The pledge and security interest created by this Agreement shall not at any time be subject to any prior lien, pledge, security interest, encumbrance, license, assignment, collateral assignment or charge of any kind, including, without limitation, any filing or agreement to file a financing statement as debtor under the UCC or any similar statute or any subordination arrangement in favor of any party other than Pledgor (collectively, "Liens"), except for those Liens set forth on Schedule D hereto (collectively, "Prior Liens") and except as expressly permitted hereunder and under the Credit Agreement. Pledgor further represents and warrants to the Administrative Agent that Schedules A, B and C hereto, respectively, are true, correct and complete lists as of the date hereof of all registered (including registrations pending or for which an application has been filed) Patents, Trademarks and Copyrights owned by Pledgor and that Schedules D, E and F hereto are true and correct with respect to the matters set forth therein as of the date hereof.

(b) Pledgor has full corporate power, authority and legal right to pledge and grant a security interest in the Pledged Collateral in accordance with the terms of this Agreement and this Agreement has been duly and validly executed and delivered by Pledgor, constitutes the legal, valid and binding obligation of Pledgor, enforceable against Pledgor in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

(c) Except as set forth on Schedule E hereto and except for filings with the Patent and Trademark Office, under the UCC and under applicable foreign law, no authorization, consent, approval, license, qualification or formal exemption from, nor any filing, declaration or registration with, any court (other than in connection with the exercise of judicial remedies), governmental agency or regulatory authority, or with any securities exchange or any other Person (other than a licensor, whose consent Pledgor shall use reasonable efforts to obtain) is required in connection with (1) the pledge by Pledgor of the Pledged Collateral pursuant to this Agreement, or the execution, delivery or performance by Pledgor of this Agreement, (2) the grant of a security interest (including the priority thereof when the appropriate filings have been made and accepted) in, the Pledged Collateral by Pledgor in the manner and for the purpose contemplated by this Agreement or (3) the exercise of the rights and remedies of the Administrative Agent created hereby.

(e) Pledgor owns or has rights to use all the Pledged Collateral and all rights with respect to any of the foregoing used in, necessary for or material to Pledgor's business as currently conducted and as contemplated to be conducted pursuant to the Loan Documents. To Pledgor's best knowledge, the use of such Pledged Collateral and all rights with respect to the foregoing by Pledgor does not infringe on the rights of any Person and, except as set forth on Schedule F attached hereto, no material claim has been made and remains outstanding that Pledgor's use of the Pledged Collateral does or may violate the rights of any third person.

(f) Upon filings and the acceptance thereof in the appropriate offices under the UCC and in the United States Patent and Trademark Office and the United States Copyright Office, this Agreement will create a valid and duly perfected first priority lien and security interest in the United States in the Pledged Collateral, subject to no Liens other than Prior Liens.

Section 6. Covenants. (a) On a continuing basis, Pledgor will, at the expense of Pledgor, subject to any prior licenses, Liens and restrictions, make, execute, acknowledge and deliver, and file and record in the proper filing and recording offices, all such instruments or documents, including, without limitation, appropriate financing and continuation statements, exclusive licenses and collateral agreements, and take all such action (limited, as aforesaid, if

applicable) as may reasonably be deemed necessary or appropriate by the Administrative Agent (1) to carry out the intent and purposes of this Agreement, (2) to assure and confirm to the Administrative Agent the grant or perfection of a security interest in the Pledged Collateral for the benefit of the Secured Parties, and (3) during the continuation of an Event of Default, to enable the Secured Parties to exercise and enforce their rights and remedies hereunder with respect to any Pledged Collateral. Without limiting the generality of the foregoing, Pledgor:

(A) will not enter into any agreement that would impair or conflict with Pledgor's obligations hereunder;

(B) will, from time to time, upon the Administrative Agent's request, cause its books and records to be marked with such legends or segregated in such manner as the Administrative Agent may specify and take or cause to be taken such other action and adopt such procedures as the Administrative Agent may specify to give notice or to perfect the security interest in the Pledged Collateral intended to be conveyed hereby;

(C) will, promptly following its becoming aware thereof, notify the Administrative Agent of

(i) any materially adverse determination in any proceeding in the United States Patent and Trademark Office or United States Copyright Office with respect to any Patent, Trademark or Copyright material to Pledgor's business; or

