further instruments of assignment consistent with the present assignment and that may be reasonably required to evidence or effectuate the assignment of the Intellectual Property, including but not limited to Addendum A, attached hereto, and to maintain and enforce the Intellectual Property in all countries, and (b) take or cause to be taken all such other actions, as may reasonably be deemed necessary or desirable in order for Assignee to obtain the full benefits of the present assignment of all the Intellectual Property and to maintain and enforce the Intellectual Property in all countries.

Assignor hereby constitutes and appoints Assignee as Assignor's true and lawful attorney in fact, with full power of substitution in Assignor's name and stead, to take any and all steps, including proceedings at law, in equity or otherwise, to execute, acknowledge, and deliver any and all instruments and assurances necessary, or expedient, in order to vest or perfect the aforesaid rights and causes of action more effectively in Assignee, or to protect the same, or to enforce any claim or right of any kind with respect thereto. This includes, but is not limited to, any rights with respect to the Intellectual Property that may have accrued in Assignor's favor from the respective date of first use of any of the Intellectual Propertyto the Effective Date of this Assignment. Assignor hereby declares that the foregoing power is coupled with an interest and as such is irrevocable.

Each party represents that it has the power and authority to enter into this Intellectual Property Assignment Agreement. If any term of this Assignment is held void, voidable, invalid, inoperative or unenforceable for any reason, the remainder of such term shall be amended to achieve as closely as possible the effect of the original term, and all other terms shall continue in full force and effect.

This agreement shall be deemed effective only as of the date on which it has been fully executed by all parties (the "***Effective Date***"). It may be executed in any number of identical counterparts, each of which shall be deemed an original, but all of which when taken together, shall constitute one and the same instrument.
