INTELLECTUAL PROPERTY SECURITY AGREEMENT

This INTELLECTUAL PROPERTY SECURITY AGREEMENT, dated as of December 22, 2010 (as amended, supplemented or otherwise modified from time to time, the "**Intellectual Property Security Agreement**"), is made by each of the signatories hereto (collectively, the "**Grantors**") in favor of BARCLAYS BANK PLC, as collateral agent (in such capacity, the "**Collateral Agent**") for the Secured Parties (as defined in the Credit Agreement referred to below).

WHEREAS, HARBOR FREIGHT TOOLS USA, INC., a Delaware corporation ("**Borrower**") and HFT HOLDINGS, INC., a Delaware corporation, have entered into a Credit Agreement, dated as of even date herewith (as amended, supplemented, replaced or otherwise modified from time to time, the "**Credit Agreement**"), with BARCLAYS BANK PLC, as Administrative Agent and Collateral Agent, and the lenders from time to time party thereto (the "**Lenders**").

WHEREAS, it is a condition precedent to the obligation of the Lenders to make their respective extensions of credit to Borrower under the Credit Agreement that the Grantors shall have executed and delivered that certain Pledge and Security Agreement, dated as of even date herewith, in favor of the Collateral Agent (as amended, supplemented, replaced or otherwise modified from time to time, the "**Pledge and Security Agreement**").

WHEREAS, under the terms of the Pledge and Security Agreement, the Grantors have granted a security interest in certain property, including, without limitation, certain Intellectual Property of the Grantors to the Collateral Agent for the ratable benefit of the Secured Parties, and have agreed as a condition thereof to execute this Intellectual Property Security Agreement for recording with the United States Patent and Trademark Office, the United States Copyright Office, and other applicable Governmental Authorities.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantors agree as follows:

SECTION 1. Definitions. Capitalized terms used and not defined herein have the meanings given such terms in the Credit Agreement.

SECTION 2. Grant of Security. Each Grantor hereby grants to the Collateral Agent, for itself and for the ratable benefit of the Secured Parties, a security interest and continuing lien on all of such Grantor's right, title and interest in and to the following (the "**Intellectual Property Collateral**"), as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of such Grantor's Obligations:

(a) all United States, state and foreign trademarks, service marks, certification marks, collective marks, trade names, corporate names, d/b/as, business names, fictitious business names, internet domain names, trade styles, logos, other source or business identifiers, designs and general intangibles of a like nature, rights of publicity and privacy pertaining to the right to use names, likeness and biographical data, all registrations and applications for any of the foregoing owned by any Grantor, including, but not limited to, the registrations and

applications referred to in Schedule 1 hereto (as such Schedule may be amended or supplemented from time to time), the goodwill of the business symbolized by the foregoing, the right to sue for past, present and future infringement or dilution of any of the foregoing or for any injury to goodwill, and all proceeds of the foregoing, including, without limitation, royalties, income, payments, claims, damages, and proceeds of suit (collectively, the "**Trademarks**");

(b) all United States, state and foreign patents and applications for letters patent owned by any Grantor, including, but not limited to, each patent and patent application referred to in Schedule 1 hereto (as such Schedule may be amended or supplemented from time to time), all reissues, divisions, continuations, continuations-in-part, extensions, renewals, and reexaminations of any of the foregoing, all rights corresponding thereto throughout the world, the right to sue for past, present and future infringements of any of the foregoing and all proceeds of the foregoing including, without limitation, royalties, income, payments, claims, damages, and proceeds of suit (collectively, the "**Patents**");

(c) all United States, state and foreign copyrights owned by any Grantor, including but not limited to copyrights in software and databases, and all Mask Works (as defined under 17 U.S.C. 901 of the U.S. Copyright Act), whether registered or unregistered, now or hereafter in force throughout the world, all registrations and applications for any of the foregoing including, without limitation, the applications referred to in Schedule 1 (as such Schedule may be amended or supplemented from time to time), all rights corresponding thereto throughout the world, all extensions and renewals of any thereof, the right to sue for past, present and future infringements of any of the foregoing, and all proceeds of the foregoing, including, without limitation, licenses, royalties, income, payments, claims, damages, and proceeds of suit (collectively, the "**Copyrights**");

(d) any and all agreements and licenses providing for the granting of any exclusive right in or to any Copyright registered in the United States Copyright Office, including each agreement referred to in Schedule 1 (as such schedule may be amended or supplemented from time to time) (collectively the "**Exclusive Copyright Licenses**").

(e) (i) all licenses or agreements, whether written or oral, providing for the grant by or to any Grantor of: (A) any right to use any Trademark or Trade Secret, (B) any right to manufacture, use or sell any invention covered in whole or in part by a Patent, and (C) any right under any Copyright including, without limitation, the grant of rights to manufacture, distribute, exploit and sell materials derived from any Copyright including, without limitation, any of the foregoing identified in Schedule 1, (ii) the right to sue or otherwise recover for any and all past, present and future infringements and misappropriations of any of the foregoing, (iii) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including, without limitation, payments under all licenses entered into in connection therewith, and damages and payments for past, present or future infringements thereof), and (iv) all other rights of any kind whatsoever of such Grantor accruing thereunder or pertaining thereto.

SECTION 3. Recordation. Each Grantor authorizes and requests that the Register of Copyrights, the Commissioner of Patents and Trademarks and any other applicable government officer record this Intellectual Property Security Agreement.

SECTION 4. Execution in Counterparts. This Intellectual Property Security Agreement may be executed in any number of counterparts (including by telecopy), each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

SECTION 5. Governing Law. This Intellectual Property Security Agreement shall be governed by, and construed and interpreted in accordance with, the law of the State of New York.

SECTION 6. Conflict Provision. This Intellectual Property Security Agreement has been entered into in conjunction with the provisions of the Pledge and Security Agreement and the Credit Agreement. The rights and remedies of each party hereto with respect to the security interest granted herein are without prejudice to, and are in addition to those set forth in the Pledge and Security Agreement and the Credit Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Intellectual Property Security Agreement are in conflict with the Pledge and Security Agreement or the Credit Agreement, the provisions of the Pledge and Security Agreement or the Credit Agreement shall govern.

[***Signature page to follow***]

IN WITNESS WHEREOF, each of the undersigned has caused this Intellectual Property Security Agreement to be duly executed and delivered as of the date first above written.
