Execution Version

INTELLECTUAL PROPERTY ASSIGNMENT

This Intellectual Property Assignment (this "***Assignment***") is entered into as of May 31, 2021 by and between Riviana Foods Inc., a Delaware corporation (the "***Assignor***"), and Dakota Growers Pasta Company, Inc., a North Dakota corporation (the "***Assignee***").

RECITALS

WHEREAS, this Assignment is being executed and delivered pursuant to that certain Asset Purchase and Sale Agreement by and between the Assignor and the Assignee dated as of March 26, 2021 (the "***Purchase Agreement***"), pursuant to which, among other things, the Assignor has agreed to assign, convey, transfer and deliver to the Assignee, and the Assignee has agreed to acquire and accept, from the Assignor, all of the Assignor's right, title and interest in, to and under the Acquired Assets (including, without limitation, the registered Assigned Intellectual Property); and

WHEREAS, pursuant to and in accordance with the terms and provisions of the Purchase Agreement, the Assignor desires to assign to Assignee, and Assignee desires to accept, all of the rights and obligations of the Assignor in, to and under the registered Assigned Intellectual Property, including the trademarks, domain name registrations and social media identifiers set forth on Schedule A attached hereto.

AGREEMENT

NOW THEREFORE, in consideration of the premises and the mutual covenants and agreements herein contained, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound, agree as follows:

1. Definitions. Unless otherwise defined herein, each capitalized term used herein shall have the meaning assigned thereto in the Purchase Agreement.

2. Assignment. Subject to the terms and conditions of the Purchase Agreement, the Assignor does hereby sell, assign, convey, transfer and deliver to the Assignee, and Assignee hereby accepts and acquires, effective as of the Closing, (a) all of the Assignor's right, title and interest in and to, and all burdens, obligations and liabilities of Assignor in connection with, the registered Assigned Intellectual Property, including, without limitation, any registrations, applications, renewals and extensions therefor, together with the ongoing and existing business of the Assignor solely to which the registered Assigned Intellectual Property pertains and the goodwill solely associated with the registered Assigned Intellectual Property and symbolized thereby, and (b) all other rights accruing thereunder or pertaining thereto, for the Assignee's own use and enjoyment, and for the use and enjoyment of the Assignee's successors and assigns, as full and entirely as the same would have been held and enjoyed by the Assignor if this Assignment had not been made, including all claims, causes of actions and rights to pursue and collect damages, costs, injunctive relief and other remedies for past, current or future infringement or dilution of

any of the registered Assigned Intellectual Property and all income, royalties or payments due or payable from the Closing or thereafter in respect of any of the foregoing.

3. Purchase Agreement. Notwithstanding anything in this Assignment to the contrary, nothing in this Assignment, express or implied, is intended or shall be construed to modify, expand or limit in any way the terms and conditions of the Purchase Agreement, all of which shall survive the delivery of this Assignment to the extent provided in the Purchase Agreement. Rather, this Assignment is only intended to evidence the consummation of certain transactions contemplated by the Purchase Agreement. This Assignment is made without representation or warranty, it being understood that all of the rights and obligations of the parties hereto are governed by the Purchase Agreement. To the extent that any provision of this Assignment conflicts or is inconsistent with any provision of the Purchase Agreement, the provisions of the Purchase Agreement will govern.

4. Amendment and Modification. This Assignment may not be amended or modified in any manner except by a written document signed by the parties hereto that expressly amends the Assignment.

5. Counterparts. This Assignment may be executed by the parties on any number of separate counterparts, and all such counterparts so executed constitute one agreement binding on all the parties notwithstanding that all the parties are not signatories to the same counterpart. For purposes of this Agreement, a document (or signature page thereto) signed and transmitted by .pdf attachment to an e-mail is to be treated as an original document. The signature of any party thereon, for purposes hereof, is to be considered as an original signature, and the document transmitted is to be considered to have the same binding effect as an original signature on an original document.

6. Governing Law. This Assignment will be governed by, construed and enforced in accordance with the Laws of Delaware, without regard to choice of law principles that would require the application of the Laws of any other jurisdiction.

7. Successors and Assigns. This Assignment (and all covenants, rights, obligations, and agreements created hereunder) will be binding upon, and inure to the benefit of, the parties hereto and their respective successors and permitted assigns.

8. Third-Party Beneficiary. This Assignment is solely for the benefit of the parties hereto and their respective successors and permitted assigns, and no other Person has any right, benefit, priority or interest under or because of the existence of this Assignment.

9. Further Assurances. Subject to the terms and conditions set forth in this Assignment, each party hereto will take such acts and execute and deliver such documents as may be reasonably required to effectuate the purposes of this Assignment; provided, however, that no such act or document shall increase a party's Liabilities, or decrease its rights or benefits, under this Assignment, the Purchase Agreement or any Transaction Document.
