TRADEMARK

REEL: 1725 FRAME: 0960

INTELLECTUAL PROPERTY AND TRADEMARK ASSIGNMENT AGREEMENT

AGREEMENT made as of this 1st day of August, 1997 by and between TETRAFLUOR, INC., having its principal place of business at 2051 East Maple Avenue, El Segundo, California 90245 ("Assignor") and COORS CERAMICON DESIGNS LTD, having its principal place of business at 16000 Table Mountain Parkway, Golden, Colorado 80403 ("Assignee");

WHEREAS, Assignor has developed and has exclusive ownership in and to certain inventions, ideas, concepts, discoveries, including those now conceived but yet to be reduced to practice, whether or not patentable or subject to patent protection, and all patents and applications for patents everywhere in the world, including all reissues, divisions, continuations, continuations in part, reissues, reexaminations, and extensions thereof, trademarks, trade names, assumed names, service names and marks, including common law marks, registered marks, and applications for marks, everywhere in the world, and including the goodwill associated with the marks and the business, corporate names, copyrights, including registered copyrights and applications for copyrights, everywhere in the world, formulas, processes, know-how, models, designs, protocols, techniques, research, plans, methods, schematics and other trade secrets, confidential or proprietary information ("Intellectual Property");

WHEREAS, Assignor has adopted and used certain trademarks, including, but not limited to, the trademarks set forth in Schedule AA, in conjunction with certain goods and services, and has obtained or applied for registrations for some of such trademarks, evidenced by the registrations set forth in Schedule AA, attached hereto and made a part hereof, (said trademarks, including all registrations and applications for registrations thereof and all rights to sue and recover for past infringement thereof, being collectively referred to herein as the "Assigned Marks");

WHEREAS, Assignee wishes to acquire, and Assignor wishes to transfer all right, title and interest in and to the Intellectual Property, including all rights to sue and recover for past infringement or wrongful uses thereof, the Assigned Marks everywhere in the world, and in and to any other intellectual property and trademark rights (including service marks, trade names, trade dress, slogans, corporate names and other proprietary marks and names) which Assignor may have acquired anywhere in the world (said trademark rights, including all rights to sue and recover for past infringement thereof, being collectively referred to herein as the "Other Marks");

NOW, THEREFORE, in consideration for Ten Dollars (\$10.00) paid by Assignee to Assignor, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor does hereby sell, assign, transfer and convey to Assignee all right, title and interest in and to Assignor's Intellectual Property, Assigned Marks and the Other Marks, all together with the goodwill of the business in connection with which the Assigned Marks and the Other Marks are used, and with any and all renewals and

extensions of the registrations for the Assigned Marks that may be secured under the laws now or hereafter in effect in the United States or any other country or countries;

Assignor represents and warrants that it has entered into the Asset Purchase Agreement dated May 29, 1997, that it has fully complied with the terms and provisions thereof, and that it has the right to, and does hereby, transfer its Intellectual Property rights and obligations thereunder to Assignee;

Assignor shall provide to Assignee, its successors, assigns or other legal representatives, cooperation and assistance, at no expense to Assignor (including the execution and delivery of any and all affidavits, declarations, oaths and other documentation, and the delivery of any and all samples, exhibits, specimens and the like in the control of Assignor): (1) in the preparation and prosecution of any applications for registration or any applications for renewal of registrations covering any of the Assigned Marks and the Other Marks; (2) in the prosecution or defense of any opposition, interferences, infringement suits, or other proceedings that may arise in connection with any of the Assigned Marks or the Other Marks including testifying as to any facts relating to the Assigned Marks, the Other Marks or this Assignment; (3) in obtaining any additional trademark and trade name protection for the Assigned Marks and the Other Marks that Assignee may deem appropriate which may be secured under the laws now or hereafter in effect in the United States or any other country or countries; and (4) in the implementation or perfection of this Assignment.

IN WITNESS WHEREOF, the undersigned certifies that he is an officer of Tetrafluor, Inc., and has been duly authorized by Tetrafluor, Inc. to execute this Assignment of its behalf.
