Loan Agreement, written notice, with reasonable detail, following the occurrence of such Grantor's knowing, or having reason to know, (A) that any application or registration relating to any Intellectual Property may, become forfeited, abandoned or dedicated to the public, or (B) of any adverse determination or development (including, without limitation, the institution of, or any such determination or development in, any proceeding in the PTO, the Copyright Office or any court or tribunal) regarding such Grantor's ownership of, or the validity or enforceability of, any Intellectual Property or such Grantor's right to register the same or to own and maintain the same, except, in each case, where such forfeiture, abandonment, dedication, determination, development, or proceeding could reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

SECTION 5. Agreement Applies to Future Intellectual Property.

(a) The provisions of this Agreement shall automatically apply to any such additional property or rights described in Section 4(g) or in Section 4.16 of the Security Agreement, above, all of which shall be deemed to be and treated as "Intellectual Property" within the meaning of this Agreement. Following the acquisition by any Grantor of any additional Intellectual Property required to be reported (or notice given to) the Collateral Agent pursuant to the Security Agreement, such Grantor shall deliver to the Collateral Agent, concurrently with the delivery of the financial statements referred to in Sections 6.01(a), (b) and (c)(ii) of the Loan Agreement, an updated **EXHIBIT A**, **B**, and/or **C** (as applicable) to this Agreement and hereby authorizes the Collateral Agent to file, at such Grantor's expense, such updated Exhibit as set forth in Section 5(b).

(b) Each of the Grantors shall execute and deliver, and have recorded, any and all agreements, instruments, documents and papers as the Collateral Agent may reasonably request to evidence the Collateral Agent's security interest in any Intellectual Property (including, without limitation, filings with the PTO, the Copyright Office or any similar office), and each of the Grantors hereby constitutes the Collateral Agent as its attorney-in-fact to execute and file all such writings for the foregoing purposes, all such acts of such attorney being hereby ratified and confirmed; provided, however, that the Collateral Agent's taking of such action shall not be a condition to the creation or perfection of the security interest created hereby.

SECTION 6. Grantors' Rights To Enforce Intellectual Property. Prior to the occurrence of an Event of Default, so long as such Grantors are acting in accordance with Section 4.16(b) of the Security Agreement with respect to such infringement actions, the Grantors shall have the exclusive right to sue for past, present and future infringement of the Intellectual Property, including the right to seek injunctions and/or money damages in an effort by the Grantors to protect the Intellectual Property against encroachment by third parties, provided, however, that:

(a) The Grantors provide the Collateral Agent with written notice of the Grantors' institution of any legal proceedings for enforcement of any Intellectual

Property, the infringement of which could reasonably be expected to have a Material Adverse Effect.

(b) Any money damages awarded or received by the Grantors on account of such suit (or the threat of such suit) shall constitute IP Collateral.

(c) Upon the occurrence and during the continuance of any Event of Default, the Collateral Agent, by notice to the Grantors, may terminate or limit the Grantor's rights under this Section 6.

SECTION 7. Collateral Agent's Actions To Protect Intellectual Property. In the event of:

(a) any Grantor's failure to perform or observe any of such Grantor's covenants, agreements or other obligations hereunder; and/or

(b) the occurrence and continuance of any other Event of Default,

the Collateral Agent, acting in its own name or in that of any Grantor, may (but shall not be required to) act in any Grantor's place and stead and/or in the Collateral Agent's own right in connection therewith.

SECTION 8. Rights Upon Default. Upon the occurrence and during the continuance of an Event of Default, in addition to all other rights and remedies under this Agreement and the other Loan Documents, the Collateral Agent may exercise all rights and remedies of a secured party under the Uniform Commercial Code as adopted in the State of New York or under other applicable Law, with respect to the Intellectual Property, in addition to which the Collateral Agent may sell, license, assign, transfer, or otherwise dispose of the Intellectual Property, subject to those restrictions to which such Grantor is subject under applicable Law and by contract. Any Person may conclusively rely upon an affidavit of an officer of the Collateral Agent that an Event of Default has occurred and that the Collateral Agent is authorized to exercise such rights and remedies; provided, however, such an affidavit is not required to exercise any such rights and remedies or for any such Person to rely on the Collateral Agent or any officer, agent or representative thereof. Upon the occurrence and during the continuance of an Event of Default, the use by the Collateral Agent of all Patents, Trademarks, Copyrights, Licenses and other Intellectual Property shall be worldwide and without any liability for royalties or other related charges from the Collateral Agent to the Grantors.

SECTION 9. Collateral Agent As Attorney-In-Fact.

