TRADEMARK SECURITY AGREEMENT

This Security Agreement dated as of June 15, 1998 ("Trademark Security Agreement") is made by Belding Sports, Inc., a California corporation ("Grantor"), having an address at 1621 Emerson Ave., Oxnard, California 93033, to Société Générale, Southwest Agency, as Agent (the "Secured Party") for the benefit of the Credit Parties (as defined below).

The Grantor owns the trademarks, trademark registrations and trademark applications, and is a party to the trademark licenses listed on Schedule 1 annexed hereto and by this reference incorporated herein.

Pursuant to the terms of the Security Agreement dated as of June 15, 1998, (as the same may be amended and in effect from time to time, the "Security Agreement") of Grantor in favor of Secured Party for the benefit of the Secured Party, the Banks, any Swap Counterparty, the Agent, and the Issuing Bank (as such terms may be defined in the Security Agreement, collectively referred to herein as the "Credit Parties"), Grantor has granted a security interest in the Collateral, as such term is defined in the Security Agreement, including, without limitation, all right, title and interest of Grantor in, to and under all now owned and hereafter acquired trademarks, trademarks registrations, trademark applications and trademark licenses, and all products and proceeds thereof, set forth on Schedule 1 attached hereto, to secure the payment of all Obligations (as defined in the Security Agreement);

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor hereby grants to Secured Party for the benefit of the Credit Parties a security interest in all of Grantor's right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (the "Trademark Collateral"):

- (1) trademarks, trademark registrations and trademark applications, including, without limitation, the trademarks, trademark registrations (together with any reissues, continuations, or extensions thereof) and trademark applications, referred to in Schedule 1 annexed hereto; and all of the goodwill of the business connected with the use of, and symbolized by, each trademark, trademark registration and trademark application;
- (2) each trademark license and all of the goodwill of the business connected with the use of, and symbolized by, each trademark license, including, without limitation, each trademark license listed on Schedule 1 annexed hereto; and

- (3) all products and proceeds of the foregoing, including, without limitation, any claim by Grantor against third parties for past, present or future (a) infringement or dilution of any trademark or trademark registrations referred to in Schedule 1 annexed hereto, the trademark registrations issued with respect to the trademark applications referred tin Schedule 1 and the trademarks licensed under any trademark license, or (b) injury to the goodwill associated with any trademark, trademark registration or trademark licensed under any trademark license.

provided that in no event shall the term "Trademark Collateral" include any asset or property of Grantor which would be rendered void or voidable, or which if included in Trademark Collateral would violate, be prohibited by, or constitute a default under any agreement, contract, document or law relating thereto, would require any consent which has not been obtained, or would result in the incurrence or imposition of any penalty upon the Grantor or any of its Subsidiaries as a result of a grant of a security interest in such asset or property.

This security interest is granted in conjunction with the security interests granted to Secured Party pursuant to the Security Agreement. Grantor hereby acknowledges and affirms that the rights and remedies of Secured Party with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

IN WITNESS WHEREOF, Grantor has caused this Trademark Security Agreement to be duly executed by its officer duly authorized as of the date first above written.