(ii) any written claim received, the institution of any proceeding or any materially adverse determination in any federal, state, local or foreign court or administrative bodies regarding Pledgor's claim of ownership in or right to use any of the Pledged Collateral, its right to register the Pledged Collateral, or its right to keep and maintain such registration in full force and effect, but in each case only if an adverse outcome to such claim or proceeding or such adverse determination could reasonably be expected to have a Material Adverse Effect on the business of Pledgor or a Material Adverse Effect on the rights and benefits of the Credit Parties under any license agreement or agreements for the sale of product lines contributing \$2,000,000 or more in gross sales revenues for the preceding 12 months in the aggregate ;

(D) will properly maintain and protect the Pledged Collateral to the extent necessary or appropriate for the conduct of Pledgor's business (as presently conducted and as contemplated by the Loan Documents) and consistent with Pledgor's current practice in accordance with applicable statutory requirements;

(E) will not grant or permit to exist any Lien upon or with respect to the Pledged Collateral or any portion thereof except Liens in favor of the Administrative Agent for itself and the Secured Parties or as permitted under this Agreement and Liens

permitted by Section 7 hereof, and will not execute any security agreement or financing statement covering any of the Pledged Collateral except in the name of the Administrative Agent for itself and the Secured Parties or as permitted under this Agreement;

(F) except in accordance with prudent and commercially reasonable business practices, will not permit to lapse or become abandoned, settle or compromise any pending or future litigation or administrative proceeding with respect to the Pledged Collateral without the consent of the Secured Parties, or contract for sale or otherwise dispose of the Pledged Collateral or any portion thereof except pursuant to Section 7 hereof;

(G) upon Pledgor obtaining knowledge thereof, will promptly notify the Administrative Agent in writing of any levy or threat of levy or any legal process against the Pledged Collateral or any portion thereof or any other event which may reasonably be expected to materially adversely affect the value or utility of the Pledged Collateral or any material portion thereof, the ability of Pledgor or the Administrative Agent to dispose of the Pledged Collateral or any portion thereof or the rights and remedies of the Administrative Agent in relation thereto;

(H) until the Administrative Agent exercises its rights to make collection, will diligently keep adequate records respecting the Pledged Collateral;

(I) subject to the first sentence of this Section 6(a), hereby authorizes the Administrative Agent, in its reasonable discretion and upon the refusal by Pledgor to do so, to file one or more financing or continuation statements and amendments thereto, relative to all or any part of the Pledged Collateral without the signature of Pledgor where permitted by law;

(J) will furnish to the Administrative Agent from time to time statements and amended schedules further identifying and describing the Pledged Collateral and such other materials evidencing or reports pertaining to the Pledged Collateral as the Administrative Agent may from time to time reasonably request, all in reasonable detail;

(K) will pay when due any and all taxes, levies, maintenance fees, charges, assessments, royalties, licenses fees and similar taxes or impositions payable in respect of the Pledged Collateral, that, if not paid, could result in a Material Adverse Effect (as defined in the Credit Agreement), before the same shall become delinquent or in default, except where (a) the validity or amount thereof is being contested in good faith by appropriate proceedings, (b) Pledgor has set aside on its books adequate reserves with respect thereto in accordance with GAAP and (c) the failure to make payment pending such contest could not reasonably be expected to result in a Material Adverse Effect;

(L) will comply in all material respects with all laws, rules and regulations applicable to the Pledged Collateral; and

(M) will deposit with the Administrative Agent, at such times as the Administrative Agent shall reasonably request, copies of all source code of all software, if any, owned by Pledgor as the Administrative Agent shall reasonably request which is material to the operation of Pledgor's business and such source code copy shall be of the most current version of all software and shall include all modifications and enhancements thereto and shall be annotated so as to be easily understood by a software technician of reasonable proficiency.

(b) If, before the Secured Obligations shall have been paid and satisfied in full in cash or cash equivalents and the Secured Parties shall cease to be obligated to make Loans under the Credit Agreement, Pledgor shall, (1) obtain any rights to any additional Pledged Collateral or (2) become entitled to the benefit of any additional Pledged Collateral or any renewal or extension thereof, including any reissue, division, continuation, or continuation-in-part of any Patent, or any improvement on any Patent, the provisions of this Agreement shall automatically apply thereto and any item enumerated in clause 6(b)(1) or clause 6(b)(2) with respect to Pledgor shall automatically constitute Pledged Collateral if such would have constituted Pledged Collateral at the time of execution of this Agreement, and be subject to the assignment, Lien and security interest created by this Agreement without further action by any party. Pledgor shall promptly provide to the Administrative Agent written notice of any of the foregoing. Pledgor shall, at least once in each calendar quarter, provide written notice to the Administrative Agent of all applications for Patents and all applications for registration of Trademarks or Copyrights made during the preceding calendar quarter. Pledgor agrees, promptly following the written request by the Administrative Agent, to confirm the attachment of the lien and security interest created by this Agreement to any rights described in clause 6(b)(1) or clause 6(b)(2) above if such would have constituted Pledged Collateral at the time of execution of this Agreement by execution of an instrument in form acceptable to the Administrative Agent.

