EXECUTION VERSION

GRANT OF SECURITY INTEREST IN UNITED STATES TRADEMARKS

Trademark Security Agreement, dated as of May 14, 2013, by and between the entity listed on the signature page hereto (the "Grantor"), in favor of CREDIT SUISSE AG, in its capacity as Collateral Agent pursuant to the Credit Agreement dated as of May 14, 2013 (in such capacity, the "Grantee").

W I T N E S S E T H:

WHEREAS, the Grantor is party to a Security Agreement dated as of May 14, 2013 as amended, restated, supplemented or otherwise modified from time to time (the "Security Agreement") in favor of the Grantee pursuant to which the Grantor is required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Grantee, for the benefit of the Secured Parties, to enter into the Credit Agreement, the Grantor hereby agrees with the Grantee as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. The Grantor hereby pledges and grants to the Grantee for the benefit of the Secured Parties a lien on and security interest in and to all of its right, title and interest in, to and under all the Trademarks of the Grantor including, without limitation, those items listed on Schedule I attached hereto and all Proceeds of any and all of the foregoing; provided that with respect to any Trademarks, applications in the United States Patent and Trademark Office to register Trademarks on the basis of the Grantor's "intent to use" such Trademarks will not be deemed to be Collateral unless and until a "Statement of Use" or "Amendment to Allege Use" has been filed and accepted in the United States Patent and Trademark Office, whereupon such application shall be automatically subject to the security interest granted herein and deemed to be included in the Collateral.

SECTION 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in connection with the Security Agreement and is expressly subject to the terms and conditions thereof. The Grantor hereby acknowledges and affirms that the rights and remedies of the Grantee with respect to the security interest in the Trademarks made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. The Security Agreement (and all rights and remedies of the Secured Parties thereunder) shall remain in full force and effect in accordance with its terms. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control.

SECTION 4. Purpose. This Agreement has been executed and delivered by the Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office.

SECTION 5. Termination. Upon the payment in full of the Obligations and termination of the Security Agreement, the Grantee shall, at the reasonable request of the Grantor, execute,

TRADEMARK
REEL: 005027 FRAME: 0653

acknowledge, and deliver to the Grantor an instrument in writing in recordable form releasing the collateral pledge, grant, lien and security interest in the Trademarks listed on Schedule I attached hereto.

SECTION 6. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Trademark Security Agreement by signing and delivering one or more counterparts. Delivery by telecopier or by electronic pdf copy of an executed counterpart of a signature page to this Trademark Security Agreement shall be effective as delivery of an original executed counterpart of this Trademark Security Agreement.

SECTION 7. Intercreditor Agreement. Notwithstanding anything herein to the contrary, the lien and security interest granted to the Collateral Agent pursuant to this Agreement and the exercise of any right or remedy by the Collateral Agent hereunder are subject to the provisions of the Intercreditor Agreement, dated as of May 14, 2013 (as amended, supplemented or otherwise modified from time to time, the "Intercreditor Agreement"), among Wells Fargo Bank, National Association, as First Lien Agent, Credit Suisse AG, as Second Lien Agent, and Performance Food Group, Inc. and certain of its affiliates. In the event of any conflict between the terms of the Intercreditor Agreement and this Agreement, the terms of the Intercreditor Agreement shall govern.

[signature page follows]
