TERM NOTICE OF GRANT OF SECURITY INTEREST IN TRADEMARKS

THIS TERM NOTICE OF GRANT OF SECURITY INTEREST IN TRADEMARKS (this "Agreement"), dated as of July 3, 2007, is made by E&H Distributing Co. (the "Grantor") in favor of Citicorp North America, Inc. (the "Term Collateral Agent"), as administrative agent and term collateral agent for the several banks and other financial institutions (the "Lenders") that are parties to the Term Credit Agreement, dated as of July 3, 2007 (as amended, amended and restated, waived, supplemented or otherwise modified from time to time, together with any agreement extending the maturity of, or restructuring, refunding, refinancing or increasing the Indebtedness under such agreement or successor agreements, the "Term Credit Agreement"), among Restore Acquisition Corp., the Term Collateral Agent, as administrative agent and collateral agent, Deutsche Bank Securities Inc., as syndication agent, Natixis as Senior Managing Agent and the other parties party thereto.

WHEREAS, pursuant to the Term Credit Agreement, the Lenders have severally agreed to make extensions of credit to the Borrowers upon the terms and conditions set forth therein;

WHEREAS, in connection with the Term Credit Agreement, Restore Acquisition Corp., the Grantor and certain other Subsidiaries of U.S. Foodservice executed and delivered a Term Guarantee and Term Collateral Agreement, dated as of July 3, 2007, in favor of the Term Collateral Agent (as the same may be amended, restated, supplemented, waived or otherwise modified from time to time, the "Term Guarantee and Collateral Agreement");

WHEREAS, pursuant to the Term Guarantee and Collateral Agreement, the Grantor granted to the Term Collateral Agent a security interest in its Intellectual Property, including Trademarks; and

WHEREAS, the Grantor has duly authorized the execution, delivery and performance of this Agreement;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Lenders to make extensions of credit to the Grantor on the terms and subject to the conditions of the Term Credit Agreement, the Grantor agrees, for the benefit of the Term Collateral Agent, as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Term Credit Agreement and the Term Guarantee and Collateral Agreement.

SECTION 2. Confirmation of Security Interest. The Grantor hereby confirms that pursuant to the Term Guarantee and Collateral Agreement, subject to existing licenses to use the Trademarks granted by the Grantor in the ordinary course of its business, it granted to the Term Collateral Agent, for the ratable benefit of the Secured Parties, a security interest in all of the Trademarks of the Grantor (including, without limitation, those items listed on Schedule A hereto) and to the extent not otherwise included, all Proceeds and products of any and all of the Trademarks, as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of the Obligations of the Grantor, except that no security interest is or will be granted pursuant thereto in any right, title or interest of the Grantor under or in any Trademark Licenses with Persons other than Acquired Business Parent, a Subsidiary of Acquired Business Parent or an Affiliate thereof for so long as, and to the extent that, the granting of such a security interest pursuant thereto would result in a breach, default or termination of such Trademark Licenses.

SECTION 3. Purpose. This Agreement has been executed and delivered by the Grantor for the purpose of recording the security interest granted pursuant to the Term Guarantee and Collateral Agreement with the United States Patent and Trademark Office. This Agreement is expressly subject to the terms and conditions of the Term Guarantee and Collateral Agreement. The Term Guarantee and Collateral Agreement (and all rights and remedies of the Lenders thereunder) shall remain in full force and effect in accordance with its terms.

SECTION 4. Acknowledgment. The Grantor does hereby further acknowledge and affirm that the rights and remedies of the Lenders with respect to the security interest in the Trademarks are fully set forth in the Term Credit Agreement and the Term Guarantee and Collateral Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein.

SECTION 5. Counterparts. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.
