U.S. DEPARTMENT OF COMMERCE
U.S. Patent and Trademark Office

To the Honorable Commissioner of Patents and Trademarks: Please record the attached original documents or copy thereof.

1. Name of conveying party(ies):
@POS.COM, INC.

- [ ] Individual(s)
- [ ] Association
- [ ] General Partnership
- [ ] Limited Partnership
- [x] Corporation-State
- [ ] Other

Additional name(s) of conveying party(ies) attached? [ ] Yes [x] No

2. Name and address of receiving party(ies)

Name: JPMorgan Chase Bank, N.A., as Collateral Agent

Internal Address:

Street Address: 270 Park Avenue

City: New York State: NY Zip: 10017

- [ ] Individual(s) citizenship
- [x] Association
- [ ] General Partnership
- [ ] Limited Partnership
- [ ] Corporation-State
- [ ] Other - National Bank

If assignee is not domiciled in the United States, a domestic representative designation is attached: [ ] Yes [ ] No
(Designations must be a separate document from assignment)
Additional name(s) & address(es) attached? [ ] Yes [ ] No

3. Nature of conveyance:

- [ ] Assignment
- [ ] Merger
- [x] Security Agreement
- [ ] Change of Name
- [ ] Other

Execution Date: 12/29/2004

4. Application number(s) or registration number(s):

A. Trademark Application No.(s)
PLEASE SEE ATTACHED SCHEDULE I.

B. Trademark Registration No.(s)
PLEASE SEE ATTACHED SCHEDULE I.

Additional number(s) attached [x] Yes [ ] No

5. Name and address of party to whom correspondence concerning document should be mailed:

Name: Penelope Agodoa

Internal Address: Federal Research Corporation

Street Address: 1030 15th Street, NW

Suite 920

City Washington State: DC Zip: 20005

6. Total number of applications and registrations involved: 1

7. Total fee (37 CFR 3.41)..... 40.00

- [ ] Enclosed
- [ ] Authorized to be charged to deposit account

8. Deposit account number:

(Attach duplicate copy of this page if paying by deposit account)

DO NOT USE THIS SPACE

9. Statement and signature.
To the best of my knowledge and belief, the foregoing information is true and correct and any attached copy is a true copy of the original document.

Angela Cioffi — Name of Person Signing

Angela Cioffi — Signature

01/03/2005 — Date

[[NYCORP:2464881v1:4443F:12/21/04--10:16 a]]

TRADEMARK SECURITY AGREEMENT, dated as of December 29, 2004, among SYMBOL TECHNOLOGIES, INC. (the "Borrower"), the subsidiaries (the "Subsidiary Parties") of the Borrower listed on Schedule I hereto and JPMORGAN CHASE BANK, N.A., as Collateral Agent (the "Collateral Agent").

Reference is made to the Guarantee and Collateral Agreement dated as of December 29, 2004 (as amended, supplemented or otherwise modified from time to time, the "Security Agreement"), among the Borrower, the Lenders party thereto and the Collateral Agent. The Lenders have agreed to extend credit to the Borrower subject to the terms and conditions set forth in the Credit Agreement dated as of December 29, 2004 (as amended, supplemented or otherwise modified from time to time, the "Credit Agreement"), among Symbol Technologies, Inc., the lenders from time to time party thereto (the "Lenders"), JPMorgan Chase Bank, N.A., as Administrative Agent and Fleet National Bank, as Syndication Agent. The obligations of the Lenders to extend such credit are conditioned upon, among other things, the execution and delivery of this Agreement. The Subsidiary Parties are affiliates of the Borrower, will derive substantial benefits from the extension of credit to the Borrower pursuant to the Credit Agreement and are willing to execute and deliver this Agreement in order to induce the Lenders to extend such credit. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement. The rules of construction specified in Section 1.01(b) of the Security Agreement also apply to this Agreement.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Obligations, each Grantor, pursuant to the Security Agreement, did and hereby does grant to the Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest in, all right, title or interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the "Trademark Collateral"):

(a) all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office or any similar offices in any State of the United States or any other country or any political subdivision thereof, and all extensions or renewals thereof, including those listed on Schedule II (the "Trademarks");

(b) all goodwill associated with or symbolized by the Trademarks; and

(c) all assets, rights and interests that uniquely reflect or embody the Trademarks.

SECTION 3. Security Agreement. The security interests granted to the Collateral Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Collateral Agent pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

SECTION 4. Governing Law. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement as of the day and year first above written.

Class(es) *9 35 37 42*

Class 9 - Electronically or electronically controlled systems and equipment for monitoring, detecting, receiving, accumulating, processing, decoding, computing, reporting or transmitting information, namely bar code readers; portable terminals, base and remote radio transmitting and receiving stations and computer software, interface units, cables, connectors, structural parts and peripherals therefor; computer software for communications protocols and parts therefor; optical scanners for reading printed symbols such as bar codes; computer software and manuals sold as a unit for the management and control of manufacturing, distribution center and warehouse inventory, operations and information; computer hardware, software and mobile handheld computer units for end-to-end mobile computing systems for businesses; computer hardware and software for capturing, moving and managing data; bar code scanners; hand held auto identification scanners; portable computers with auto identification functionality and operating software therefor; wireless local area network equipment, namely, access ports, access points and wireless switches; computer software for operating wireless local area networks; computer software for managing input/output operations on portable or mobile computer devices; computer software for recording, managing, retrieving and storing customer data, customer contact information, customer preferences and customer satisfaction information.
Class 35 - Sales services, namely providing source information and technical information, for independent software providers in connection with sales of bar code data capture system, software and hardware; arranging, conducting, and promoting trade show exhibitions in the field of bar code data capture systems, portable data terminals and radio frequency data communications products, software and services.
Class 37 - Installation, maintenance, and repair of bar code data capture systems, software and hardware; installation, maintenance and repair of bar code data capture systems and hardware relating to self check-out of retail merchandise.
Class 42 - Consultation services in the field of bar code data capture systems, software and hardware; loading of computer software and up-dating of computer software for bar code data capture systems; mail order catalog services featuring optical scanners, computers, computer software, computer peripherals, and parts therefor; computer services, namely, designing and