(c) Pledgor authorizes the Administrative Agent to modify this Agreement by amending Schedules A, B and/or C annexed hereto to include any future Pledged Collateral of Pledgor, including, without limitations any of the items listed in Section 6(b).

(d) Pledgor shall, consistent with Pledgor's current practice, file and prosecute diligently all applications for Patents, Trademarks or Copyrights now or hereafter pending that would be useful or beneficial to the businesses of Pledgor to which any such applications pertain, and to do all acts necessary to preserve and maintain all rights in the Pledged Collateral unless such Pledged Collateral has become obsolete to Pledgor's business, as reasonably determined by Pledgor consistent with prudent and commercially reasonable business practices. Any and all costs and expenses incurred in connection with any such actions shall be borne by Pledgor. Except in accordance with prudent and commercially reasonable business practices, Pledgor shall not abandon any right to file a Patent, Trademark or Copyright application or any pending Patent, Trademark or Copyright application or any Patent, Trademark or Copyright without the consent of the Administrative Agent.

Section 7. Transfers and Other Liens. Pledgor will not (a) sell, convey, assign or otherwise dispose of, or grant any option with respect to, any of the Pledged Collateral except for licensing in the ordinary course of business and such other transactions as may be permitted under the Credit Agreement or (b) create or permit to exist any Lien upon or with respect to any of the Pledged Collateral, except for Liens for taxes, assessments or government charges or claims the payment of which is not at the time required and inchoate Liens imposed by law (each of which shall, except to the extent otherwise required by law, be subordinate to the lien created by this Agreement) and the lien granted to the Administrative Agent under this Agreement.

Section 8. Remedies upon Default.

(a) If any Event of Default shall have occurred and be continuing, the Administrative Agent may to the full extent permitted by law, (1) exercise any and all rights as beneficial and legal owner of the Pledged Collateral, including, without limitation, perfecting assignment of any and all contractual rights and powers with respect to the Pledged Collateral and (2) sell or assign or grant a license to use, or cause to be sold or assigned or a license granted to use any or all of the Pledged Collateral (in the case of Trademarks, along with the goodwill associated therewith) or any part thereof, in each case, free of all rights and claims of Pledgor therein and thereto. In accordance with such rights, the Administrative Agent shall have (A) the right to cause any or all of the Pledged Collateral to be transferred of record into the name of the Administrative Agent or its nominee and (B) the right to impose (i) such limitations and restrictions on the sale or assignment of the Pledged Collateral as the Secured Parties may deem to be necessary or appropriate to comply with any law, rule or regulation (federal, state or local) having applicability to the sale or assignment, and (ii) any necessary or appropriate requirements for any required governmental approvals or consents.

(b) Except as provided in this Section 8 and other express notice provisions of the Loan Documents, Pledgor hereby expressly waives, to the fullest extent permitted by applicable law, any and all notices, advertisements, hearings or process of law in connection with the exercise by the Secured Parties of any of their rights and remedies hereunder.

(c) Pledgor agrees that, to the extent notice of sale shall be required by law, ten (10) days' notice from the Administrative Agent of the time and place of any public sale or of the time after which a private sale or other intended disposition is to take place shall be commercially reasonable notification of such matters. In addition to the rights and remedies provided in this Agreement and in the other Loan Documents, the Secured Parties shall have all the rights and remedies of a secured party under the UCC.

