RELEASE OF INTELLECTUAL PROPERTY SECURITY INTERESTS

This Release of Intellectual Property Security Interests is made this 4th day of August, 2014 ("Effective Date"), by Credit Suisse AG, Cayman Islands Branch (formerly known as Credit Suisse), with a place of business at 11 Madison Ave., New York, New York 10010, acting through one or more of its branches or any Affiliate (as this term is defined in the Security Agreement referred to below) thereof, as collateral agent (hereinafter " the Collateral Agent"), in favor of the Persons listed on Schedule A hereof (collectively, hereinafter the "Grantors").

WHEREAS, each Grantor has executed and delivered that certain First Lien Security Agreement dated July 26, 2007, made by Grantors to the Collateral Agent (as amended, amended and restated, supplemented or otherwise modified from time to time, the "Security Agreement");

WHEREAS, under the terms of the Security Agreement, the Grantors have granted to the Collateral Agent, for the ratable benefit of the Secured Parties (as this term is defined in the Security Agreement), a security interest in, among other property, certain intellectual property of Grantors (defined therein as "Collateral"), and signed as a condition thereof an intellectual property security agreement entitled "First Lien Intellectual Property Security Agreement," dated July 26, 2007 (hereinafter "First Lien IP Security Agreement"), which was recorded with the U.S. Patent and Trademark Office in the patent assignment records on August 21, 2007, starting at reel/frame 019725/0073 and in the trademark assignment records on August 21, 2007, starting at reel/frame 3606/0001;

WHEREAS, a supplement to the First Lien IP Security Agreement was executed on May 24, 2013, to include additional intellectual property (defined therein as "Additional Collateral"), entitled "First Lien Intellectual Property Security Agreement Supplement" (hereinafter "First Lien Supplement"), which was recorded with the U.S. Patent and Trademark Office in the trademark assignment records on May 24, 2013, starting at reel/frame 5035/0028; and

WHEREAS, Grantors have fully satisfied in relevant part the Obligations as set forth in the First Lien IP Security Agreement, the First Lien Supplement and the other Loan Documents and the Collateral Agent has agreed to release and discharge its security interest in the Collateral and the Additional Collateral, including, but not limited to, the Intellectual Property listed on Schedule B attached hereto.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound hereby, the Collateral Agent hereby releases, discharges and remits to Grantors any and all right, title and interest in and to all of the Collateral and the Additional Collateral, including the Intellectual Property listed on Schedule B attached hereto (the "Secured Intellectual Property"), arising in connection with the First Lien IP Security Agreement and the First Lien Supplement, and hereby authorizes Grantors' authorized representative to record this Release of Intellectual Property Security Interests with the United States Patent and Trademark Office, the U.S. Copyright Office and any other governmental office as applicable.

This release is executed by the Collateral Agent without representation or warranty of any kind.

This Release of Intellectual Property Security Interests may be executed in any number of counterparts, and signature pages may be detached from multiple separate counterparts and attached to a single counterpart so that all signature pages are physically attached to the same document. A telecopy or email transmission of any such executed counterpart signature page shall be deemed valid with the same force and effect as if an original had been delivered.

IN WITNESS WHEREOF, the Collateral Agent, duly executes this Release of Security by its duly authorized officers as of the Effective Date.

Credit Suisse AG, Cayman Islands Branch,
