SECOND AMENDED AND RESTATED INTELLECTUAL PROPERTY SECURITY AGREEMENT

This **SECOND AMENDED AND RESTATED INTELLECTUAL PROPERTY SECURITY AGREEMENT** (the "**IP Security Agreement**") is entered into as of the 14th day of February, 2014 by and between **MIDCAP FUNDING V, LLC**, a Delaware limited liability company ("**Administrative Agent**") and each of **DEN-MAT HOLDINGS, LLC**, a Delaware limited liability company and **PERIOPTIX, INC.**, a California corporation (each a "**Grantor**" and collectively, the "**Grantors**").

RECITALS

A. Grantors and Administrative Agent (as successor-by-assignment to MidCap Funding IV, LLC) are parties to that certain Second Amended and Restated Credit, Guaranty and Security Agreement (the "**Credit Agreement**"), dated as of February 14, 2014, which amends and restates that certain Amended and Restated Credit and Security Agreement, dated as of April 5, 2013, (the "**Original Credit Agreement**"), pursuant to which Agent and Lenders agreed to make certain advances of money and to extend certain financial accommodations to Grantors in the amounts and manner set forth therein.

B. In connection with the Original Credit Agreement and certain amendments thereto, Grantors executed and delivered that certain Amended and Restated Intellectual Property Security Agreement, dated as of April 5, 2013, by and among Grantors and Administrative Agent (as the same may be amended, modified, supplemented and restated from time to time, the "**Original IP Security Agreement**").

C. As a condition, among others, to entering into the Credit Agreement, Grantors are required to execute and deliver this IP Security Agreement to Administrative Agent, for the ratable benefit of the Lenders, to amend and restate the Original IP Security Agreement in its entirety and to secure the obligations of Grantors under the Credit Agreement.

D. Pursuant to the terms of the Credit Agreement, Grantors granted to Administrative Agent, for the ratable benefit of the Lenders, a security interest in all of the Grantors' right, title and interest, whether presently existing or hereafter acquired, in, to and under all of the Collateral.

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, and intending to be legally bound, as collateral security for the prompt and complete payment when due of its obligations under the Credit Agreement, each Grantor hereby agrees to amend and restate the Original IP Security Agreement in its entirety as follows:

AGREEMENT

In furtherance and as confirmation of the security interest granted by Grantors to Administrative Agent under the Credit Agreement and to secure its obligations under the Credit Agreement, each Grantor hereby ratifies such security interest and grants and pledges to Administrative Agent, for the ratable benefit of the Lenders, a continuing security interest in all of such Grantor's right, title and interest in, to and under the intellectual property rights owned

by such Grantor (all of which shall collectively be called the "**Intellectual Property Collateral**"), including, without limitation, the following:

(a) Any and all copyright rights, copyright applications, copyright registrations and like protections in each work or authorship and derivative work thereof, whether published or unpublished and whether or not the same also constitutes a trade secret, in each case owned by such Grantor, now or hereafter existing, created or acquired, including without limitation those copyright registrations and applications set forth on Exhibit A attached hereto (collectively, the "**Copyrights**");

(b) Any and all trade secrets, and any and all intellectual property rights in computer software and computer software products, in each case owned by such Grantor, now or hereafter existing, created or acquired

(c) Any and all design rights that may be available to such Grantor, now or hereafter existing, created, acquired or held by such Grantor;

(d) All patents, patent applications and like protections including, without limitation, improvements, divisions, continuations, renewals, reissues, extensions and continuations-in-part of the same, in each case owned by such Grantor, including without limitation those patents and patent applications set forth on Exhibit B attached hereto (collectively, the "**Patents**");

(e) Any trademark and service mark rights, whether registered or not, applications to register and registrations of the same and like protections, and the entire goodwill of the business of Grantor connected with and symbolized by such trademarks, in each case owned by such Grantor, including without limitation those trademark registrations and applications set forth on Exhibit C attached hereto;

(f) All mask works or similar rights available for the protection of semiconductor chips, owned by such Grantor, now owned or hereafter acquired, including, without limitation those mask work registrations and applications set forth on Exhibit D attached hereto (collectively, the "**Mask Works**");

(g) Any and all claims for damages by way of past, present and future infringements of any of the rights included above, with the right, but not the obligation, to sue for and collect such damages for said use or infringement of the intellectual property rights identified above;

(h) All licenses or other rights to use any of the Copyrights, Patents, Trademarks, or Mask Works and all license fees and royalties arising from such use to the extent permitted by such license or rights;

(i) All amendments, extensions, renewals and extensions of any of the Copyrights, Trademarks, Patents, or Mask Works; and

(j) All proceeds and products of the foregoing, including without limitation all payments under insurance or any indemnity or warranty payable in respect of any of the foregoing.

This security interest is granted in conjunction with the security interest granted to Administrative Agent, for the ratable benefit of the Lenders, under the Credit Agreement and secures the payment and performance of the obligations of Grantor under the Credit Agreement. The rights and remedies of Administrative Agent with respect to the security interest granted hereby are in addition to those set forth in the Credit Agreement and the other Financing Documents, and those which are now or hereafter available to Administrative Agent as a matter of law or equity. Each right, power and remedy of Administrative Agent provided for herein or in the Credit Agreement or any of the Financing Documents, or now or hereafter existing at law or in equity shall be cumulative and concurrent and shall be in addition to every right, power or remedy provided for herein and the exercise by Administrative Agent of any one or more of the rights, powers or remedies provided for in this Intellectual Property Security Agreement, the Credit Agreement or any of the other Financing Documents, or now or hereafter existing at law or in equity, shall not preclude the simultaneous or later exercise by any person, including Administrative Agent, of any or all other rights, powers or remedies.