(a) Each of the Grantors hereby irrevocably makes, constitutes and appoints the Collateral Agent (and all officers, employees or agents designated by the Collateral Agent) as and for such Grantor's true and lawful agent and attorney-in-fact, and in such capacity the Collateral Agent shall have the right, with power of substitution for each

REEL: 004816 FRAME: 0603

Grantor and in each Grantor's name or otherwise, for the use and benefit of the Collateral Agent and the other Credit Parties:

(i) To supplement and amend from time to time **EXHIBITS A, B** and **C** of this Agreement to include any newly developed, applied for, registered, or acquired Intellectual Property of such Grantor and any intent-to-use Trademark applications for which a statement of use or an amendment to allege use has been filed and accepted by the PTO;

(ii) To exercise any of the rights and powers referenced herein; and

(iii) Upon the occurrence and during the continuance of an Event of Default, to execute all such instruments, documents, and papers as the Collateral Agent reasonably determines to be necessary or desirable in connection with the exercise of such rights and remedies and to cause the sale, license, assignment, transfer, or other disposition of the Intellectual Property, subject to those restrictions to which such Grantor is subject under applicable Law and by contract.

(b) The power of attorney granted herein, being coupled with an interest, shall be irrevocable until this Agreement is terminated in accordance with Section 13.

(c) The Collateral Agent shall not be obligated to do any of the acts or to exercise any of the powers authorized by Section 9(a), but if the Collateral Agent elects to do any such act or to exercise any of such powers, it shall not be accountable for more than it actually receives as a result of such exercise of power, and shall not be responsible to any Grantor for any act or omission to act, except where a court of competent jurisdiction determines by final and nonappealable judgment that the subject act or omission to act has resulted from the gross negligence or willful misconduct of the Collateral Agent.

SECTION 10. Collateral Agent's Rights. Any use by the Collateral Agent of the Intellectual Property, as authorized hereunder in connection with the exercise of the Collateral Agent's rights and remedies under this Agreement, the Loan Agreement and the Security Agreement, shall be coextensive with the Grantor's rights thereunder and with respect thereto and without any liability for royalties or other related charges.

SECTION 11. Intent. This Agreement is being executed and delivered by the Grantors for the purpose of registering and confirming the grant of the security interest of the Collateral Agent in the IP Collateral with the PTO and the Copyright Office. It is intended that the security interest granted pursuant to this Agreement is granted as a supplement to, and not in limitation of, the Security Interest (as defined in the Security Agreement) granted to the Collateral Agent, for its own benefit and the benefit of the other Credit Parties, under the Security Agreement. All provisions of the Security Agreement (including, without limitation, the rights, remedies, powers, privileges and discretions of the Collateral Agent thereunder) shall apply to this

TRADEMARK
REEL: 004816 FRAME: 0604

Agreement and the IP Collateral, as applicable. The provisions of this Agreement are supplemental to the provisions of the Security Agreement, and nothing contained in this Agreement shall limit any of the rights or remedies of the Collateral Agent under the Security Agreement or limit any of the representations, warranties or covenants of the Grantors under the Security Agreement. In the event of a conflict between this Agreement and the Security Agreement, the terms of this Agreement shall control with respect to the IP Collateral and the terms of the Security Agreement shall control with respect to all other Collateral.

SECTION 12. Further Assurances. Each Grantor agrees, at its own expense, to execute, acknowledge, deliver and cause to be duly filed all such further documents, financing statements, agreements and instruments and take all such further actions as the Collateral Agent may from time to time reasonably request to better assure, preserve, protect and perfect the security interest or Lien in the IP Collateral granted pursuant to this Agreement and the rights and remedies created hereby or the validity or priority of such security interest or Lien, including the payment of any fees and taxes required in connection with the execution and delivery of this Agreement, the granting of the security interest or Lien and the filing of any financing statements or other documents in connection herewith or therewith. The obligations under this Section 12 shall not apply to actions associated with requirements of the laws of jurisdictions outside the United States.

SECTION 13. Termination; Release of IP Collateral. Except for those provisions which expressly survive the termination thereof, this Agreement and the security interest or Lien granted herein shall terminate when all of the Secured Obligations have been indefeasibly paid in full in cash (other than contingent indemnification obligations for which no claim has been asserted), at which time the Collateral Agent shall execute and deliver to the Grantors, at the Grantors' expense, all UCC termination statements, releases and similar documents that the Grantors shall reasonably request to evidence such termination; provided, however, that the Loan Agreement, this Agreement, and the security interest or Lien granted herein shall be immediately and automatically reinstated if at any time payment, or any part thereof, of any Secured Obligation is rescinded or must otherwise be restored by any Credit Party upon the bankruptcy or reorganization of any Grantor. Any execution and delivery of termination statements, releases or other documents pursuant to this Section 13 shall be without recourse to, or warranty by, the Collateral Agent or any other Credit Party.

