4. Covenants. Grantor covenants and agrees with Lender that, from and after the date of this Security Agreement until the Obligations are paid in full:

(a) Further Documentation. From time to time, upon the written reasonable request of Lender, and at the sole expense of Grantor, the Grantor will promptly and duly execute and deliver such further instruments and documents and take such further action as Lender may reasonably request for the purpose of obtaining or preserving the full benefits of this Security Agreement and of the rights and powers herein granted, including, without limitation, the filing of any financing or continuation statements under the UCC in effect in any jurisdiction with respect to the liens created hereby. Grantor also hereby authorizes Lender to file any such financing or continuation statement without the signature of Grantor to the extent permitted by applicable law. A carbon, photographic or other reproduction of this Security Agreement shall be sufficient as a financing statement for filing in any jurisdiction.

(b) Limitation on Lien on Collateral. Grantor will not create, incur or permit to exist,

will take all commercially reasonable actions to defend the Collateral against, and will take such other commercially reasonable action as is necessary to remove, any lien or claim on or to the Collateral, other than the liens created hereby, and other than as permitted pursuant to the Loan Agreement, and will take all commercially reasonable actions to defend the right, title and interest of Lender in and to any of the Collateral against the claims and demands of all persons whomsoever.

(c) Limitations on Dispositions of Collateral. Grantor will not sell, transfer or otherwise dispose of any of the Collateral, or attempt, offer or contract to do so except as permitted in the Loan Agreement.

(d) Notices. Grantor will advise Lender promptly, in reasonable detail, at its address set forth in the Loan Agreement, (i) of any lien (other than liens created hereby or permitted under the Loan Agreement) on, or claim asserted against, Trademarks or Patents and (ii) of the occurrence of any other event which could reasonably be expected to have a material adverse effect on the aggregate value of the Collateral or on the liens created hereunder.

(e) Intellectual Property.

(i) Grantor (either itself or through licensees) will, except with respect to any Trademark that the Grantor shall reasonably determine is of immaterial economic value to it or otherwise reasonably determines not to do so, (A) continue to use each Trademark on each and every trademark class of goods applicable to its current line as reflected in its current catalogs, brochures and price lists in order to maintain such Trademark in full force free from any claim of abandonment for non-use, (B) maintain as in the past the quality of products and services offered under such Trademark, (C) use reasonable efforts to employ such Trademark with the appropriate notice of registration, (D) not adopt or use any mark which is confusingly similar or a colorable imitation of such Trademark unless within 30 days after such use or adoption Lender, shall obtain a perfected security interest in such mark pursuant to this Security Agreement, and (E) not to do any act or knowingly omit to do any act whereby any Trademark may become invalidated.

(ii) Grantor will not, except with respect to any Patent that Grantor shall reasonably determine is of immaterial economic value to it or otherwise reasonably determine so to do, do any act, or omit to do any act, whereby any Patent may become abandoned or dedicated. Without the prior written consent of Lender, Grantor shall not abandon any right to file a patent application, or abandon any pending patent application or patent, unless it shall determine is of immaterial economic value to it or otherwise reasonably determine so to do.

(iii) Grantor will promptly notify Lender if it knows, or has reason to know, that any application relating to any Patent, Trademark or Copyright may become

abandoned or dedicated, or of any adverse determination or material development (including, without limitation, the institution of, or any such determination or development in, any proceeding in the United States Patent and Trademark office or any court or tribunal in any country) regarding the Grantor's ownership of any Patent, Trademark or Copyright, or its right to register the same or to keep and maintain the same.

(iv) Whenever Grantor, either by itself or through any agent, employee, licensee or designee, shall file an application for any Patent or for the registration of any Trademark or Copyright with the United States Patent and Trademark Office or any similar office or agency in any other country or any political subdivision thereof, the Grantor shall report such filing to Lender within five business days after the filing. Upon request of Lender, the Grantor shall execute and deliver any and all reasonably necessary agreements, instruments, documents, and papers as Lender may request to evidence Lender's security interest in any newly filed Patent, Copyright, or Trademark and the goodwill and general intangibles of the Grantor relating thereto or represented thereby, and each Grantor hereby constitutes Lender its attorney-in-fact to execute and file all such writings for the foregoing purposes of which Lender shall provide Grantor ten (10) days written notice, all acts of such attorney being hereby ratified and confirmed; such power being coupled with an interest is irrevocable until the Obligations are paid in full.

(v) Grantor, except with respect to any Patent, Trademark or Copyright the Grantor shall reasonably determine is of immaterial economic value to it or it otherwise reasonably determines not to so do, will take all reasonable and necessary steps, including, without limitation, in any proceedings before any tribunal, office or agency in any other country or any political subdivision thereof, to maintain and pursue each application (and to obtain the relevant registration or Patent) and to maintain each Patent and each registration of Trademarks and Copyrights, including, without limitation, filing of applications, applications for reissue, renewal or extensions; the payment of maintenance fees; participation in reexamination, opposition and infringement proceedings; and the filing of renewal applications, affidavits of use and affidavits of incontestability, when appropriate. Any expenses incurred in connection with such activities shall be paid by Grantor.

