**AMENDMENT AND SUPPLEMENT TO**
**NOTICE OF GRANT OF SECURITY INTEREST IN TRADEMARK RIGHTS**

THIS AMENDMENT AND SUPPLEMENT TO NOTICE OF GRANT OF SECURITY INTEREST IN TRADEMARK RIGHTS (this "Agreement"), dated as of February 24, 2015, is made by and among **BIG TIME PRODUCTS, LLC**, a Georgia limited liability company ("Big Time Products"), and **BIG TIME HOLDINGS, INC.**, a Georgia corporation ("Holdings"; Big Time Products and Holdings, each a "Grantor" and collectively, the "Grantors") and **JPMORGAN CHASE BANK, N.A.**, a national banking association, in its capacity as administrative agent (together with its successors and assigns in such capacity, "Administrative Agent") for various financial institutions (collectively, the "Lenders"), with an office at 3475 Piedmont Road NE, 18th Floor, Atlanta, Georgia 30305.

WHEREAS, pursuant to that certain Notice of Grant of Security Interest in Trademark Rights, dated as of December 27, 2013 and recorded at Reel 005185 and Frame 0467 with the United States Patent and Trademark Office on January 2, 2014 (the "Original Grant of Security"), each of Big Time Products and Holdings granted a security interest to Administrative Agent in certain trademarks and other rights and assets of the Grantors;

WHEREAS, the parties desire to enter into this Agreement to evidence certain amendments and supplements to the Original Grant of Security and provide for other matters, more fully described herein;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, the parties hereto agree as follows:

1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings given such terms or provided by reference in the Original Grant of Security and the Security Agreement referred to therein.

2. Continued Lien in Transferred Trademarks. The parties hereto acknowledge that Holdings has, on or before the date hereof, assigned and transferred to Big Time Products all of its right, title and interest in, to and under such Holdings' Trademarks, including, without limitation, all trademarks (including service marks), trade names, trade dress, and trade styles and the registrations and applications for registration thereof and the goodwill of the business symbolized by the foregoing including, without limitation, all of those trademark applications and trademarks listed on Schedule I attached hereto (the "Transferred Marks"). The parties acknowledge and accept that such transfer was made subject to Administrative Agent's security interest and lien on the assets of both Grantors. Big Time Products is now the owner of the Transferred Marks. On the date hereof (after the transfer of the Transferred Marks to Big Time Products), by separate instrument, Administrative Agent is, on terms and conditions more fully set forth in such separate instrument, releasing its liens and security interests on the assets of Holdings. Such release shall not limit Administrative Agent's continuing security interest and lien on the Transferred Marks owned by Big Time Products. Schedule A to the Original Grant of Security shall be deemed updated and supplemented by Schedule I attached hereto, including to reflect Big Time Products as the owner of the Transferred Marks. Holdings shall be deemed to no longer be a party to the Original Grant of Security, effective on the date hereof but without limiting Administrative Agent's continuing security interest and lien in the Transferred Marks and without constituting an accord and satisfaction or novation of any obligations otherwise owing in connection with the Credit Agreement and the Security Agreement referred to in each of the Original Grant of Security.

3. Supplement to Notice of Grant of Security Interest. The Original Grant of Security is hereby amended and supplemented by adding the trademarks and trademark applications contained on Schedule II to this Agreement to Schedule A to the Original Grant of Security.

4. Additional Notice of Grant of Security Interest. To secure the prompt payment and performance of the Secured Obligations, Big Time Products hereby pledges, assigns, grants and re-grants to Administrative Agent a continuing security interest in and Lien upon all of its right, title and interest to Trademarks, including, without limitation, the trademarks and trademark applications listed on Schedule A attached to the Original Grant of Security, as amended and supplemented hereby.

5. Acknowledgment. Each assignment, grant of security interest and other rights provided to Administrative Agent by, together with all obligations, covenants and liabilities of, Big Time Products in the Original Grant of Security are hereby reaffirmed. This Agreement has been executed and delivered by each Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted to the Administrative Agent in connection with the Security Agreement and is expressly subject to the terms and conditions thereof. The Security Agreement (and all rights and remedies of Administrative Agent thereunder) shall remain in full force and effect in accordance with its terms.

6. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic transmission shall be effective as delivery of a manually executed counterpart of this Agreement.
