TRADEMARK ASSIGNMENT AGREEMENT

THIS TRADEMARK ASSIGNMENT AGREEMENT (this "Assignment"), effective as of June 29, 2015 (the "Effective Date"), is between SLL, Inc., a Florida corporation ("Assignor") and Crestview Apparel Holdings, L.P., a Delaware limited partnership ("Assignee").

Reference is made to (a) the Second Lien Credit Agreement (as amended, supplemented or otherwise modified from time to time, the "Credit Agreement"), dated January 6, 2014, among Apparel Holding I Corporation, a Delaware corporation ("Holdings"), Apparel Holding II Corporation, a Delaware corporation (the "Additional Crestview Buyer"), NYDJ Apparel, LLC, a New York limited liability company (the "Borrower"), and the Assignor, (b) the Second Lien Collateral Agreement, dated January 6, 2014 (as amended, supplemented or otherwise modified from time to time, the "Collateral Agreement"), among the Borrower, the other grantors from time to time party thereto and the Assignor and (c) the Second Lien Trademark Security Agreement, dated January 6, 2014 (as amended, supplemented or otherwise modified from time to time, the "Trademark Security Agreement"), between the Borrower and the Assignor.

WHEREAS, Assignor and Assignee are parties to that certain Assignment and Assumption Agreement, dated as of the date hereof (the "Assignment and Assumption Agreement"), pursuant to which Assignor has assigned to Assignee all of Assignor's rights and obligations as Lender (as defined in the Credit Agreement) with respect to Loans (as defined in the Credit Agreement) outstanding under the Credit Agreement as of the date hereof and all of Assignor's rights and obligations, in any other capacity, under the Second Lien Loan Documents (as defined in the Credit Agreement), including, all of Assignor's right, title and interest in, to and under the registered trademarks and applications for trademarks listed in the attached Schedule A (the "Assigned Trademarks");

WHEREAS, Assignee desires to acquire the Assigned Trademarks, and Assignor desires to assign the Assigned Trademarks to Assignee.

NOW, THEREFORE, for good and valuable consideration, the sufficiency and receipt of which are hereby acknowledged:

1. Assignor hereby sells, assigns and transfers to Assignee its entire worldwide right, title and interest in, to and under the Assigned Trademarks, together with all goodwill associated therewith, the same to be held and enjoyed by Assignee for Assignee's own use and enjoyment and the use and enjoyment of Assignee's successors, assigns and other legal representatives as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment and sale had not been made, as assignee of Assignor's entire right, title and interest therein, including, without limitation, all rights in and to all income, royalties, damages and payments now or hereafter due or payable with respect thereto, all causes of action (whether in law or in equity) with respect thereto, and the right to sue, counterclaim, and recover for past, present and future infringement, misappropriation or dilution of the rights assigned under this Assignment.

2. This Assignment is binding upon, and inures to the benefit of, the parties and their respective legal representatives, successors and assigns.

3. Assignor hereby requests the U.S. Commissioner of Patents and Trademarks and/or the applicable foreign authorities to record this Assignment.

4. It is understood that any finding of invalidity of one assignment as effected hereby shall not affect the assignment of other Assigned Trademarks.

5. All questions concerning the construction, validity and interpretation of this Assignment and the performance of the obligations imposed by this Assignment shall be governed by, and construed in accordance with, the laws of the State of New York without regard to the choice of law principles thereof.

6. Upon reasonable request by Assignee, and at Assignor's sole cost and expense, Assignor shall execute additional documents and take other actions as may be necessary or desirable to record or memorialize the assignments of the Assigned Trademarks set forth herein, and to vest in Assignee such right, title, and interest in, to and under the Assigned Trademarks as sold, assigned and transferred to Assignee hereunder.

7. No waiver, modification or change of any of the provisions of this Assignment shall be valid unless in writing and signed by the party against whom such claimed waiver, modification or change is sought to be enforced.

8. This Assignment may be executed in any number of counterparts each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

[THE REMAINDER OF THIS PAGE IS INTENTIONALLY LEFT BLANK]

Execution Version

IN WITNESS WHEREOF, the parties hereto, through their authorized representatives, have caused this Assignment to be duly executed and delivered as of the Effective Date.
