ASSIGNMENT OF TRADEMARKS

This **ASSIGNMENT OF TRADEMARKS** (this **Assignment**) dated November 21, 2016, is made by and between ACH Food Companies, Inc., a Delaware corporation (**Assignor**), and B&G Foods North America, Inc., a Delaware corporation (**Assignee** and, together with Assignor, the **Parties**).

WHEREAS, pursuant to that certain Asset Purchase Agreement, dated as of September 21, 2016 (the **Asset Purchase Agreement**), by and among Assignor, Assignee, Associated British Foods plc, a public limited company organized under the laws of England & Wales, and B&G Foods, Inc., a Delaware corporation, the Assignor assigned, transferred and conveyed to Assignee, among other things, all of Assignor's right, title, and interest in, to and under those trademarks, trademark registrations and trademark applications set forth on Schedule A attached hereto and the unregistered trademarks set forth on Schedule B hereto (collectively the **Trademarks**), including the goodwill and the portion of the ongoing and existing business operations associated exclusively therewith.

WHEREAS, in accordance with and subject to the terms of the Asset Purchase Agreement, the Parties wish to execute this Agreement for the purpose of assigning, transferring and conveying the Trademarks to Assignee.

WHEREAS, terms used but not defined herein shall have the meanings assigned to such terms in the Asset Purchase Agreement.

NOW, THEREFORE, in consideration of the promises contained herein and in the Asset Purchase Agreement, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties, intending to be legally bound, agree as follows:

1. Assignor hereby assigns, transfers and conveys to Assignee, and Assignee hereby accepts, all of Assignor's right, title, and interest in, to and under the Trademarks, together with the goodwill and the portion of the ongoing and existing business operations associated exclusively therewith, including all of Assignor's rights under applicable Law or international convention, and all claims, remedies and causes of action to recover damages for past, present and future infringement or other violation of the Trademarks.

2. Assignor hereby authorizes the relevant authority at the United States Patent and Trademark Office and at corresponding agencies in relevant jurisdictions to record this Assignment.

3. There are no restrictions, promises, representations, warranties, agreements or undertakings of any party hereto with respect to the transactions contemplated by this Assignment or the Asset Purchase Agreement other than those set forth herein or therein. In the event of any conflict between the provisions of this Assignment, on the one hand, and the provisions of the Asset Purchase Agreement (including the Schedules and Exhibits thereto), on the other hand, the provisions of the Asset Purchase Agreement shall control.

4. This Assignment may be executed in one or more counterparts, all of which will be considered one and the same instrument, and will become effective when one or more counterparts have been signed by each of the Parties hereto and delivered, in person or by facsimile or by electronic image scan, receipt acknowledged in each case, to the other party to this Assignment.

5. The laws of the State of New York, without reference to its conflicts of law principles (other than Section 5-1401 of the General Obligations Law of the State of New York), govern all matters arising out of this Assignment and any disputes arising under or related hereto (whether for breach of contract, tortious conduct or otherwise).

6. Assignor shall take such further actions and execute such further documents as may be reasonably necessary or reasonably requested by Assignee in order to effectuate the intent of this Assignment and to provide Assignee in all material respects with the intended benefits of this Assignment.