SECTION 14. GOVERNING LAW. IT IS INTENDED THAT ALL RIGHTS AND OBLIGATIONS UNDER THIS AGREEMENT, INCLUDING MATTERS OF CONSTRUCTION, VALIDITY, AND PERFORMANCE, SHALL BE GOVERNED BY THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO CONFLICTS OF LAW PRINCIPLES THEREOF, BUT INCLUDING SECTION 5-1401 OF THE NEW YORK GENERAL OBLIGATIONS LAW.

SECTION 15. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed

TRADEMARK
REEL: 004816 FRAME: 0605

counterpart of a signature page of this Agreement by telecopy, e-mail or other electronic method of transmission shall be effective as delivery of a manually executed counterpart of this Agreement.

SECTION 16. Headings. Section headings used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

SECTION 17. Notices. All communications and notices hereunder shall (except as otherwise expressly permitted herein) be in writing and given as provided in Section 10.02 of the Loan Agreement.

SECTION 18. Survival of Agreement. All covenants, agreements, representations and warranties made by each Grantor herein and in any other Loan Document and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the Collateral Agent and the other Credit Parties and shall survive the execution and delivery of this Agreement and the other Loan Documents and the making of any Loans or other extensions of credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Collateral Agent, any Lender or any other Credit Party may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended under the Loan Agreement, and shall continue in full force and effect unless terminated in accordance with Section 13 hereof.

SECTION 19. Binding Effect; Several Agreement; Assignments. Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the successors and assigns of such party, and all covenants, promises and agreements by or on behalf of each Grantor that are contained in this Agreement shall bind and inure to the benefit of each Grantor and its respective successors and assigns. This Agreement shall be binding upon each Grantor and the Collateral Agent and their respective successors and assigns, and shall inure to the benefit of each Grantor, the Collateral Agent and the other Credit Parties and their respective successors and assigns, except that no Grantor shall have the right to assign or transfer its rights or obligations hereunder or any interest herein or in the Collateral (and any such attempted assignment or transfer shall be void) except as expressly permitted by this Agreement or the Loan Agreement and any such prohibited assignment or transfer by a Grantor shall be absolutely void *ab initio*. This Agreement shall be construed as a separate agreement with respect to each Grantor and may be amended, modified, supplemented, waived or released with respect to any Grantor without the approval of any other Grantor and without affecting the obligations of any other Grantor hereunder. This Agreement is a Loan Document.

SECTION 20. Waivers; Amendment.

(a) The rights, remedies, powers, privileges, and discretions of the Collateral Agent hereunder (herein, the "Collateral Agent's Rights and Remedies") shall be

TRADEMARK
REEL: 004816 FRAME: 0606

cumulative and not exclusive of any rights or remedies which it would otherwise have. No delay or omission by the Collateral Agent in exercising or enforcing any of the Collateral Agent's Rights and Remedies shall operate as, or constitute, a waiver thereof. No waiver by the Collateral Agent of any Default or Event of Default or of any default under any other agreement shall operate as a waiver of any other Default or Event of Default or of any other default hereunder or under any other agreement. No single or partial exercise of any of the Collateral Agent's Rights or Remedies, and no express or implied agreement or transaction of whatever nature entered into between the Collateral Agent and any Person, at any time, shall preclude the other or further exercise of the Collateral Agent's Rights and Remedies. No waiver by the Collateral Agent of any of the Collateral Agent's Rights and Remedies on any one occasion shall be deemed a waiver on any subsequent occasion, nor shall it be deemed a continuing waiver. The Collateral Agent's Rights and Remedies may be exercised at such time or times and in such order of preference as the Collateral Agent may determine. The Collateral Agent's Rights and Remedies may be exercised without resort or regard to any other source of satisfaction of the Secured Obligations. No waiver of any provisions of this Agreement or any other Loan Document or consent to any departure by any Grantor therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) below, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on any Grantor in any case shall entitle such Grantor or any other Grantor to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to a written agreement entered into between the Collateral Agent and the Grantor or Grantors with respect to whom such waiver, amendment or modification is to apply, subject to any consent required in accordance with Section 10.01 of the Loan Agreement.

