WITNESSETH:

WHEREAS, pursuant to a Credit Agreement, dated as of August 26, 2008 (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "***Credit Agreement***"), among Warnaco Inc. WHEREAS, the Grantors other than the Borrower are party to a Guaranty pursuant to which they have guaranteed the Obligations of the Borrower under the Credit Agreement; and

WHEREAS, all the Grantors are party to a Pledge and Security Agreement, dated as of August 26, 2008, in favor of the Collateral Agent (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "***Security Agreement***") pursuant to which the Grantors are required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Lenders, the Issuers, the Administrative Agent and the Collateral Agent to enter into the Credit Agreement and to induce the Lenders and the Issuers to make their respective extensions of credit to the Borrower thereunder, each Grantor hereby agrees with the Collateral Agent as follows:

Unless otherwise defined herein, terms defined in the Credit Agreement or in the Security Agreement and used herein have the meaning given to them in the Credit Agreement or the Security Agreement.

Section 2. Grant of Security Interest in Trademark Collateral

Each Grantor, as collateral security for the full, prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Secured Obligations of such Grantor, hereby mortgages, pledges and hypothecates to the Collateral Agent for the benefit of the Secured Parties, and grants to the Collateral Agent for the benefit of the Secured Parties a lien on and security interest in, all of its right, title and interest in, to and under the following Collateral of such Grantor (the "***Trademark Collateral***"):

1. all of its Trademarks, including, without limitation, those referred to on *Schedule I* hereto;

2. all renewals and extensions of the foregoing;

3. all goodwill of the business connected with the use of, and symbolized by, each such Trademark; and

4. all Proceeds of any or all of the foregoing, including, without limitation, all rights to income, royalties, proceeds and damages now or hereafter due and/or payable under any Trademark and with respect thereto, including, without limitation, all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof.

Section 3. Security Agreement

The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Collateral Agent pursuant to the Security Agreement and each Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.
