REEL: 1725 FRAME: 0624

ASSIGNMENT OF INTELLECTUAL PROPERTY ASSETS

WHEREAS, Rubbermaid Incorporated, an Ohio Corporation ("Seller"), and Newell Co., a Delaware corporation ("Buyer") have entered into a Stock and Asset Purchase Agreement dated as of May 7, 1997 (the "Purchase Agreement"); and

WHEREAS, under the Purchase Agreement, Buyer agreed to purchase the Office Products Business (as that term is defined in the Purchase Agreement) of Seller, including 100% of the outstanding shares of the stock of Seller's wholly-owned subsidiary, Rubbermaid Office Products, Inc. ("Assignee"); and

WHEREAS, in conducting the Office Products Business, Seller ("Assignor") has acquired an interest in some intellectual property assets related to and used in the Office Products Business that is to be transferred to Buyer; and

WHEREAS, Assignor is the owner of all right, title and interest in and to various United States federal trademark and service mark registrations and applications therefor related to the Office Products Business (collectively, the "Federal Marks"), including, but not limited to, the federal registrations and applications listed in Schedule A; and

WHEREAS, Assignor is the owner of all right, title and interest in and to various foreign trademark and service mark registrations and applications therefor related to the Office Products Business (collectively, the "Foreign Marks"), including, but not limited to, the foreign trademark and service mark registrations and applications listed in Schedule A; and

WHEREAS, in the United States, the Assignor owns all right, title and interest in and to various ideas, inventions, patents and utility models and applications therefor related to the Office Products Business, including, but not limited to, the United States patents and utility models and applications therefor listed in Schedule A hereto, and all reissues, divisions, continuations, continuations-in-parts, extensions, and reexaminations thereof or thereon (hereinafter, collectively, the "Federal Patents"); and,

WHEREAS, outside the United States, the Assignor owns all right, title and interest in and to various ideas, inventions, foreign patents and utility models and applications therefor related to the Office Products Business, including, but not limited to, the foreign patents and utility models and applications therefor listed in Schedule A hereto, and all reissues, divisions, continuations, continuations-in-parts, extensions, and reexaminations thereof or thereon (hereinafter, collectively, the "Foreign Patents"); and,

WHEREAS, to the best of its knowledge, Assignor is the owner of all right, title and interest in and to various copyrights, trade dress, know-how, trade secrets, common law trademarks, service marks and tradenames, and other similar proprietary rights related principally to the Office Products Business (collectively, the "Common Law Assets"),

including, but not limited to, the copyrights, common law trademarks and tradenames listed in Schedule A; and

WHEREAS, Assignee is desirous of acquiring all of Assignor's right, title and interest in and to all Federal Marks, Foreign Marks, Federal Patents, Foreign Patents and the Common Law Assets (together, the "ASSETS"), and Seller has promised, in the Purchase Agreement, to cause the same to be assigned; and

NOW, THEREFORE, for the consideration set forth in the Purchase Agreement, and other valuable and legally sufficient consideration acknowledged by the Assignor to have been received in full:

1. The Assignor does hereby sell, convey, assign and transfer to the Assignee the entire right, title and interest in, to and under all ASSETS, together with the goodwill of the business symbolized by such ASSETS, together with all rights and privileges granted and secured thereby, including the full right to sue for past, present or future infringement of such ASSETS, these rights to be held and enjoyed by the Assignee as fully and entirely as the same would have been held and enjoyed by said Assignor if this Assignment and sale had not been made.

2. The Assignor hereby covenants that it has full right to convey the entire interest herein assigned and agrees to execute any and all documents reasonably required to effect this Assignment.

3. The Assignor hereby covenants and agrees that it will cooperate with the Assignee to enable the Assignee to enjoy, to the fullest extent, the right, title and interest herein conveyed. Assignor's cooperation shall include prompt production of pertinent facts and documents, giving of testimony, execution of petitions, oaths, specifications, declarations or other papers, and other assistance relating to the ASSETS, all to the extent deemed reasonably necessary by the Assignee for (a) the continued prosecution, if any, of the ASSETS, including any interference which may arise, and the making and prosecution of any other foreign or United States patent or trademark application that the Assignee may elect to pursue stemming from the ASSETS, including any divisions, continuations, continuation-in-parts, substitutions or reissues, and including any interference which may arise during same; and (b) participation in any legal or administrative proceedings involving the ASSETS. Assignee shall be responsible for paying reasonable expenses incurred by Assignor in providing the cooperation set forth in this paragraph.

4. The terms and covenants of this Assignment shall inure to the benefit of the Assignee, its successors and assigns and other legal representatives, and shall be binding upon the Assignor, its respective heirs, legal representatives and assigns.

5. The Assignor hereby warrants and represents that it has not entered and will not enter into any assignment, contract, or understanding materially in conflict herewith.

IN TESTIMONY WHEREOF, Assignor has executed this Assignment this 12th day of June, 1997.
