SECOND PRIORITY TRADEMARK SECURITY AGREEMENT

THIS SECOND PRIORITY TRADEMARK SECURITY AGREEMENT, dated as of December 18, 2013, is made by each of the entities listed on the signature pages hereof (each a "Grantor" and, collectively, the "Grantors"), in favor of General Electric Capital Corporation ("GE Capital"), as administrative agent (in such capacity, together with its successors and permitted assigns in such capacity, the "Agent") for the Secured Parties (as defined in the Credit Agreement referred to below) and the other Secured Parties.

W I T N E S S E T H:

WHEREAS, pursuant to the ABL Credit Agreement, dated as of November 25, 2013 (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), by and among HH GLOBAL II B.V., a Netherlands corporation, HH GROUP HOLDING US, INC., a Delaware corporation, HERITAGE HOME GROUP LLC (the "Borrower"), the other Credit Parties party thereto, the Lenders from time to time party thereto and Agent, the Lenders have severally agreed to make extensions of credit to the Borrower upon the terms and subject to the conditions set forth therein;

WHEREAS, each Grantor (other than the Borrower) has agreed, pursuant to a ABL Guaranty and Security Agreement dated November 25, 2013 in favor of Agent (and such agreement may be amended, restated, supplemented or otherwise modified from time to time, the "Guaranty and Security Agreement"), to guarantee the Obligations (as defined in the Credit Agreement) of the Borrower; and

WHEREAS, all of the Grantors are party to the Guaranty and Security Agreement pursuant to which the Grantors are required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Lenders and Agent to enter into the Credit Agreement and to induce the Lenders to make their respective extensions of credit to the Borrower thereunder, each Grantor hereby agrees with Agent as follows:

Section 1. Defined Terms. Capitalized terms used herein without definition are used as defined in the Guaranty and Security Agreement.

Section 2. Grant of Security Interest in Trademark Collateral. Each Grantor, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Secured Obligations of such Grantor, hereby mortgages, pledges and hypothecates to Agent for the benefit of the Secured Parties, and grants to Agent for the benefit of the Secured Parties a second priority Lien on and security interest in, all of its right, title and interest in, to and under the following Collateral of such Grantor (the "Trademark Collateral"):

TRADEMARK
REEL: 005179 FRAME: 0652

(a) all of its Trademarks, including, without limitation, those referred to on Schedule 1 hereto;

(b) all renewals and extensions of the foregoing;

(c) all goodwill of the business connected with the use of, and symbolized by, each such Trademark; and

(d) all income, royalties, proceeds and Liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including, without limitation, all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof.

Notwithstanding the foregoing, no Lien or security interest is or will be granted with respect to any Trademark that is the subject of a pending intent-to-use application unless and until a Statement of Use has been filed with and accepted by the United States Patent and Trademark Office with respect to such application.

This Lien and security interest are second in priority to a lien and security interest granted by, *inter alia*, HHG Global Designs LLC in favor of KPS Special Situations Fund III (A), LP.

Section 3. Guaranty and Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to Agent pursuant to the Guaranty and Security Agreement and each Grantor hereby acknowledges and agrees that the rights and remedies of Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Guaranty and Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

Section 4. Grantor Remains Liable. Each Grantor hereby agrees that, anything herein to the contrary notwithstanding, such Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with their Trademarks and IP Licenses subject to a security interest hereunder.

Section 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart.

Section 6. Governing Law. This Trademark Security Agreement and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the law of the State of New York.

[*Remainder of Page Intentionally Left Blank*]
