TRADEMARK SECURITY AGREEMENT

This **TRADEMARK SECURITY AGREEMENT**, dated as of November 12, 2003, by **FIBERMARK, INC.**, a Delaware corporation, **FIBERMARK INTERNATIONAL HOLDINGS LLC**, a Delaware limited liability company and **FIBERMARK NORTH AMERICA, INC.**, a Delaware corporation (collectively, the "Grantors" and individually, a "Grantor"), in favor of **GENERAL ELECTRIC CAPITAL CORPORATION**, a Delaware corporation, in its capacity as Administrative Agent for Lenders.

WITNESSETH:

WHEREAS, pursuant to that certain Credit Agreement, dated as of the date hereof, by and among Grantors, Fibermark Lahnstein GmbH & Co. OHG, a partnership organized under the laws of Germany, Fibermark Gessner GmbH & Co. OHG, a partnership organized under the laws of Germany, the other Persons named therein as Credit Parties, Administrative Agent, European Loan Agent, Fronting Lender and the Persons signatory thereto from time to time as Lenders (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the "Credit Agreement"), Lenders have agreed to make the Loans and to incur Letter of Credit Obligations for the benefit of Grantors and the other Credit Parties party thereto;

WHEREAS, Administrative Agent, Fronting Lender and Lenders are willing to make the Loans and to incur Letter of Credit Obligations as provided for in the Credit Agreement, but only upon the condition, among others, that Grantors shall have executed and delivered to Administrative Agent, for Agents, Fronting Lender and the ratable benefit of Lenders, that certain Security Agreement dated as of the date herewith (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the "Security Agreement");

WHEREAS, pursuant to the Security Agreement, Grantors are required to execute and deliver to Administrative Agent, for Agents, Fronting Lender and the ratable benefit of Lenders, this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

1. DEFINED TERMS. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Credit Agreement or in Annex A thereto.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. Each Grantor hereby grants to Administrative Agent, on behalf of Agents, Fronting Lender and Lenders, a continuing first priority security interest in all of each Grantor's right, title and

interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the "Trademark Collateral"):

(a) all of its Trademarks and Trademark Licenses to which it is a party including those referred to on Schedule I hereto;

(b) all reissues, continuations or extensions of the foregoing;

(c) all goodwill of the business connected with the use of, and symbolized by, each Trademark and each Trademark License; and

(d) all products and proceeds of the foregoing, including, without limitation, any claim by any Grantor against third parties for past, present or future (i) infringement or dilution of any Trademark or Trademark licensed under any Trademark License or (ii) injury to the goodwill associated with any Trademark or any Trademark licensed under any Trademark License.

Notwithstanding the foregoing the term "Trademark Collateral" shall not include: (a) any "intent-to-use" trademarks at all times prior to the first use thereof, whether by the actual use thereof in commerce, the recording of a statement of use with the United States Patent and Trademark Office or otherwise, (b) any contract, instrument or chattel paper in which any Grantor has any right, title or interest if and to the extent that any valid and enforceable law or regulation, or contract term or provision, in each case applicable to such right, title or interest prohibits the creation of a security interest therein or (c) any contract, instrument or chattel paper in which any Grantor has any right, title or interest if and to the extent such contract, instrument or chattel paper includes a provision containing a restriction on assignment such that the creation of a security interest in the right, title or interest of any Grantor therein would be prohibited and would, in and of itself, cause or result in a default thereunder or breach thereof enabling another person party to such contract, instrument or chattel paper to enforce any remedy with respect thereto; provided, however, that (A) the foregoing exclusion in clause (c) shall not apply if (i) such prohibition has been waived or such other person has otherwise consented to the creation hereunder of a security interest in such contract, instrument or chattel paper, (ii) such prohibition would be rendered ineffective pursuant to Section 9-318(4) of the UCC or Sections 9-407 (a) or 9-408(a) of Revised Article 9 of the UCC, as applicable and as then in effect in any relevant jurisdiction, or any other applicable law (including the Bankruptcy Code) or principles of equity) or (iii) the law or regulation which caused such exclusion become inapplicable; (B) each of the Grantors shall use its reasonable efforts to exclude from any contract, instrument or chattel paper entered into on or after the Closing Date, any prohibition against the granting by such Grantor to the Administrative Agent of a security interest therein; and (C) immediately upon the ineffectiveness, lapse or termination of any such provision, the term "Trademark Collateral" shall include, and such applicable Grantor shall be deemed to have granted a security interest in, all its rights, title and interests in and to such contract, instrument or chattel paper as if such provision had never been in effect; and provided further that the foregoing exclusion shall in no way be construed so as to limit, impair or otherwise affect the unconditional continuing security interest granted herein to the Administrative Agent in and to all rights, title and interests of the Grantors in or to any payment obligations or other rights to receive monies due or to become due

under any such contract, instrument or chattel paper and in any such monies and other proceeds of such contract, instrument or chattel paper.

3. SECURITY AGREEMENT. The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with the security interests granted to Administrative Agent, on behalf of Agents, Fronting Lender and Lenders, pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.
