SECTION 2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. Each Grantor hereby grants to the Collateral Agent, for the benefit of the Secured Parties, a security interest in and continuing lien on all of such Grantor's right, title and interest in, to and under the following, whether now owned or existing or hereafter acquired or arising and wherever located:

(a) all trademarks, service marks, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, now existing or hereafter adopted or acquired, all registrations thereof (if any), and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office or any similar offices in any State of the United States or any other country or any political subdivision thereof (except for "intent-to-use" applications for trademark or service mark registrations filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051, unless and until an Amendment to Allege Use or a Statement of Use under Sections 1(c) and 1(d) of Lanham Act has been filed, to extent, if any, that any assignment of an "intent-to-use" application prior to such filing would violate the Lanham Act), including, but not limited to, the registrations and applications referred to on Schedule A hereto (as such schedule may be amended or supplemented from time to time);

(b) all renewals thereof,

(c) all goodwill associated therewith or symbolized thereby,

(d) all claims for, and rights to sue for, past or future infringements of any of the foregoing; and

(e) all income, royalties, damages and payments now or hereafter due and payable with respect to any of the foregoing, including damages and payments for past or future infringement thereof.

SECTION 3. PRECEDENCE. The security interest granted hereby is granted in conjunction with the security interest granted to the Secured Parties under the Collateral Agreement. The rights and remedies of the Secured Parties with respect to the security interest granted hereby are in addition to those set forth in the Collateral Agreement. In the event of any conflict between the terms of this Agreement and the terms of the Collateral Agreement, the terms of the Collateral Agreement shall control.

SECTION 5. MODIFICATION OF AGREEMENT. This Agreement or any provision hereof may not be changed, waived or terminated except (i) in accordance with the amendment provisions of the Collateral Agreement pursuant to which (subject to the provisions of the First Priority Notes Indenture and the Intercreditor Agreements) the Collateral Agent may modify this Agreement, after obtaining the relevant Grantor's approval of or signature to such modification, or (ii) by the Collateral Agent amending Schedule A hereto to include reference to any right, title or interest in any existing Trademarks or any Trademarks acquired or developed by such Grantor after the execution hereof or to delete any reference to any right, title or interest in any Trademarks in which such Grantor no longer has or claims any right, title or interest.

SECTION 6. GENERAL.

(a) Governing Law. **THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.**

(b) Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the Secured Parties and Grantors and their respective successors and assigns. No Grantor shall, without the prior written consent of the Secured Parties, assign any right, duty or obligation hereunder.

(c) Counterparts. This Agreement may be executed in any number of counterparts and by the parties hereto on separate counterparts, each of which, when so executed, shall be deemed to be an original and all of which taken together shall constitute one and the same instrument.

(d) Intercreditor Agreements. Notwithstanding anything herein to the contrary, the liens and security interests granted to the Collateral Agent pursuant to this Agreement are expressly subject to the terms of (a) the Senior Lender Intercreditor Agreement (as defined in the First Priority Notes Indenture), (b) the Second Priority Intercreditor Agreement (as defined in the First Priority Notes Indenture) and (c) the Senior Fixed Collateral Intercreditor Agreement (as defined in the First Priority Notes Indenture).
