TRADEMARK  
REEL: 1761 FRAME: 0432

Preamble

JAB, also through its subsidiaries and licensees, is manufacturing and selling detergents, pre-dominantly under the brand names and trademarks listed in Annex 1 hereto. All of the activities of developing, manufacturing and selling detergents are hereinafter collectively referred to as the "Detergent Business".

JAB has entered into contracts for research and development in the field of detergents on the basis of which JAB bears all the cost of the laboratories carrying out such research and development, increased by 8 %, whilst JAB owns all know how and all other rights regarding the knowledge developed in such laboratories.

JAB has granted licenses to both, its trademarks and the know how in the detergent field. In addition, JAB has entered into management service agreements with some of its subsidiaries engaged in the Detergent Business.

JAB and BNV have agreed that JAB will directly or indirectly transfer to BNV the Detergent Business (other than the Excluded Trademarks defined in § 1.1.1 for which the parties will enter into a separate license agreement). For this purpose JAB has contributed all of the shares of its subsidiaries engaged in the Detergent Business to BNV and/or to JAB Investments BV. In this connection JAB intends to sell and assign and BNV desires to purchase and acquire all of JAB's Detergents Business other than the Excluded Trademarks. The business to be sold and transferred pursuant to the present agreement consists predominantly of intellectual property rights (other than the Excluded Trademarks). BNV will take over all of the functions of JAB relating to the management of the Detergent Business and has entered into employment contracts with persons previously employed by JAB in such management.

Therefore, the parties agree as follows:

**§ 1**

**Sale and Purchase of Intellectual Property Rights**

1.1 Subject to the terms and conditions hereof and unless expressly stated otherwise herein, JAB hereby agrees to sell and hereby transfers, assigns and delivers to BNV the following assets, hereinafter the "Intellectual Property Rights" with effect as of the Effective Date:

1.1.1 All right, title and interest held by JAB in, under or to the patents, utility models ("Gebrauchsmuster"), trademarks, trade names ("Geschäftliche Bezeichnungen"), logos, product designs ("Ausstattungen"), copyrights, design patents ("Geschmacksmuster") and applications therefor under license to or owned by JAB for its Detergent Business, whether registered or unregistered, except for the trademarks "CALGON", "CALGONIT", "NEOPHOS", "QUANTO", "CALGONITE" and other trademarks related thereto or derivative trademarks thereof and related applications (the "Excluded Trademarks") between the parties:

1.1.2 Those licenses for products or trademarks of the Detergent Business which have been granted to JAB as licensee (the „JAB licensee“);

1.1.3 All of JAB's rights regarding laboratory know how and all recipes and product formulations of the Detergent Business, including, to the extent applicable, all inventions, discoveries (whether patentable or unpatentable), processes, designs, know-how, trade secrets, proprietary data, software programs and intellectual property of all kinds, and other technology owned or used by JAB for its Detergent Business and all rights of JAB under existing licenses to use any of the above.

1.1.4 To the extent transfer is permitted by law, all existing concessions, permits, licenses, regulatory approvals, franchises and public law rights of or from, or granted or acknowledged by, any government or authority related to JAB's Detergent Business.

- 1.2 BNV accepts the sale and assignment of the Intellectual Property Rights.
- 1.3 To the extent required by applicable laws, JAB shall consent in writing to the registration of the assignment of the Intellectual Property Rights and provide all further declarations and documents and take all steps necessary for the registration of assignment.
- 1.4 BNV shall bear all costs for the assignment of the Intellectual Property Rights.
- 1.5 With effect as of the Effective Date, BNV hereby enters as licensee in the place of JAB into the JAB licenses. JAB will endeavour to obtain the consent of the respective licensor to the entry of BNV as licensee.
- 1.6 To the extent that any of the Intellectual Property Rights listed in § 1.1 of this Agreement or of the JAB licenses are not transferable under applicable laws or because the licensor refuses its consent or that the transfer of any of such Intellectual Property Rights or JAB license is invalid JAB will hold all such Intellectual Property Rights or JAB license as trustee for BNV for its account and according to its directions and BNV shall be entitled to all benefits and shall bear all costs and burdens associated with such Intellectual Property Rights or JAB license and the parties shall treat each other as if, and procure for each other the economic situation that would exist if, the transfer according to the above provisions had been valid but without prejudice to § 5 below. As a matter of precaution, JAB hereby grants to BNV the perpetual, royalty free and exclusive right to use such Intellectual Property Rights in any manner whatsoever and a sublicense on the same terms as those of the JAB license.
- 1.7 All costs related to the Intellectual Property Rights and the JAB licenses shall be for the account of BNV for the period as from the Effective Date. Prepayments of such costs for periods after the Effective Date and all payments regarding such cost to be made after the Effective Date but in respect of periods prior to the Effective Date shall be properly accrued as of the Effective Date and any net balance shall be payable by JAB to BNV or BNV to JAB, as the case may be.

RECHENBÜCHER SAFAAGRO 000  
20.09.1997

**§ 2**  
**Documents**

- 2.1 JAB shall provide BNV with the registration certificates and all documents and correspondence regarding the Intellectual Property Rights (application documents, opposition documents, correspondence with patent/trademark offices, other proprietors of intellectual property rights, licensees and any other third persons or entities etc.).
- 2.2 JAB shall make available to BNV copies of all documentation related to the technical information listed in § 1.1.3.

