. Termination or Release. (a) This Agreement, the Guarantees, the Security Interest and all other security interests granted hereby shall terminate when all the Obligations have been indefeasibly paid in full and the Lenders have no further commitment to extend credit under the Credit Agreements.

(b) If the Company shall request the release under this Agreement of any Subsidiary Guarantor or any Collateral to be sold or otherwise disposed of (including through the sale or disposition of any Subsidiary owning any such Subsidiary Guarantor or Collateral) to a Person other than the Company or a Subsidiary in a transaction permitted under the terms of each Credit Agreement and shall deliver to the Collateral Agent a certificate to the effect that such sale or other disposition and the application of the proceeds thereof will comply with the terms of each Credit Agreement, the Collateral Agent, if satisfied that the applicable certificate is correct, shall, without the consent of any Lender, execute and deliver all such instruments, releases, financing statements or other agreements, and take all such further actions, as shall be necessary to effectuate the release of such Subsidiary Guarantor or such Collateral substantially simultaneously with or at any time after the completion of such sale or other disposition. Notwithstanding the foregoing, in the event the Company or any Subsidiary shall dispose of Equity Interests in gifts.com, Inc., LookSmart, Ltd. or WebMD Corporation in a transaction permitted under the terms of each Credit Agreement, such Equity Interests shall be automatically released from the security interest created by this Agreement without any action on the part of the Collateral Agent or any other Person.

REEL: 002520 FRAME: 0154

(c) In connection with any termination or release pursuant to paragraphs (a), (b) or (c), the Collateral Agent shall execute and deliver to any Grantor, as the case may be, at such Grantor's expense, all documents that such Grantor shall reasonably request to evidence such termination or release. Any execution and delivery of documents pursuant to this Section 11.15 shall be without recourse to or warranty by the Collateral Agent.

SECTION 11.16. Additional Subsidiaries. Pursuant to Section 5.11 of each Credit Agreement, each Domestic Subsidiary (other than an Excluded Subsidiary) of a Loan Party that was not in existence or not a Domestic Subsidiary on the Closing Date is required to enter in this Agreement. Upon execution and delivery by the Collateral Agent and a Subsidiary of an instrument in the form of Annex I hereto, such Subsidiary shall become a Loan Party hereunder with the same force and effect as if originally named as a Loan Party herein. The execution and delivery of any such instrument shall not require the consent of any Loan Party hereunder. The rights and obligations of each Loan Party hereunder shall remain in full force and effect notwithstanding the addition of any new Loan Party as a party to this Agreement.

SECTION 11.17. Right of Setoff. If an Event of Default under either Credit Agreement shall have occurred and be continuing, each Lender and each of its Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other obligations at any time owing by such Lender or Affiliate to or for the credit or the account of any Loan Party against any of and all the obligations of such Loan Party now or hereafter existing under this Agreement held by such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement and although such obligations may be unmatured. The rights of each Lender under this Section 11.17 are in addition to other rights and remedies (including other rights of setoff) which such Lender may have.

SECTION 11.18. Security Documents. Each party hereto agrees that the provisions of Articles VII, VIII, IX and X of the Guarantee and Collateral Agreement shall be deemed to be incorporated by reference into each other Security Document, mutatis mutandis, and as so incorporated shall govern the exercise of remedies under each such Security Document and limit the responsibilities of, and provide for the indemnification of and the reimbursement of expenses incurred by, the Collateral Agent thereunder.

SECTION 11.19. Acknowledgment. Each Grantor hereby consents to the holding of any Pledged Collateral by the Collateral Agent for and of behalf of each and every one of the Secured Parties. The Collateral Agent hereby acknowledges the receipt on May 20, 2002, of the share certificates evidencing shares in The Reader's Digest Association (Canada) Ltd. and of evidence in writing of the pledge by the Company in the Pledged Collateral constituting shares of The Reader's Digest Association (Canada) Ltd.

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement as of the day and year first above written.
