SECTION 6. Grants, Rights and Remedies. This Amendment and Supplement has been entered into in conjunction with the provisions of the Security Agreement. Each of the Additional Grantors does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, the First Lien Collateral Agent with respect to the Additional Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein.

SECTION 7. Effectiveness of Amendments. The amendments contained in Section 1 of this Amendment and Supplement shall become effective as of the date first above

written upon the receipt by the Administrative Agent of counterparts of this Amendment and Supplement executed by each of the Grantors.

SECTION 8. Effect on IP Security Agreement.
