TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT, dated as of April 28, 2016 (as it may be further amended, restated, amended and restated, extended, renewed, supplemented or otherwise modified from time to time, this "Agreement"), is made by the entities identified as grantors on the signature pages hereto (collectively, the "Grantors") in favor of JPMORGAN CHASE BANK, N.A., as Collateral Agent ("Collateral Agent") under the Security Agreement for the benefit of the Secured Parties with reference to the following facts:

RECITALS

The Grantors are party to that certain Security Agreement dated as of April 28, 2016 (as it may be further amended, restated, amended and restated, extended, renewed, supplemented or otherwise modified from time to time, the "Security Agreement"), between each of the Grantors, the other grantors party thereto and the Collateral Agent, pursuant to which the Grantors granted a security interest to the Collateral Agent in the Trademark Collateral (as defined below) and are required to execute and deliver this Agreement.

NOW THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Grantors hereby agree with the Collateral Agent as follows:

AGREEMENT

SECTION 1. DEFINED TERMS

Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement (including by reference to other agreements).

SECTION 2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL

SECTION 2.1 Grant of Security. For valuable consideration, as collateral security for the timely payment and performance in full of the Secured Obligations, each Grantor hereby grants to Collateral Agent, for the benefit of the Secured Parties, a continuing lien on and security interest in and to all of the right, title and interest of such Grantor in, to and under all presently existing and hereafter arising or acquired United States and foreign trademarks, trade names, trade styles, corporate names, company names, business names, fictitious business names, Internet domain names, service marks, certification marks, collective marks, logos, other source or business identifiers, designs and general intangibles of a like nature, all registrations and applications for any of the foregoing, including, but not limited to: (i) the registrations and applications referred to in Schedule A; (ii) all extensions or renewals of any of the foregoing; (iii) all of the goodwill of the business connected with the use of and symbolized by the foregoing; (iv) the right to sue for past, present and future infringement or dilution of any of the foregoing or for any injury to goodwill; and (v) all Proceeds of the foregoing, including, without limitation, licenses, royalties, income, payments, claims, damages, and proceeds of suit (collectively, the "Trademark Collateral").

SECTION 2.2 Certain Limited Exclusions. Notwithstanding anything herein to the contrary, this Agreement shall not, at any time, constitute a grant of a security interest in any property that is, at such time, Excluded Assets; provided, that Proceeds and rights to Proceeds of Excluded Assets shall not be so excluded and shall constitute part of the Collateral (unless themselves constituting Excluded Assets).

SECTION 3. SECURITY AGREEMENT

The security interest granted pursuant to this Agreement is granted in conjunction with the security interest granted to the Collateral Agent for the benefit of Collateral Agent and the Secured Parties pursuant to the Security Agreement, and the Grantors hereby acknowledge and affirm that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control.

SECTION 4. GOVERNING LAW

THIS AGREEMENT AND ANY CLAIMS, CONTROVERSIES, DISPUTES, OR CAUSES OF ACTION (WHETHER ARISING UNDER CONTRACT LAW, TORT LAW OR OTHERWISE) BASED UPON OR RELATING TO THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK WITHOUT GIVING EFFECT TO ANY CHOICE OF LAW PRINCIPLES THAT WOULD APPLY THE LAWS OF ANOTHER JURISDICTION.

SECTION 5. COUNTERPARTS

This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or electronic mail shall be effective as delivery of a manually executed counterpart of this Agreement.

SECTION 6. RECORDATION

Each Grantor authorizes and requests that the Commissioner for Trademarks and any other applicable government officer record this Agreement.

[Remainder of Page Intentionally Left Blank]

IN WITNESS WHEREOF, each Grantor has caused this Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
