NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Grantor hereby agrees with the Security Trustee as follows:

SECTION 1. Defined Terms

Capitalized terms used but not defined herein shall have the respective meanings given thereto in the General Security Deed, and if not defined therein, shall have the respective meanings given thereto in the Syndicated Facility Agreement.

SECTION 2. Grant of Security Interest

SECTION 2.1 Grant of Security. The Grantor hereby grants to the Security Trustee, for the benefit of the Secured Parties, a security interest in all of such Grantor's right, title and interest in and to the following property now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the "Trademark Collateral") as collateral security for the payment or performance, as the case may be (whether at the stated maturity, by acceleration or otherwise), of the Secured Obligations:

(i) those trademarks and trademark applications listed in Schedule A (except for "intent to use" applications for trademark or service mark registrations filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051, unless and until an Amendment to Allege Use or a Statement of Use under Section 1(c) or 1(d) of said Act has been filed), and (ii) the right to obtain all renewals thereof, (iii) rights to sue at law or in equity for any infringement or other violations thereof, (iv) Proceeds of the foregoing, including, without limitation, license fees, royalties, income, payments, claims, damages and proceeds of suit now or hereafter due and/or payable with respect thereto, and (v) other rights of any kind accruing thereunder or pertaining thereto throughout the world.

SECTION 3. General Security Deed

The security interest granted pursuant to this Agreement is granted in conjunction with the security interest granted to the Security Trustee for the Secured Parties pursuant to the General Security Deed, and the Grantor hereby acknowledges and affirms that the rights and remedies of the Security Trustee with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the General Security Deed, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Agreement (other than Section 4 of this Agreement) is deemed to conflict with the General Security Deed, the provisions of the General Security Deed shall control.