(vi) In the event Grantor knows or has reason to know that any Patent, Trademark or Copyright included in the Collateral is infringed, misappropriated or diluted by a third party, the Grantor shall promptly notify Lender after it learns thereof and shall, unless the Grantor shall reasonably determine that such Patent or Trademark is of immaterial economic value to the Grantor which determination the Grantor shall promptly report to Lender, promptly sue for infringement, misappropriation or dilution, or take such other actions as the Grantor shall reasonably deem appropriate under the circumstances to protect such Patent, Trademark or Copyright.

(vii) Grantor will furnish to Lender each year until the Obligations are satisfied, on the anniversary date of the execution of this Agreement, statements, schedules and an inventory identifying and describing the Collateral, including without limitation, all Intellectual Property acquired subsequent to the date of this agreement and not identified on Schedule A, all transfers, assignments, licenses or sub-licenses of the Collateral by Grantor, and such other information in connection with the Collateral as Lender may reasonably request, all in reasonable detail. Any such Intellectual Property shall automatically become part of the Collateral.

5. Agent's Appointment as Attorney-in-Fact.

(a) Powers. Grantor hereby irrevocably constitutes and appoints Agent and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of the Grantor and in the name of the Grantor or in its own name, from time to time after the occurrence, and during the continuation of, an Event of Default in Agent's discretion, for the purpose of carrying out the terms of this Security Agreement, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of this Security Agreement (provided however, that with respect to the execution of documents, Lender shall endeavor to obtain the signature of Borrower, but if such signature is not obtained within five (5) days, (unless Borrower reasonably objects pursuant to its rights under this Agreement and the Loan Agreement), then Lender may execute such documents), and, without limiting the generality of the foregoing, the Grantor hereby gives Agent the power and right, on behalf of the Grantor without notice to or assent by the Grantor, to do the following:

(i) at any time when any Event of Default shall have occurred and is continuing in the name of the Grantor or its own name, or otherwise, to take possession of and endorse and collect any checks, drafts, notes, acceptances or other instruments for the payment of moneys due under, or with respect to, any Collateral and to file any claim or to take any other action or proceeding in any court of law or equity or otherwise deemed appropriate by Agent for the purpose of collecting any and all such moneys due with respect to such Collateral whenever payable;

(ii) to pay or discharge taxes and liens levied or placed on or threatened against the Collateral, to effect any repairs or any insurance called for by the terms of this Security Agreement and to pay all or part of the premiums therefor and the costs thereof; and

(iii) (a) to direct any party liable for any payment under any of the Collateral to make payment of any and all moneys due or to become due thereunder directly to Agent or as Agent shall direct, (b) to ask or demand for, collect, receive payment of and receipt for, any and all moneys, claims and other amounts due or to become

due at any time in respect of or arising out of any Collateral, (c) to sign and endorse any invoices, freight or express bills, bills of lading, storage or warehouse receipts, drafts against debtors, assignments, verifications, notices and other documents in connection with any of the Collateral, (d) to commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect the Collateral or any portion thereof and to enforce any other right in respect of any Collateral, (e) to defend any suit, action or proceeding brought against the Grantor with respect to any Collateral, (f) to settle, compromise or adjust any suit, action or proceeding described in the preceding clause and, in connection therewith, to give such discharges or releases as Agent may deem appropriate, (g) to assign any Trademark (along with goodwill of the business to which such Trademark pertains), throughout the world for such term or terms, on such conditions, and in such manner, as Agent shall in its sole discretion determine, and (h) generally, to sell, transfer, pledge and make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though Agent were the absolute owner thereof for all purposes, and to do, at Agent's option and the Grantor's expense, at any time, or from time to time, all acts and things which Agent deems necessary to protect, preserve or realize upon the Collateral and the liens of Agent thereon and to effect the intent of this Security Agreement, all as fully and effectively as the Grantor might do. Grantor hereby ratifies all that said attorneys shall lawfully do or cause to be done by virtue hereof. This power of attorney is a power coupled with an interest and shall be irrevocable.

(b) Other Powers. Grantor also authorizes Agent, at any time and from time to time, to execute, in connection with the sale provided for in Section 8 hereof, any endorsements, assignments or other instruments of conveyance or transfer with respect to the Collateral.

(c) No Duty on the Part of Lender. The powers conferred on Lender hereunder are solely to protect the interests of Lender in the Collateral and shall not impose any duty upon Lender to exercise any such powers. Lender shall be accountable only for amounts that it actually receives as a result of the exercise of such powers, and neither it nor any of its partners, officers, directors, employees or agents shall be responsible to the Grantor for any act or failure to act hereunder, except for their own gross negligence or willful misconduct or failure to comply with mandatory provisions of applicable law.

