WITNESSETH:

WHEREAS, pursuant to that certain Credit Agreement dated as of March 6, 2008 (as amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement") among AS America, Inc., a Delaware corporation ("AS America"), AS Logistics, Inc., a Delaware corporation ("AS Logistics"), AS Canada, ULC, a Nova Scotia unlimited liability company ("AS Canada"; collectively with AS America and AS Logistics, each a "Borrower" and collectively the "Borrowers"), ASD Holding Corp., a Delaware corporation, the lenders from time to time party thereto as "Lenders" ("Lenders"), Foothill, as a lender, arranger and an administrative agent for the Lenders (in such capacity, together with its permitted successors and assigns, if any, "US Administrative Agent"), US Collateral Agent, Wells Fargo Foothill Canada ULC, an Alberta unlimited corporation ("WFF Canada"), as an administrative agent for the Lenders (in such capacity, together with its permitted successors and assigns, if any, "Canadian Administrative Agent"), and WFF Canada, as a collateral agent for the Lender Group and the Bank Product Providers (in such capacity, together with its permitted successors and assigns, if any, "Canadian Collateral Agent"), the Lender Group is willing to make certain financial accommodations available to Borrowers from time to time pursuant to the terms and conditions thereof; and

WHEREAS, the members of the Lender Group are willing to make the financial accommodations to Borrowers as provided for in the Credit Agreement, but only upon the condition, among others, that Grantor and certain of its affiliates shall have executed and delivered to US Collateral Agent, for the benefit of Lender Group and the Bank Product Providers, that certain Security Agreement dated as of March 6, 2008 (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the "Security Agreement");

WHEREAS, pursuant to the Security Agreement, Grantor is required to execute and deliver to US Collateral Agent, for the benefit of Lender Group and the Bank Product Providers, this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor hereby agrees as follows:

1. DEFINED TERMS. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement and/or the Credit Agreement.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. To secure the Secured Obligations, Grantor hereby grants to US Collateral Agent, for the benefit of the Lender Group and the Bank Product Providers, a continuing first priority security interest (subject to Permitted Liens) in all of Grantor's right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (other than Excluded Property, including any "intent to use" trademark applications until such time as a verified statement of use is filed with, and accepted by, the United States Patent and Trademark Office or the applicable equivalent thereof) (collectively, the "Trademark Collateral"):

(a) all of its Trademarks, including those Trademarks referred to on Schedule I hereto, all renewals thereof, and all goodwill of the business symbolized by its Trademarks and connected therewith;

(b) all of its rights to sue for past, present and future infringements and dilutions of its Trademarks; and

(c) all products and proceeds of the foregoing, including, without limitation, all income, royalties, damages and payments now and hereafter due and/or payable under and with respect thereto, including, without limitation, payments under all licenses entered into in connection therewith and damages and payments for past or future infringements or dilutions thereof.

3. SECURITY AGREEMENT. The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with the security interests granted to US Collateral Agent, for the benefit of the Lender Group and the Bank Product Providers, pursuant to the Security Agreement. Grantor hereby acknowledges and affirms that the rights and remedies of US Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

4. AUTHORIZATION TO SUPPLEMENT. If Grantor shall obtain rights to any new trademarks, the provisions of this Trademark Security Agreement shall automatically apply thereto. Grantor shall give notice in writing to US Collateral Agent with respect to any such new trademarks or renewal or extension of any trademark registration in accordance with Section 6(g)(iv) of the Security Agreement. Without limiting Grantor's obligations under this Section 4, Grantor hereby authorizes US Collateral Agent unilaterally to modify this Agreement by amending Schedule I to include any such new trademark rights of Grantor. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate or detract from US Collateral Agent's continuing security interest in all Collateral, whether or not listed on Schedule I.

5. TERMINATION. Upon payment in full (as defined in the Security Agreement) of the Obligations in accordance with the provisions of the Credit Agreement

and termination or expiration of the Commitments, US Collateral Agent shall promptly, at Grantor's expense, execute, acknowledge and deliver to Grantor proper documents and instruments acknowledging the release of the lien and security interest in the Trademark Collateral under this Trademark Security Agreement. Upon the sale or disposition of any Trademark Collateral, the Security Interest in such Trademark Collateral shall be automatically released and terminated to the extent such sale or disposition is expressly permitted under the Credit Agreement, and at such time, US Collateral Agent will authorize the filing of appropriate termination statements to terminate such Security Interest.

6. COUNTERPARTS.