(d) Except as otherwise provided herein, Pledgor hereby waives, to the fullest extent permitted by applicable law, notice or judicial hearing in connection with the Administrative Agent's taking possession or the Administrative Agent's disposition of any of the Pledged Collateral, including, without limitation, any and all prior notice and rights to a hearing for any prejudgment remedy or remedies and any such right which Pledgor would otherwise have under law, and Pledgor hereby further waives to the extent not prohibited by applicable law and to the

extent the Administrative Agent acts with commercial reasonableness: (1) all damages occasioned by any such taking of possession; (2) all other requirements as to the time, place and terms of sale or other requirements with respect to the enforcement of the Secured Parties' rights hereunder; and (3) all rights of redemption, appraisal, valuation, stay, extension or moratorium now or hereafter in force under any applicable law. Any sale of, or the grant of options to purchase, or any other realization upon, any Pledged Collateral shall operate to divest all right, title, interest, claim and demand, either at law or in equity, of Pledgor therein and thereto, and shall be a perpetual bar both at law and in equity against Pledgor and against any and all Persons claiming or attempting to claim the Pledged Collateral so sold, optioned or realized upon, or any part thereof, from, through or under Pledgor.

Section 9. Application of Proceeds. The proceeds of any Pledged Collateral obtained pursuant to the exercise of any remedy set forth in Section 8 shall be applied, together with any other sums then held by the Administrative Agent pursuant to this Agreement, promptly by the Administrative Agent:

First, to the payment of all reasonable costs and expenses, fees, commissions and taxes of such sale, collection or other realization, including, without limitation, reasonable reimbursement to the Administrative Agent, the Secured Parties and their agents and counsel for all reasonable expenses, fees, liabilities and advances made or incurred by them in connection therewith and all expenses, liabilities and advances made or incurred by the Administrative Agent and the Secured Parties in connection therewith, together with interest on each such amount at the rate then in effect under the Credit Agreement;

Second, to the payment of all other reasonable costs and expenses of such sale, collection or other realization, including, without limitation, reasonable reimbursement to the Secured Parties and their agents and counsel for all reasonable expenses, fees, liabilities and advances made or incurred by them in connection therewith and all reasonable costs, liabilities and indebtedness made or incurred by the Administrative Agent and the Secured Parties in connection therewith together with interest on each such amount at the Post Default Rate for Base Rate Loans then in effect under the Credit Agreement;

Third, to the payment in full in cash of the Secured Obligations, ratably according to the unpaid amounts thereof, in such order of priority as is set forth in Section 2.17 of the Credit Agreement; and

Fourth, to Pledgor, or its successors or assigns, or to whomsoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct, of any surplus then remaining from such Proceeds.

Section 10. Expenses. Pledgor will pay on demand all reasonable expenses of the Administrative Agent and the Secured Parties in connection with the preparation, waiver or

amendment of this Agreement or other Loan Documents executed in connection therewith, or the administration, default or collection of the Loans or administration, default, collection in connection with the Administrative Agent's exercise, preservation or enforcement of any of its rights, remedies or options thereunder, including, without limitation, reasonable fees and disbursements of outside legal counsel or accounting, consulting, brokerage or other similar professional fees or expenses, and any reasonable fees or expenses associated with any travel or other costs relating to any appraisals or examinations conducted in connection with the Secured Obligations or any Collateral therefor, and the amount of all such expenses shall, until paid, bear interest at the rate applicable to principal hereunder (including any default rate).

Section 11. No Waiver: Cumulative Remedies. (a) No failure on the part of the Administrative Agent or the Secured Parties to exercise, no course of dealing with respect to, and no delay on the part of the Administrative Agent in exercising, any right, power or remedy hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any such right, power or remedy hereunder preclude any other or further exercise thereof or the exercise of any other right, power or remedy. The remedies herein provided are cumulative and are not exclusive of any remedies provided by law.

(b) In the event the Administrative Agent shall have instituted any proceeding to enforce any right, power or remedy under this instrument by foreclosure, sale, entry or otherwise, and such proceeding shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Administrative Agent, then and in every such case, Pledgor and the Administrative Agent shall, to the extent permitted by applicable law, be restored to their respective former positions and rights hereunder with respect to the Pledged Collateral, and all rights, remedies and powers of the Administrative Agent shall continue as if no such proceeding had been instituted.

