GRANT OF SECURITY INTEREST
IN UNITED STATES TRADEMARKS

FOR GOOD AND VALUABLE CONSIDERATION, receipt and sufficiency of which are hereby acknowledged, each signatory identified on the signature pages hereto (each, a "Grantor" and together, the "Grantors") hereby grants to GOLDMAN SACHS BANK USA, as Collateral Agent, with principal offices at 200 West Street, New York, NY 10282 (the "Grantee"), a continuing security interest in (i) all of such Grantor's right, title and interest in, to and under the United States trademarks, trademark registrations and trademark applications (collectively, the "Marks") set forth on Schedule A attached hereto, (ii) all rights and privileges arising under applicable law with respect to such Grantor's use of the Marks, (iii) all reissues, continuations, extensions and renewals of the Marks and amendments thereto, (iv) income, fees, royalties, damages and payments now and hereafter due and/or payable with respect to any of the Marks, including damages, claims and payments for past, present or future infringements of the Marks, (v) all rights corresponding to the Marks throughout the world, (vi) all the goodwill of the business with which the Marks are associated and (vii) rights to sue for past, present and future infringements or dilutions of the marks or other injuries thereto.

THIS GRANT is made to secure the payment or performance, as the case may be, in full of the Secured Obligations, as such term is defined in the ABL Pledge and Security Agreement dated as of April 30, 2014 among the Grantors, the other grantors from time to time party thereto and the Grantee (as amended, modified, restated and/or supplemented from time to time, the "Pledge and Security Agreement").

This Grant has been granted in conjunction with the security interest granted to the Grantee under the Pledge and Security Agreement. The rights and remedies of the Grantee with respect to the security interest granted herein are as set forth in the Pledge and Security Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Grant are deemed to conflict with the Pledge and Security Agreement, the provisions of the Pledge and Security Agreement shall govern.

Notwithstanding anything herein to the contrary, the Liens granted to the Collateral Agent pursuant to this Grant and the exercise of the rights and remedies of the Collateral Agent hereunder and under any other Collateral Document, are subject to the provisions of the ABL Intercreditor Agreement. In the event of any conflict between the terms of the ABL Intercreditor Agreement and this Grant or any other Collateral Document, the terms of the ABL Intercreditor Agreement shall govern and control. Notwithstanding anything to the contrary herein, the Collateral Agent acknowledges and agrees that the Grantors shall not be required to take or refrain from taking any action at the request of the Collateral Agent with respect to the Collateral if such action or inaction would be inconsistent with the terms of the ABL Intercreditor Agreement.

IN WITNESS WHEREOF, the undersigned have executed this Grant as of the 30th day of April, 2014.
