TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT (this "Assignment") is made effective as of this 17th day of December, 2013 (the "Effective Date") by and between Brooklyn Water Enterprises, Inc., a corporation organized and existing under the laws of Florida ("Assignor") and BWE Conversion, Inc., a corporation organized and existing under the laws of Florida and its successors, assigns and legal representatives (collectively "Assignee").

WHEREAS, Assignor is the owner of all rights, title and interest in and to the trademarks registered and pending in the United States Patent and Trademark Office, registered and pending foreign trademark applications, and common law trademarks and service marks (collectively, the "Marks") as listed on Schedule A attached hereto; and

WHEREAS, the Marks have been exclusively licensed to Brooklyn Water Bagel Franchise Co., Inc. (the "License"); and

WHEREAS, Assignor desires to sell, transfer, assign and set over unto Assignee, and Assignee desires to accept, all rights, title and interest in and to the Marks as specified in this Assignment, in each case, subject to the License.

NOW, THEREFORE, in consideration of the mutual covenants and agreements of the Parties, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, it is hereby agreed as follows:

(1) Assignor hereby sells, transfers, assigns and sets over to Assignee, Assignor's entire right, title and interest (for all countries) in and to the Marks, and all the rights and privileges under any Marks that may be granted therefor, together with the goodwill of the business associated with the Marks; and all applications for intellectual property protection, including without limitation, all applications for Marks which may hereafter be filed for said Marks in any country or countries, together with the right to file such applications and the right to claim for the same the priority rights derived from the Marks under the laws of the United States, or any international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all applications for intellectual property protection, including, without limitation, all applications for marks which may hereafter be filed for said Marks in any country or countries, together with the right to file such applications; and all forms of intellectual property protection, which may be granted for said Marks in any country or countries.

(2) Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States and any official of any country or countries foreign to the United States, whose duty is to issue Marks or other evidence or forms of intellectual property on applications as aforesaid, to issue the same to Assignee, it successors, assigns and legal representatives, or to such nominees as it may designate.

(3) Assignor agrees that, at any time, upon the reasonable request of the Assignee, Assignor will execute and deliver all papers, take all rightful oaths, and do all acts which may be necessary or desirable to secure and maintain protection on the Marks throughout all countries of the world and for vesting title thereto in Assignee, its successors, assigns and legal representatives or nominees, and otherwise to do the necessary to give full effect to and to perfect the rights of the Assignee under this Assignment, including the execution, delivery and procurement of any and all further documents evidencing this Assignment, transfer and sale as may be necessary or desirable; provided, that Assignee shall reimburse Assignor for any out-of-pocket costs or expenses in connection therewith.

TRADEMARK
REEL: 005383 FRAME: 0769

(4) Assignor hereby covenants that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this Assignment.

(5) Assignor further covenants that at any time, upon the reasonable request of the Assignee, Assignee will be provided promptly with all pertinent facts and documents relating to the Marks and legal equivalents as may be known and accessible to Assignor and will testify as to the same in any interference, litigation or proceeding related thereto and will promptly execute and deliver to Assignee, its successors, assigns and legal representatives or nominees, any and all papers, instruments or affidavits required to apply for, obtain, maintain, issue and enforce said Marks and said equivalents thereof which may be necessary or desirable to carry out the purposes thereof.

(6) Assignor authorizes and empowers Assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any application for trademark, service mark or other form of protection for the Marks, the benefit of the right of priority provided by the laws of any country or countries, or by any convention which may henceforth be substituted for it, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable, and to invoke and claim such right of priority without further written or oral authorization from Assignor.

[*Signature page immediately follows*]

IN WITNESS WHEREOF, the parties to this Assignment, intending to be legally bound, have caused this Assignment to be duly executed as of the Effective Date.
