SECURITY INTEREST IN TRADEMARKS

This GRANT OF SECURITY INTEREST IN TRADEMARKS (this "Agreement"), dated as of November 13, 2014, is made by Pabst Brewing Company, LLC, a Delaware limited liability company (the "Grantor"), in favor of UBS AG, Stamford Branch, as collateral agent (in such capacity, the "Collateral Agent") for the several banks and other financial institutions (the "Lenders") from time to time parties to the First Lien Credit Agreement, dated as of November 13, 2014 (as amended, restated, amended and restated, supplemented or otherwise modified, replaced or refinanced from time to time, the "First Lien Credit Agreement"), among Blue Ribbon Intermediate Holdings, LLC, a Delaware limited liability company ("Holdings"), Blue Ribbon, LLC (the "Borrower"), the Lenders party thereto, and the Collateral Agent, as the Administrative Agent and the Collateral Agent.

W I T N E S S E T H:

WHEREAS, pursuant to the First Lien Credit Agreement, the Lenders have severally agreed to make loans to the Borrower, the Swingline Lender to make the Swingline Loans and the Letter of Credit Issuers have agreed to issue Letters of Credit for the account of the Borrower and the Restricted Subsidiaries upon the terms and subject to the conditions set forth therein;

WHEREAS, in connection with the First Lien Credit Agreement, each Grantor, Holdings, the Borrower and any Subsidiaries that become a party thereto, have executed and delivered a First Lien Security Agreement, dated as of November 13, 2014 in favor of the Collateral Agent (together with all amendments and modifications, if any, from time to time thereafter made thereto, the "First Lien Security Agreement");

WHEREAS, pursuant to the First Lien Security Agreement, Grantor has pledged and granted to the Collateral Agent for the benefit of the Collateral Agent and the Secured Parties continuing security interest in all Intellectual Property, including the Trademarks, that are not Excluded Property; and

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Lenders to make loans and the Swingline Lender to make the Swingline Loans and the Letter of Credit Issuers to issue Letters of Credit for the account of the Borrower and the Restricted Subsidiaries and to induce one or more Lenders or Affiliates of Lenders to enter into Secured Cash Management Agreements or Secured Hedge Agreements with Holdings and/or its Restricted Subsidiaries, Grantor agrees, for the benefit of the Collateral Agent and the Secured Parties as follows:

1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the First Lien Credit Agreement and the First Lien Security Agreement.

2. Grant of Security Interest. Grantor hereby grants a security interest in all of Grantor's right, title and interest in, to and under the Trademarks that are not Excluded Property (including, without limitation, those items listed on Schedule A hereto), including the goodwill associated with such Trademarks and the right to receive all Proceeds therefrom (collectively, the "Collateral"), to the Collateral Agent for the benefit of the Secured Parties as collateral security for payment and performance when due of the Obligations; provided that, applications in the United States Patent and Trademark Office to register trademarks or service marks on the basis of Grantor's "intent to use" such trademarks or service marks will not be deemed to be Collateral unless and until an amendment to allege use or a statement of use has been filed and accepted by the United States Patent and Trademark Office, whereupon such application shall be automatically subject to the security interest granted herein and deemed to be included in the Collateral.

3. Purpose. This Agreement has been executed and delivered by Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted to the Secured Parties in connection with the First Lien Security Agreement and is expressly subject to the terms and conditions thereof. The First Lien Security Agreement (and all rights and remedies of the Secured Parties thereunder) shall remain in full force and effect in accordance with its terms.

4. Acknowledgment. Grantor does hereby further acknowledge and affirm that the rights and remedies of the Secured Parties with respect to the security interest in the Collateral granted hereby are more fully set forth in the First Lien Credit Agreement and the First Lien Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the First Lien Security Agreement, the terms of the First Lien Security Agreement shall govern.

5. Counterparts. This Agreement may be executed in counterparts (including by facsimile or other electronic transmission), each of which will be deemed an original, but all of which together constitute one and the same original.

6. Governing Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.
