PATENT AND TRADEMARK SECURITY AGREEMENT

This Agreement is made as of June 23, 2010 by and among Wells Dairy, Inc., an Iowa corporation (the **"Borrower"**); and Wells Fargo Bank, National Association, a national banking association, for itself and as administrative agent (in such capacity, the **"Secured Party"**) for the Lender Parties, as defined in the Credit Agreement described below.

Pursuant to a Credit Agreement (together with all amendments, modifications and restatements of such agreement, the **"Credit Agreement"**) of even date herewith, among the Borrower, the Secured Party and the other Lender Parties, as defined therein, the Lender Parties have agreed to make advances to and issue letters of credit for the account of the Borrower.

As a condition to making any advance under the Credit Agreement, the Lender Parties have required the execution and delivery by the Borrower of a Security Agreement (together with all amendments, modifications and restatements of such Agreement, the **"Security Agreement"**) of even date herewith, pursuant to which the Borrower has granted the Secured Party a security interest in substantially all of its personal property.

Pursuant to the Security Agreement, the Borrower is required to execute and deliver this Agreement to the Secured Party.

ACCORDINGLY, in consideration of the mutual covenants contained in the Credit Agreement, the Security Agreement and this Agreement, the parties hereby agree as follows:

1. Definitions.

Terms defined in or pursuant to the Security Agreement and not otherwise defined herein shall have the meanings given them therein. In addition, the following terms have the meanings set forth below:

"Patent" means any patent or application for patent.

"Patent and Trademark Collateral" means all right, title and interest of the Borrower in and to the following, in each case whether now owned or hereafter acquired or arising:

(i) All Patents, including the Specified Patents.

(ii) All Trademarks, including the Specified Trademarks

(iii) All accounts and other rights to payment (including but not limited to payments of royalties) arising from or relating to any Patent or Trademark.

(iv) All rights to recover for all past, present, and future infringements, dilutions, pre-issuance recoveries and other violations of Patents and Trademarks.

(v) All present and future license agreements with respect to the Patents and Trademarks.

(vi) All proceeds of any and all of the foregoing.

"Specified Patent" means each of the Patents listed on Schedule A, together with all continuations, continuations-in-part, divisions, foreign counterparts, reissues, reexaminations, renewals and extensions thereof.

"Specified Trademark" means each of the Trademarks listed on Schedule B, together with all divisions, foreign counterparts, renewals and extensions thereof.

"Trademark" means any trademark, service mark, collective membership mark, and registration or application for registration of any trademark, service mark or collective membership mark, together with the goodwill associated therewith.

2. Grant of Security Interest.

In order to secure the Obligations, the Borrower hereby confirms and acknowledges that it has granted and created (and, to the extent not previously granted under the Security Agreement, does hereby irrevocably grant and create) a security interest in the Patent and Trademark Collateral.

3. Representations and Warranties.

The Borrower represents and warrants that (i) it owns each of the Specified Patents and Specified Trademarks, free and clear of any Lien other than Permitted Liens, and (ii) all material Patents and Trademarks owned by the Borrower are set forth on Schedule C.

4. General Rights and Obligations.

Except as expressly set forth herein, the rights and obligations of the Borrower and the Secured Party with respect to the Patent and Trademark Collateral shall in all respects be governed by the Credit Agreement and the Security Agreement, the terms of which are incorporated as fully as if set forth at length herein.

Signature pages follow

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date written above.

WELLS DAIRY, INC.

By: Mark A. Garth