6. Performance by Lender of Grantor's Obligations. If Grantor fails to perform or comply with any of its agreements contained herein and Lender, as provided for by the terms of this Security Agreement, shall itself perform or comply, or otherwise cause performance or compliance, with such agreement, the reasonable expenses of Lender incurred in connection with such performance or compliance, together with interest thereon at the highest default rate provided in the Note, shall be payable by the Grantor to Lender on demand and shall constitute Obligations secured hereby.

7. Proceeds. It is agreed that if an Event of Default shall occur and be continuing (a) all Proceeds received by Grantor consisting of cash, checks and other cash equivalents shall be held by the Grantor in trust for Lender, segregated from other funds of the Grantor, and shall, forthwith upon receipt by the Grantor, be turned over to Lender in the exact form received by Grantor (duly endorsed by Grantor to Lender, if required), and (1)) any and all such Proceeds received by Lender (whether from Grantor or otherwise) shall promptly be applied by Lender against, the Obligations (whether matured or unmatured), in the order set forth in the Loan Documents. Any balance of such Proceeds remaining after the Obligations shall have been paid in full shall be paid over to Grantor or to whomsoever may be lawfully entitled to receive the same.

8. Remedies. If an Event of Default shall occur and be continuing (subject to applicable cure periods and upon the notice provided for in the Loan Agreement), Lender, may exercise, in addition to all other rights and remedies granted to it in this Security Agreement and in any other instrument or agreement securing, evidencing or relating to the Obligations, all rights and remedies of a secured party under the UCC. Without limiting the generality of the foregoing, Lender without demand of performance or other demand, presentment, protest, advertisement or notice of any kind (except any notice required by law referred to below) to or upon Grantor or any other person (all and each of which demands, defenses, advertisements and notices are hereby waived), may in such circumstances forthwith collect, receive, appropriate and realize upon the Collateral, or any part thereof, and/or may forthwith sell, lease, assign, give option or options to purchase, or otherwise dispose of and deliver the Collateral or any part thereof (or contract to do any of the foregoing), in one or more parcels at public or private sale or sales, at any office of Lender or elsewhere upon commercially reasonable terms and conditions. Lender shall have the right upon any such public sale or sales, and, to the extent permitted by law, to purchase the whole or any part of the Collateral so sold, free of any right or equity of redemption in the Grantor, which right or equity is hereby waived or released. Grantor further agrees, at Lender's request, to assemble the Collateral and make it available to Lender at places which Lender shall reasonably select, whether at the Grantor's premises or elsewhere. Lender shall apply the net proceeds of any such collection, recovery, receipt, appropriation, realization or sale, after deducting all reasonable costs and expenses of every kind incurred therein or incidental to the care or safekeeping of any of the Collateral, including, without limitation, reasonable attorneys' fees and disbursements, to the payment in whole or in part of the Obligations, in the order provided in the Loan Agreement, and only after such application and after the payment by Lender of any other amount required by any provision of law, including, without limitation, Section 9-504(1)(c) of the UCC, need Lender account for the surplus, if any, to the Grantor. To the extent permitted by applicable law, Grantor waives all claims, damages and demands it may acquire against Lender arising out of the reasonable and proper exercise by them of any rights hereunder. If any notice of a proposed sale or other disposition of Collateral shall be required by law, such notice shall be deemed reasonable and proper if given at least fifteen (15) days before such sale or other disposition. Grantor shall remain liable for any deficiency if the proceeds of any sale or other disposition of the Collateral are insufficient to pay the Obligations and the reasonable fees and disbursements of any attorneys employed by Lender to collect such deficiency.

9. Limitation on Duties Regarding Preservation of Collateral. Lender's sole duty with respect to the custody, safekeeping and physical preservation of the Collateral in its possession,

under Section 9-207 of the UCC or otherwise, shall be to deal with it in a commercially reasonable manner and in the same manner as Lender would deal with similar property for its own account. Neither Lender nor any of its partners, directors, officers, employees or agents shall be liable for failure to demand, collect or realize upon all or any part of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of the Grantor or otherwise.

10. Powers Coupled with an Interest. All authorizations and agencies herein Contained with respect to the Collateral are irrevocable and powers coupled with an interest.

11. Severability. Any provision of this Security Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

12. Paragraph Headings. The paragraph headings used in this Security Agreement are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof.

13. No Waiver: Cumulative Remedies. Lender shall not by any act (except by a written instrument pursuant to Section 14 hereof), delay, indulgence, omission or otherwise be deemed to have waived any other right or remedy hereunder or to have acquiesced in any default or Event of Default or in any breach of any of the terms and conditions hereof. No failure to exercise, nor any delay in exercising, on the part of Lender, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by Lender of any right or remedy hereunder on any occasion shall not be construed as a bar to any right or remedy which Lender would otherwise have on any future occasion. The rights and remedies herein provided are cumulative, may be exercised singly or concurrently and are not exclusive of any rights or remedies provided by law.
