TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (this "Trademark Security Agreement") is made this 28th day of April, 2020, by the Persons listed on the signature pages hereof as "Grantors" (each, a "Grantor" and collectively, the "Grantors"), and **LANDRY'S FERTITTA, LLC**, a Texas limited liability company with offices at 1510 West Loop South Houston, Texas 77027-9505, for the benefit of the Purchaser Group (in such capacity, together with its successors and assigns in such capacity, "Purchaser").

W I T N E S S E T H:

WHEREAS, pursuant to that certain Note Purchase Agreement dated as of April 28, 2020 (as amended, restated, supplemented, modified, renewed or extended from time to time, the "Note Purchase Agreement"), among Company and Purchaser, Purchaser has agreed to purchase the Notes from the Company pursuant to the terms and conditions thereof; and

WHEREAS, the members of the Purchaser Group are willing to make the financial accommodations to Company as provided for in the Note Purchase Agreement, but only upon the condition, among others, that Grantors shall have executed and delivered to Purchaser, for the benefit of the Purchaser Group, that certain Security Agreement, dated as of April 28, 2020 (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented, modified, renewed or extended, the "Security Agreement"); and

WHEREAS, pursuant to the Security Agreement, Grantors are required to execute and deliver to Purchaser, for the benefit of Purchaser Group, this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

DEFINED TERMS. All initially capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement or, if not defined therein, in the Note Purchase Agreement.

GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. Each Grantor hereby unconditionally grants, assigns, and pledges to Purchaser, for the benefit of each member of the Purchaser Group, to secure the Secured Obligations, a continuing security interest (referred to in this Trademark Security Agreement as the "Security Interest") in all of such Grantor's right, title and interest in and to the following, whether now owned or hereafter acquired or arising (collectively, the "Trademark Collateral"):

all of its Trademarks and Trademark Intellectual Property Licenses (to the extent such Trademark Intellectual Property Licenses do not constitute Excluded Collateral) to which it is a party including those referred to on Schedule I;

all goodwill of the business connected with the use of, and symbolized by, each Trademark and each Trademark Intellectual Property License (to the extent such Trademark Intellectual Property Licenses do not constitute Excluded Collateral); and

all products and proceeds (as that term is defined in the Code) of the foregoing, including any claim by such Grantor against third parties for past, present or future (i) infringement or dilution of any Trademark or any Trademarks exclusively licensed under any Intellectual Property License, including right

to receive any damages, (ii) injury to the goodwill associated with any Trademark, or (iii) right to receive license fees, royalties, and other compensation under any Trademark Intellectual Property License.

SECURITY FOR SECURED OBLIGATIONS. This Trademark Security Agreement and the Security Interest created hereby secures the payment and performance of the Secured Obligations, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Trademark Security Agreement secures the payment of all amounts which constitute part of the Secured Obligations and would be owed by Grantors, or any of them, to Purchaser, the Purchaser Group, or any of them, whether or not they are unenforceable or not allowable due to the existence of an Insolvency Proceeding involving any Grantor.

SECURITY AGREEMENT. The Security Interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interests granted to Purchaser, for the benefit of the Purchaser Group, pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of Purchaser with respect to the Security Interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. To the extent there is any inconsistency between this Trademark Security Agreement and the Security Agreement, the Security Agreement shall control.

AUTHORIZATION TO SUPPLEMENT. If any Grantor shall obtain rights to any new trademarks, the provisions of this Trademark Security Agreement shall automatically apply thereto. Grantors shall give prompt notice in writing to Purchaser with respect to any such new trademarks or trademark registrations or applications for such registration. Without limiting Grantors' obligations under this Section, Grantors hereby authorize Purchaser unilaterally to modify this Trademark Security Agreement by amending Schedule I to include any such new trademark rights of each Grantor. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate or detract from Purchaser's continuing security interest in all Collateral, whether or not listed on Schedule I.

COUNTERPARTS. This Trademark Security Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original and all of which, when taken together, shall constitute but one and the same Trademark Security Agreement. Delivery of an executed counterpart of this Trademark Security Agreement by telefacsimile or other electronic method of transmission shall be equally as effective as delivery of an original executed counterpart of this Trademark Security Agreement. Any party delivering an executed counterpart of this Trademark Security Agreement by telefacsimile or other electronic method of transmission also shall deliver an original executed counterpart of this Trademark Security Agreement but the failure to deliver an original executed counterpart shall not affect the validity, enforceability and binding effect of this Trademark Security Agreement.

CONSTRUCTION. This Trademark Security Agreement is a Note Document. Unless the context of this Trademark Security Agreement clearly requires otherwise, references to the plural include the singular, references to the singular include the plural, the terms "includes" and "including" are not limiting and the term "or" has, except where otherwise indicated, the inclusive meaning represented by the phrase "and/or". The words "hereof", "herein", "hereby", "hereunder" and similar terms in this Trademark Security Agreement refer to this Trademark Security Agreement as a whole and not to any particular provision of this Trademark Security Agreement. Section, subsection, clause, schedule and exhibit references herein are to this Agreement unless otherwise specified. Any reference in this Trademark Security Agreement to any agreement, instrument or document shall include all alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders and

supplements, thereto and thereof, as applicable (subject to any restrictions on such alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders and supplements set forth herein). The words "asset" and "property" shall be construed to have the same meaning and effect and to refer to any and all tangible and intangible assets and properties, including cash, securities, accounts and contract rights. Any reference herein to the satisfaction, repayment or payment in full of the Secured Obligations shall mean the repayment in full in cash or immediately available funds of all of the Secured Obligations other than unasserted contingent indemnification Secured Obligations. Any reference herein to any Person shall be construed to include such Person's successors and permitted assigns. Any requirement of a writing contained herein shall be satisfied by the transmission of a Record.
