Without limiting the generality of the foregoing, this Trademark Security Agreement secures the payment of all amounts which constitute part of the Secured Obligations and would be owed by Grantors, or any of them, to Collateral Agent, the Secured Parties, or any of them, whether or not they are unenforceable or not allowable due to the existence of an Insolvency Proceeding involving any Grantor.

4. **SECURITY AGREEMENT.** The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with the security interests granted to Collateral Agent, for the benefit of the Secured Parties, pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

5. **AUTHORIZATION TO SUPPLEMENT.** If any Grantor shall obtain rights to any additional trademarks or ownership of any new U.S. applications for registration of trademarks (other than any intent-to-use trademark application constituting Excluded Property) included in the Collateral, the provisions of this Trademark Security Agreement shall automatically apply thereto. Grantors shall give notice in writing to Collateral Agent within such time limit set forth in the Security Agreement with respect to any such new trademarks for which such Grantor files an application for registration with the U.S. Patent and Trademark Office or the renewal or extension of any trademark registration. Without limiting Grantors' obligations under this Section 5, Grantors hereby authorize Collateral Agent unilaterally to modify this Agreement by amending Schedule I to include any new trademark rights and registered or applied for trademarks of Grantors. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate, or detract from Collateral Agent's continuing security interest in all Collateral, whether or not listed on Schedule I.

6. **COUNTERPARTS.** This Trademark Security Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such separate counterparts shall together constitute but one and the same agreement. In proving this Trademark Security Agreement or any other Credit Document in any judicial proceedings, it

shall not be necessary to produce or account for more than one such counterpart signed by the party against whom such enforcement is sought. Any signatures delivered by a party by facsimile transmission or other electronic transmission shall be deemed an original signature hereto.

7. **GOVERNING LAW.** This Trademark Security Agreement shall be construed in accordance with and governed by the laws of the State of New York

[Remainder of Page Intentionally Left Blank]

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security Agreement to be duly executed and delivered by its officer or officers thereunto duly authorized as of the date first above written.
