RELEASE OF SECURITY INTEREST IN TRADEMARK RIGHTS

This RELEASE OF SECURITY INTEREST IN TRADEMARK RIGHTS (this "Release") is made as of June 23, 2015 (the "Effective Date") by JPMorgan Chase Bank, N.A., a national banking association, as Administrative Agent (in such capacity, the "Agent") for the several banks and other financial institutions or entities (the "Lenders"), parties to the Credit Agreement, dated as of July 1, 2013 (as amended, supplemented or otherwise modified from time to time, the "Credit Agreement"), among AOL Inc., a Delaware Corporation (the "Borrower"), the Lenders from time to time parties thereto, and the Agent, in favor of the grantors listed on Schedule A hereto (each individually, a "Grantor", and collectively, the "Grantors").

W I T N E S S E T H:

WHEREAS, in furtherance of that certain Guarantee and Collateral Agreement, dated as of July 1, 2013, executed and delivered by the Grantors in favor of the Agent (as amended, supplemented or otherwise modified from time to time, the "Security Agreement"), and pursuant to the terms and conditions of that certain Grant of Security Interest in Trademark Rights, effective as of July 1, 2013 (the "Trademark Security Agreement"), the Grantors pledged and granted to the Agent for the benefit of the Agent and the Lenders a security interest in all of the Grantors' right, title and interest in, to and under all the trademarks and trademark applications set forth on Schedule A hereto (collectively, the "Trademarks");

WHEREAS, the Trademark Security Agreement was recorded with the United States Patent and Trademark Office on August 2, 2013, at Reel/Frame number **5082/0015**; and

WHEREAS, the Agent acknowledges full performance of the Obligations, and accordingly now desires to release its security interest in the Trademarks.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantors hereby covenant and agree with the Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. Release of Security Interest in Trademarks.

The Agent hereby absolutely, unconditionally and irrevocably terminates, releases, and discharges its security interest in the Trademarks granted pursuant to the Security Agreement and the Trademark Security Agreement, and hereby reassigns to the Grantors all such right, title, and interest the Agent may have (if any) in, to and under the Trademarks pursuant to the Security Agreement and the Trademark Security Agreement.

At the sole cost and expense of the Borrower, the Agent agrees to take such further action as may be reasonably requested by Borrower, from time to time, to effectuate and carry out the provisions and intent of this Release.

The parties hereto authorize and request the Director of Patents and Trademarks of the United States of America or her delegate to record this Release against the Trademarks. The Agent hereby represents and warrants that it has full authority to execute and deliver this Release.

SECTION 3. Governing Law. This Release shall be governed by and construed in accordance with the laws of the State of New York.

SECTION 4. Counterparts. This Release may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Release by signing and delivering one or more counterparts.

[signature page follows]

IN WITNESS WHEREOF, the Agent has caused this Release to be executed and delivered by its duly authorized representative as of the Effective Date.

JPMORGAN CHASE BANK, N.A.,
as Agent