Section 12. Right of Administrative Agent to Perform: Appointment as Attorney-in-Fact. If Pledgor shall fail to do any act or thing that it has covenanted to do hereunder or any warranty on the part of Pledgor contained herein shall be breached, the Administrative Agent may (but shall not be obligated to) do the same or cause it to be done or remedy any such breach, and may expend funds for such purpose. Any and all reasonable amounts so expended by the Administrative Agent shall be paid by Pledgor promptly upon demand therefor, with interest at the Post Default Rate for Base Rate Loans then in effect under the Credit Agreement during the period from and including the date on which such funds were so expended to the date of repayment. Pledgor's obligations under this Section 12 shall survive the termination of this Agreement and the discharge of Pledgor's other obligations hereunder. Pledgor hereby appoints the Administrative Agent its attorney-in-fact with an interest, with full authority in the place and stead of Pledgor and in the name of Pledgor, or otherwise, from time to time in the Administrative Agent's reasonable discretion, upon refusal of Pledgor, to take any action and to execute any instruments consistent with the terms of this Agreement and the other Loan Documents which the Administrative Agent may deem necessary or advisable to accomplish the purposes of this Agreement. The foregoing grant of authority is a power of attorney coupled with an interest and such appointment shall be irrevocable for the term of this Agreement.

Pledgor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof.

Section 13. Indemnity. Pledgor hereby agrees to indemnify, reimburse and hold harmless the Administrative Agent and its successors, assigns, employees, agents and servants in accordance with Section 10.3 of the Credit Agreement.

Section 14. Litigation. (a) Pledgor shall have the right to commence and prosecute in its own name, as real party in interest, for its own benefit and at its own expense, such applications for protection of Pledged Collateral, suits, proceedings or other actions for infringement, counterfeiting, unfair competition, dilution or other damage as are in its reasonable business judgment necessary to protect the Pledged Collateral. Pledgor shall promptly notify the Administrative Agent in writing as to the commencement and prosecution of any such actions, or threat thereof, but only in each case if the adverse outcome of such action or actions would have a Material Adverse Effect (as defined in the Credit Agreement) on the business of the Pledgor or the value of the Pledged Collateral or any material portion thereof, and shall provide to the Administrative Agent such information with respect thereto as may be reasonably requested. The Administrative Agent shall provide all reasonable and necessary cooperation in connection with any such suit, proceeding or action, including, without limitation, joining as a necessary party.

(b) Upon the occurrence and during the continuation of an Event of Default, the Administrative Agent shall have the right but shall in no way be obligated to file applications for protection of the Pledged Collateral and/or bring suit in the name of Pledgor or the Administrative Agent to enforce the Pledged Collateral and any license thereunder; in the event of such suit, Pledgor shall, at the request of the Administrative Agent, do any and all lawful acts and execute any and all documents reasonably required by the Administrative Agent in aid of such enforcement and Pledgor shall promptly, upon demand, reimburse and indemnify the Administrative Agent, as the case may be, for all reasonable costs and expenses incurred by the Administrative Agent in the exercise of its rights under this Section 14. In the event that the Administrative Agent shall elect not to bring suit to enforce the Pledged Collateral, Pledgor agrees to use all measures, whether by action, suit, proceeding or otherwise, to prevent the infringement, counterfeiting or other diminution in value of any of the Pledged Collateral by others and for that purpose agrees to diligently maintain any action, suit or proceeding against any person so infringing necessary to prevent such infringement as is in the reasonable business judgment of Pledgor necessary to protect the Pledged Collateral and the Administrative Agent shall provide, at Pledgor's expense, all necessary and reasonable assistance to Pledgor to maintain such action.

Section 15. Modifications in Writing. No amendment, modification, supplement, termination or waiver of or to any provision of this Agreement, nor consent to any departure by Pledgor therefrom, shall be effective unless the same shall be in writing and signed by the Administrative Agent and, except in the case of any such termination, waiver or consent, by the Pledgor. Any amendment, modification or supplement of or to any provision of this Agreement,

any waiver of any provision of this Agreement, and any consent to any departure by Pledgor from the terms of any provision of this Agreement, shall be effective only in the specific instance and for the specific purpose for which made or given. Except where notice is specifically required by this Agreement or any other Loan Document, no notice to or demand on Pledgor in any case shall entitle Pledgor to any other or further notice or demand in similar or other circumstances.