SECTION 21. Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

SECTION 22. Marshaling. The Collateral Agent shall not be required to marshal any present or future collateral security (including but not limited to the IP Collateral) for, or other assurances of payment of, the Secured Obligations or any of them or to resort to such collateral security or other assurances of payment in any particular order, and all of its rights and remedies hereunder and in respect of such collateral security and other assurances of payment shall be cumulative and in addition to all other rights and remedies, however existing or arising. To the extent that it lawfully may, each Grantor hereby agrees that it will not invoke any law relating to the marshaling of collateral which might cause delay in or impede the enforcement of the Collateral Agent's rights and remedies under this Agreement, the other Loan Documents or

TRADEMARK
REEL: 004816 FRAME: 0607

under any other instrument or agreement creating or evidencing any of the Secured Obligations or under which any of the Secured Obligations is outstanding or by which any of the Secured Obligations is secured or payment thereof is otherwise assured, and, to the extent that it lawfully may, each Grantor hereby irrevocably waives the benefits of all such laws.

SECTION 23. Collateral Agent. Each reference herein to any right granted to, benefit conferred upon or power exercisable by the "Collateral Agent" shall be a reference to the Collateral Agent, for the benefit of itself and each other Credit Party.

SECTION 24. Merger; Integration. THIS AGREEMENT, TOGETHER WITH THE OTHER LOAN DOCUMENTS, REPRESENTS THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES. THERE ARE NO UNWRITTEN AGREEMENTS BETWEEN THE PARTIES.

SECTION 25. Construction. Neither this Agreement nor any uncertainty or ambiguity herein shall be construed against any Credit Party or any Grantor, whether under any rule of construction or otherwise. This Agreement has been reviewed by all parties and shall be construed and interpreted according to the ordinary meaning of the words used so as to accomplish fairly the purposes and intentions of all parties hereto.

SECTION 26. Incorporation by Reference. All of the exhibits attached to this Agreement shall be deemed incorporated herein by reference.

SECTION 27. Jurisdiction; Venue; Service of Process; Jury Trial Waiver. AGREEMENTS WITH RESPECT TO JURISDICTION, VENUE, SERVICE OF PROCESS AND JURY TRIAL WAIVER SHALL BE THE SAME AS SET FORTH IN THE SECURITY AGREEMENT AND SHALL BE GOVERNED BY THE PROVISIONS IN THE SECURITY AGREEMENT.

SECTION 28. Security Interest Absolute. All rights of the Collateral Agent hereunder, the security interests and Liens granted hereby and all obligations of each Grantor hereunder shall be absolute and unconditional irrespective of (a) any lack of validity or enforceability of the Loan Agreement, any other Loan Document, any agreement with respect to any of the Secured Obligations or any other agreement or instrument relating to any of the foregoing, (b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Secured Obligations, or any other amendment or waiver of or any consent to any departure from the Loan Agreement, any other Loan Document, or any other agreement or instrument, (c) any exchange, release or non-perfection of any Lien on other collateral, or any release or amendment or waiver of or consent under or departure from the Guaranty or any other guarantee, securing or guaranteeing all or any of the Secured Obligations, or (d) any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Grantor in respect of the Secured Obligations or this Agreement.

SECTION 29. Intercreditor Agreement. Notwithstanding anything herein to the contrary, the security interest granted to the Collateral Agent, for the benefit of the Credit Parties, herein and the exercise of any right or remedy by the Collateral Agent hereunder are subject to the provisions of the Intercreditor Agreement. In the event of any conflict between the terms of the Intercreditor Agreement and this Agreement, the terms of the Intercreditor Agreement shall govern and control. Notwithstanding the foregoing, each Grantor expressly acknowledges that notwithstanding the fact that the exercise of certain of the Collateral Agent's and the other Credit Parties' rights under this Agreement and the other Loan Documents may be subject to the Intercreditor Agreement, no action taken or not taken by the Collateral Agent or any other Credit Party in accordance with the terms of the Intercreditor Agreement shall constitute, or be deemed to constitute, a waiver by the Collateral Agent or any other Credit Party of any rights such Person has with respect to any Grantor under any Loan Document and except as specified herein, nothing contained in the Intercreditor Agreement shall be deemed to modify any of the provisions of this Agreement and the other Loan Documents, which, as among the other Grantors, the Collateral Agent and the other Credit Parties, shall remain in full force and effect. If and to the extent the ABL Agent is in possession or control of any ABL Priority Collateral, the ABL Agent shall be deemed for all purposes to be holding such ABL Priority Collateral as the representative of and for the benefit of the Collateral Agent, on behalf of the Credit Parties. So long as the ABL Agent is acting as bailee and as agent for perfection on behalf of the Collateral Agent pursuant to the terms hereof, any obligation of any Grantor in this Agreement that requires endorsement or delivery of any ABL Priority Collateral to, or the possession or control of any ABL Priority Collateral by, the Collateral Agent shall be deemed to be complied with and satisfied if such endorsement or delivery of such ABL Priority Collateral is made to, or such possession or control of such ABL Priority Collateral is by, the ABL Agent.
