WITNESSETH:

WHEREAS, Agent and Grantor are party to that certain Trademark Security Agreement, dated as of September 10, 2010 (the "**Security Agreement**"; capitalized terms which are not defined herein have the meanings given to such terms in the Security Agreement), recorded with the United States Patent and Trademark Office on September 10, 2010 at Reel 004276, Frame 0371, pursuant to which Grantor granted a security interest to Agent in, and a collateral assignment to Agent of, among other things, the Trademark registrations and Trademark applications (and intellectual property relating to same) of Grantor, including, without limitation, the Trademark registrations and Trademark applications (and intellectual property relating to same) set forth on Exhibit A attached hereto;

WHEREAS, Grantor has requested that Agent release its security interest in certain of the Trademark registrations and Trademark applications of Grantor and reassign the same to Grantor; and

WHEREAS, Agent has agreed to terminate and release the entirety of its security interest in and to Grantor's Trademark registrations and Trademark applications.

NOW THEREFORE, for good and valuable consideration, receipt and sufficiency of which are hereby acknowledged, Agent hereby states as follows:
