EXECUTION VERSION

TRADEMARK ASSIGNMENT

This **TRADEMARK ASSIGNMENT** (the "Assignment"), dated as of April 28, 2016 (the "Effective Date"), is by and between Pinnacle Entertainment, Inc., a Delaware corporation ("Assignor"), and PNK Entertainment, Inc., a Delaware corporation ("Assignee") (each, a "Party" and collectively, the "Parties"). All capitalized terms used, but not defined herein, shall have the meanings ascribed to such terms in the Purchase Agreement (defined herein below).

WHEREAS, Assignor has agreed to sell, convey, assign, and transfer to Assignee all of Assignor's right, title, and interest in and to the trademark applications and registrations set forth on Schedule A hereto (collectively, the "Assigned Marks"); and

WHEREAS, Assignee has agreed to receive the sale, conveyance, assignment, and transfer of all of Assignor's right, title, and interest in and to the Assigned Marks.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

1. Conveyance. Assignor does hereby sell, convey, assign and transfer to Assignee all of Assignor's right, title and interest in and to (a) the Assigned Marks, together with the goodwill symbolized thereby and, with regard to any Assigned Marks that are intent to use applications, the Parties acknowledge that the portion of Assignor's business in respect of which Assignor has a bona fide intent to use such marks is also being transferred, and (b) all benefits, privileges, causes of action, common law rights, and remedies relating thereto throughout the world, including all of Assignor's rights to: (i) apply for and maintain all registrations, renewals and/or extensions thereof, (ii) bring actions and recover damages for past, present and future infringement or other violation thereof and (iii) grant licenses or other interests therein.

2. Recordation. Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks and any other applicable governmental entity or registrar (including any applicable foreign or international office or registrar), to record Assignee as the owner of the Assigned Marks, and to issue any and all Assigned Marks to Assignee, as assignee of Assignor's entire right, title and interest in, to, and under the same. Assignee shall have the right to record this Assignment with all applicable governmental authorities and registrars so as to perfect its ownership of the Assigned Marks.

3. Further Assurances. Assignor shall provide Assignee, its successors, assigns or other legal representatives, reasonable cooperation and assistance at Assignee's request and expense (including the execution and delivery of any and all affidavits, declarations, oaths, exhibits, assignments, powers of attorney or other documentation as may be reasonably required) as are reasonably requested by Assignee to effect, register, or maintain the rights assigned herein, including: (a) the preparation and prosecution by Assignee of any applications or registrations

assigned herein and (b) the prosecution or defense by Assignee of any interference, opposition, reexamination, reissue, infringement or other proceedings that may arise in connection with any of the rights assigned herein, including testifying as to the fact of the assignment of rights hereunder.

4. Third Party Beneficiaries. This Agreement is for the sole benefit of the parties hereto and their permitted successors and assigns, and nothing herein express or implied shall give or be construed to give to any Person, other than the parties hereto and such permitted successors and assigns, any legal or equitable rights hereunder.

5. Severability. If any provision of this Agreement or the application of any such provision to any Person or circumstance shall be held invalid, illegal or unenforceable in any respect by a court of competent jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision hereof.

6. Governing Law. This Agreement, and all claims or causes of action (whether at law, in contract or in tort or otherwise) that may be based upon, arise out of or relate to this Agreement or the negotiation, execution or performance hereof, shall be governed by and construed in accordance with the laws of the State of Delaware, without giving effect to any choice or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Delaware.

7. Counterparts. This Agreement may be executed in counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument, and shall become effective when one or more counterparts have been signed by each of the parties and delivered (by telecopy, electronic delivery or otherwise) to the other parties. Signatures to this Agreement transmitted by facsimile transmission, by electronic mail in "portable document format" (".pdf") form, or by any other electronic means intended to preserve the original graphic and pictorial appearance of a document, will have the same effect as physical delivery of the paper document bearing the original signature.