**§ 3**  
**Licenses**

BNV is aware that JAB has granted licenses and has entered into other agreements with third parties regarding the Intellectual Property Rights and has granted sublicenses under the JAB licenses. JAB hereby transfers to BNV and BNV hereby assumes all rights, obligations and liabilities of JAB under these licenses and agreements or sublicenses

**§ 4**  
**Contracts, Services**

4.1 With effect as of the Effective Date, BNV hereby enters, in the place of JAB, into all contracts and agreements existing at JAB in the Detergent Business

- for research and development
- for management services
- trademark and/or know how licenses.

The parties shall endeavour or obtain the consent of the other contractual party to the entry of BNV instead of JAB. If and as long as such consent is not obtained, the parties will treat each other as if BNV had become the contract party and JAB hereby assigns to BNV all of its present and future rights under such contracts, to the extent such assignment is possible. To the extent any rights or obligations under such contracts remain with JAB, JAB shall hold and exercise such

- rights for the account, for the benefit, at the expense and at the direction of BNV and BNV shall indemnify JAB against any such obligations.
- 4.2 To the extent that JAB or the respective other party has made or received any payments for services or other performances in the Detergent Business which relate to the period after the Effective Date, the amount of such payment shall be accrued as of the Effective Date and the net amount of such accruals, if positive, shall be paid by BNV to JAB and, if negative, shall be paid by JAB to BNV.
- 4.3 To the extent that JAB has made or received any performances (other than payments) prior to the Effective Date which have not been paid by the other contractual party prior to the Effective Date, the corresponding receivable or payable relating to such performance shall be retained by JAB. Any amounts received by BNV in respect of such performances shall be passed on to JAB and JAB shall indemnify BNV against any payment obligation relating to such performances.
- 4.4 To the extent that, on July 1, 1997, 0.00 hrs. BNV or one of its direct or indirect subsidiaries do not have yet the necessary personnel to carry out all of the management functions of the Detergent Business as previously carried out by JAB, JAB is prepared to make the relevant services available to BNV. JAB will also permit BNV to use the premises of JAB at Ludwigshafen. JAB will charge BNV with the cost of such services and the proportionate cost of the premises. The details will be set forth in a Service Agreement that the parties will execute in due course.

§ 5

No Representations and Warranties. Indemnities

- 5.1 JAB represents and warrants that the registered trademarks sold hereunder are owned by JAB, free and clear of any encumbrance, other than the licenses referred to above and other than agreements concerning the use of the trademarks.

- 5.2 JAB makes no other representations or warranty and any representation or warranty or other responsibility for the useability or condition or value of the Intellectual Property Rights or other tangible or intangible rights sold hereunder, that may otherwise be implied in fact or in law, is expressly excluded.
- 5.3 BNV is aware that the firm Cleantabs A/S, Denmark, claims that the two-layer tablets (as used at present for Calgonit 2-Phasen and corresponding products in other countries) are subject to the existing license agreement between JAB and Cleantabs, which claim JAB rejects. JAB shall be liable for all royalties, if any, payable to Cleantabs A/S for sales effected prior to the Effective Date, and BNV shall be liable for such royalties for sales made after the Effective Date. If Cleantabs should claim any royalties from JAB for sales made after the Effective Date, BNV shall indemnify JAB.

§ 6  
Purchase Price

- 6.1 The aggregate purchase price to be paid to JAB by BNV shall be 152.140.616,00 Deutsche Marks, VAT not included.

The purchase price shall be allocated as follows:

The purchase price for the intellectual property rights under § 1.1.1 and 1.1.2 shall be 140.973.486,00 Deutsche Marks and for the intellectual property rights under § 1.1.3 and § 1.1.4 shall be 11.167.132,00 Deutsche Marks.

- 6.2 To the extent that any of the performances hereunder is subject to VAT, VAT shall be paid in addition to the purchase price or the consideration contemplated in this Agreement.
- 6.3 The purchase price (and VAT, if applicable) will become due and payable as of June 30, 1997, provided that VAT shall be payable only after receipt of a proper invoice

- 8 -

§ 7  
Effective Date

This Agreement and the assignment of the Intellectual Property Rights shall become effective as of June 30, 1997, 24.00 p.m (the "Effective Date").

§ 8  
Governing Law/Competent Courts

- 9.1 This Agreement is subject to German law.
- 9.2 The District Court (Landgericht) of Mannheim shall have non-exclusive jurisdiction for all conflicts arising from or in connection with this Agreement.

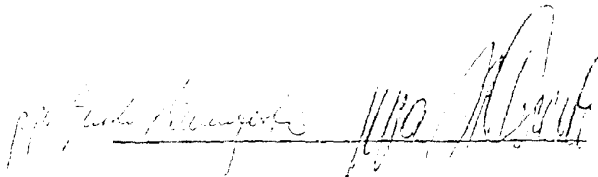

§ 10  
Miscellaneous

- 10.1 Modifications or amendments of this Agreement are only effective if made in writing. This applies also to an amendment or cancellation of this provision.
- 10.2 The validity of this Agreement shall not be affected should it contain void or invalid provisions. The parties shall rather replace the void or invalid provision by a valid one which best achieves the purpose of the invalid or ineffective provision.
