WHEREAS, the Grantors are party to that certain Pledge and Security Agreement dated as of August 1, 2012 (as it may be amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "**Pledge and Security Agreement**") by and among Hologic, Inc., a Delaware corporation (the "**Borrower**"), the Grantors, certain other subsidiaries of the Borrower and the Collateral Agent, pursuant to which the Grantors are required to execute and deliver this Trademark Security Agreement;

2.2 *Certain Limited Exclusions.* Notwithstanding anything herein to the contrary, in no event shall the Trademark Collateral include or the security interest granted under Section 2.1 hereof attach to any "**intent-to-use**" application for Trademark registration filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. §1051, prior to the filing under Section 1(c) or Section 1(d) of the Lanham Act of a "**Statement of Use**" or an "**Amendment to Allege Use**" with respect thereto, solely to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein prior to such filing would impair the validity or enforceability of any registration that issues from such intent-to-use Trademark application under applicable federal law.