Section 16. Termination; Release. When all the Secured Obligations (other than Secured Obligations in the nature of continuing indemnities or expense reimbursement obligations not yet due and payable) have been paid in full and have been terminated and the Secured Parties are no longer obligated to make any Loan under the Credit Agreement, this Agreement shall terminate. Upon termination of this Agreement or any release of Pledged Collateral in accordance with the provisions of the Credit Agreement, the Administrative Agent shall, upon the request and at the expense of Pledgor, forthwith assign, transfer and deliver to Pledgor against receipt and without recourse to or warranty by the Administrative Agent, such of the Pledged Collateral to be released (in the case of a release) as may be in the possession of the Administrative Agent and as shall not have been sold or otherwise applied pursuant to the terms hereof, on the order of and at the expense of Pledgor, and proper instruments (including UCC termination statements on Form UCC-3 and documents suitable for recordation in the United States Patent and Trademark Office, the United States Copyright Office or similar domestic or foreign authority) acknowledging the termination of this Agreement or the release of such Pledged Collateral, as the case may be.

Section 17. Reinstatement. Notwithstanding the provisions of Section 16, this Agreement shall continue to be effective or be reinstated, as the case may be, if at any time any amount received by the Administrative Agent in respect of the Secured Obligations is rescinded or must otherwise be restored or returned by the Administrative Agent upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of Pledgor or upon the appointment of any intervenor or conservator of, or trustee or similar official for, Pledgor or any substantial part of its properties, or otherwise, all as though such payments had not been made.

Section 18. Credit Agreement. Notwithstanding any other provision of this Agreement, the rights of the parties hereunder are subject to the provisions of the Credit Agreement, including the provisions thereof pertaining to the rights and responsibilities of the Administrative Agent. Unless the context shall otherwise clearly indicate, the terms "Secured Party" and "Secured Parties" as used herein shall be deemed to include the Administrative Agent acting on behalf of the Secured Parties pursuant to the Credit Agreement. The term "Administrative Agent" as used herein shall include Fleet National Bank and any other Person acting as Administrative Agent for the Secured Parties pursuant to the terms of the Credit Agreement.

Section 19. Notices. All notices, consents, approvals, elections and other communications hereunder shall be in writing (whether or not the other provisions of this Agreement expressly so provide) and shall be deemed to have been duly given if delivered in accordance with the terms of Section 10.1 of the Credit Agreement.

Section 20. Continuing Security Interest: Assignment. This Agreement shall create a continuing security interest in the Pledged Collateral and shall (a) remain in full force and effect until the payment in full in cash of all Secured Obligations, (b) be binding upon Pledgor, its successors and assigns, and (c) inure, together with the rights and remedies of the Secured Parties hereunder, to the benefit of the Administrative Agent and its successors, transferees and assigns; no other Persons (including, without limitation, any other creditor of Pledgor) shall have any interest herein or any right or benefit with respect hereto. Without limiting the generality of the foregoing clause 20(c), any the Administrative Agent may assign or otherwise transfer any indebtedness held by it secured by this Agreement to any other Person, and such other Person shall thereupon become vested with all the benefits in respect thereof granted to the Administrative Agent, herein or otherwise, subject however, to the provisions of the Credit Agreement.

SECTION 21. GOVERNING LAW; TERMS. THIS AGREEMENT SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE COMMONWEALTH OF MASSACHUSETTS, WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OF LAWS, EXCEPT TO THE EXTENT THAT THE VALIDITY OR PERFECTION OF THE SECURITY INTEREST HEREUNDER, OR REMEDIES HEREUNDER IN RESPECT OF ANY PARTICULAR INTELLECTUAL PROPERTY ARE GOVERNED BY THE LAWS OF A JURISDICTION OTHER THAN THE COMMONWEALTH OF MASSACHUSETTS.

