PATENT

ASSIGNMENT

FOR GOOD AND VALUABLE CONSIDERATION, the receipt, sufficiency and adequacy of which are hereby acknowledged, the undersigned, does hereby:

SELL, ASSIGN AND TRANSFER to Dailey International Inc. (the "Assignee"), having a place of business at One Lawrence Centre, P.O. Box 1863, Conroe, Texas 77305, the entire right, title and interest in and to the intangible assets set forth in Schedule A (subject to any and all licenses and immunities from suit as granted by Assignor prior to the date of this assignment with respect to such intangible assets), including the inventions disclosed in the patents and patent applications and any and all improvements thereon, and all related patent applications which have been or shall be filed in the United States on any of such inventions or improvements thereon, including all divisional, continuing, substitute, foreign and reissue applications with respect thereto and any term extensions and restorations with respect thereto.

AUTHORIZE AND REQUEST the issuing authority to issue any and all United States and foreign patents granted on such improvements to the Assignee.

AUTHORIZE AND REQUEST the issuing authority to issue any and all reissue patents or reexamination certificates in and to any of the patents of Schedule A to the Assignee.

WARRANT AND COVENANT that the right, title, and interest in and to the United States and Foreign Patents hereby conveyed by Assignor to Assignee pursuant to this Assignment includes the right for Assignee to sue for any infringement that may have occurred prior to this Assignment and, in connection with any such suit, to bear all costs and direct the conduct of such suit, secure all available remedies and recover all damages and costs for Assignee's sole benefit.

WARRANT AND COVENANT that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been or will be made to others by the undersigned, and that the full right to convey the same as herein expressed is possessed by the undersigned.

COVENANT, when requested and at the expense of the Assignee, to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all such improvements; execute all rightful oaths, declarations, assignments, powers of attorney and other papers; communicate to the Assignee all facts known to the undersigned relating to such improvements and the history thereof; and generally do everything possible which the Assignee shall consider desirable for vesting title to such improvements in the Assignee, and for securing, maintaining and enforcing proper patent protection for such improvements.

TO BE BINDING on the heirs, assigns, representatives and successors of the undersigned and extend to the successors, assigns and nominees of the Assignee.