SECTION 22. CONSENT TO JURISDICTION AND SERVICE OF PROCESS. ALL JUDICIAL PROCEEDINGS BROUGHT AGAINST PLEDGOR WITH RESPECT TO THIS AGREEMENT MAY BE BROUGHT IN ANY STATE OR FEDERAL COURT OF COMPETENT JURISDICTION IN THE COMMONWEALTH OF MASSACHUSETTS AND BY EXECUTION AND DELIVERY OF THIS AGREEMENT PLEDGOR ACCEPTS FOR ITSELF AND IN CONNECTION WITH ITS PROPERTIES, GENERALLY AND UNCONDITIONALLY THE NONEXCLUSIVE JURISDICTION OF THE AFORESAID COURTS, AND IRREVOCABLY AGREES TO BE BOUND BY ANY JUDGMENT RENDERED THEREBY IN CONNECTION WITH THIS AGREEMENT. TO THE EXTENT NOT PROHIBITED BY LAW, THE PARTIES HERETO HEREBY IRREVOCABLY WAIVE TRIAL BY JURY, AND PLEDGOR HEREBY IRREVOCABLY WAIVES ANY OBJECTION, INCLUDING, WITHOUT LIMITATION, ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF FORUM NON CONVENIENS, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY SUCH ACTION OR PROCEEDING IN SUCH RESPECTIVE JURISDICTIONS. IN THE EVENT THAT PLEDGOR DESIGNATES AND APPOINTS ANY PERSON AS ITS AGENT AND SUCH PERSON IRREVOCABLY AGREES IN WRITING TO SO SERVE AS PLEDGOR'S AGENT TO RECEIVE ON PLEDGOR'S BEHALF, SERVICE OF ALL PROCESS IN ANY SUCH PROCEEDINGS IN ANY SUCH COURT, SUCH SERVICE IS HEREBY ACKNOWLEDGED BY PLEDGOR TO BE EFFECTIVE AND BINDING SERVICE IN EVERY RESPECT. A COPY OF SUCH PROCESS SO SERVED SHALL BE MAILED BY REGISTERED MAIL TO PLEDGOR AT ITS ADDRESS PROVIDED FOR IN SECTION 19 HEREOF. IF ANY

AGENT APPOINTED BY PLEDGOR REFUSES TO ACCEPT SERVICE, PLEDGOR HEREBY AGREES THAT SERVICE UPON IT BY MAIL SHALL CONSTITUTE SUFFICIENT NOTICE. NOTHING HEREIN SHALL AFFECT THE RIGHT TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR SHALL LIMIT THE RIGHT OF THE ADMINISTRATIVE AGENT TO BRING PROCEEDINGS AGAINST PLEDGOR IN THE COURTS OF ANY OTHER JURISDICTION.

Section 23. Severability of Provisions. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof or affecting the validity or enforceability of such provision in any other jurisdiction.

Section 24. Execution in Counterparts. This Agreement and any amendments, waivers, consents or supplements hereto may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed to be an original, but all such counterparts together shall constitute one and the same agreement:

Section 25. Headings. The Section headings used in this Agreement are for convenience of reference only and shall not affect the construction of this Agreement.

Section 26. Obligations Absolute. To the extent permitted by applicable law, all obligations of Pledgor hereunder shall be absolute and unconditional irrespective of:

(a) any bankruptcy, insolvency, reorganization, arrangement, readjustment, composition liquidation or the like of Pledgor or any other Subsidiary of Pledgor;

(b) any lack of validity or enforceability of the Credit Agreement, any other Loan Document, or any other agreement or instrument relating thereto;

(c) any change in the time, manner or place of payment of, or in any other term of, all or any of the Secured Obligations, or any other amendment or waiver of or any consent to any departure from the Credit Agreement, any other Loan Document, or any other agreement or instrument relating thereto;

(d) any exchange, release or non-perfection of any other collateral, or any release or amendment or waiver of or consent to any departure from any guarantee, for all or any of the Secured Obligations; or

(e) any exercise or non-exercise, or any waiver of any right, remedy, power or privilege under or in respect of this Agreement or any other Loan Document except as specifically set forth in a waiver granted pursuant to the provisions of Section 15 hereof.

Section 27. Waiver of Single Action. Pledgor hereby waives to the greatest extent permitted under law the right to a discharge of any of the Secured Obligations under any statute or rule of law now or hereafter in effect which provides that the exercise of any particular right or remedy as provided for herein (by judicial proceedings or otherwise) constitutes the exclusive means for satisfaction of the Secured Obligations or which makes unavailable any further judgment or any other right or remedy provided for herein because the Administrative Agent elected to proceed with the exercise of such initial right or remedy or because of any failure by the Administrative Agent to comply with laws that prescribe conditions to the entitlement to such subsequent judgment or the availability of such subsequent right or remedy. In the event that, notwithstanding the foregoing waiver, any court shall for any reason hold that such subsequent judgment or action is not available to the Administrative Agent, Pledgor shall not (a) introduce in any other jurisdiction any judgment so holding as a defense to enforcement against Pledgor of any remedy in the Credit Agreement or executed in connection with the Credit Agreement or (b) seek to have such judgment recognized or entered in any other jurisdiction, and any such judgment shall in all events be limited in application only to the state or jurisdiction where rendered and only with respect to the collateral referred to in such judgment.

Section 28. Future Advances. This Agreement shall secure the payment of any amounts advanced from time to time pursuant to the Credit Agreement.
