TRADEMARK SECURITY AGREEMENT

AGREEMENT made as of October 22, 1997, with an effective date of October 28, 1996, by and between CME Information Services, Inc. (formerly known as CME Conference Video, Inc.), a corporation organized and existing under the laws of the State of New Jersey, having its principal place of business at 2000 Crawford Place, Suite 100, Mount Laurel, New Jersey 08054 (hereinafter called "CME"), and Summit Bank (as successor in interest to United Jersey Bank), a national banking association with an address of 1800 Chapel Avenue West, Cherry Hill, New Jersey 08002 (the "Bank"); Banc One Capital Partners L.L.C. ("BOCP"), an Ohio limited liability company; and CEO Venture Fund II ("CEO"), a Pennsylvania limited partnership.

RECITALS:

A. CME has heretofore executed and delivered to the Bank certain promissory notes, loan agreements and security documents dated as of March 1, 1996; June 29, 1996; October 28, 1996; and May 30, 1997 (collectively, the "Loan Documents"), pursuant to which the Bank has made, or may in the future make, certain loans to CME. In order to induce the Bank to extend credit to CME, CME has agreed to grant the Bank, as security for all obligations owed by CME to the Bank (including without limitation those obligations arising under the Loan Documents), a lien on and security interest in all of CME's personal property and assets, including but not limited to certain trademark and service mark rights owned by CME.

B. CME and the Bank executed a Trademark Collateral Assignment, dated October 28, 1996 (the "Trademark Assignment"), in connection with the Loan Documents;

C. CME and the Bank desire to and hereby do rescind the Trademark Assignment and simultaneously, nunc pro tunc as of October 28, 1996, hereby replace it with this Trademark Security Agreement (the "Security Agreement");

D. The Bank, BOCP, and CEO entered into an Intercreditor Agreement dated as of August 13, 1997, in which BOCP and CEO acknowledged and agreed that CME's obligations to BOCP and CEO are subordinate to certain obligations of CME owed to the Bank (the "Intercreditor Agreement"). The Bank, BOCP, and CEO desire to confirm the continuing validity of the Intercreditor Agreement, and their priorities in and to the Collateral as set forth therein.

NOW, THEREFORE, in consideration of the above premises and other good and valuable consideration, receipt of which is hereby acknowledged, the parties hereby agree as follows:

1. Capitalized terms used herein without definition shall have the meanings assigned to such terms in the Intercreditor Agreement.

2. **Granting Clause.** CME hereby grants unto the Bank a security interest in:

- (a) the United States trademarks, trademark registrations, and trademark applications listed in Schedule A hereto;
- (b) all registrations of the said trademarks owned by CME in any State of the United States and any foreign countries or localities;
- (c) all renewals of said trademark registrations;
- (d) all trade names owned by CME;
- (e) all elements of package or trade dress of goods owned by CME;
- (f) the right to sue for past, present and future infringements and the proceeds therefrom; and
- (g) the goodwill of CME's business connected with and symbolized by the said trademarks, trade names and package or trade dress.

(the assets enumerated in sub-paragraphs (a) through (e) being herein collectively called the "Collateral"), as well as the proceeds of the Collateral. The security interest granted hereby to the Bank is for the benefit of Bank under the Loan Documents.

Provided, however, that nothing herein contained shall relieve CME from the performance of any covenant, agreement or obligation on CME's part to be performed under any license agreement presently in effect or hereafter entered into by CME licensing the use of the Collateral or any part thereof or from any liability to any licensee under any such license agreement or other party or impose any liability on the Bank for the acts or omissions of CME in connection with any such license or license agreement.

3. **Indebtedness Secured; Etc.** This Security Agreement secures CME's Obligations to the Bank under the Loan Documents. This Security Agreement shall continue in full force and effect until terminated in accordance with the provisions of Paragraph 11 hereof.

4. **Representation and Warranties.** CME hereby represents and warrants that, except for the security interest granted to the Bank hereby, and except for any interests of BOCP and CEO in the Collateral as described in the Intercreditor Agreement, CME is the owner of all Collateral, free and clear of all liens, charges, encumbrances, setoffs, defenses and counterclaims of whatsoever kind or nature (except as permitted by the Loan Documents), and has made and will make no assignment, pledge, mortgage, hypothecation or transfer of any Collateral or of the proceeds thereof; that the execution and delivery of this instrument will not conflict with or contravene

any contractual restriction binding on the CME, including any license agreement relating to the Collateral or any part thereof; that, except as heretofore disclosed to the Bank in writing, there are no legal actions or administration proceedings pending or threatened before any court or administrative agency involving the Collateral, or any part thereof; and that CME will defend its title to the Collateral against the claims of all persons whomsoever.

5. **Use and Ownership Prior to Default.** Unless and until an Event of Default (as defined in the Loan Documents) shall occur and be continuing, CME shall retain the legal and equitable title to the Collateral, and shall have the right to use the Collateral in its ordinary course of business, but shall not be permitted to sell, assign, transfer or otherwise encumber the Collateral or any part thereof; provided, however, that nothing herein contained shall prohibit CME from failing to renew or otherwise abandoning any item included within the Collateral if, in Debtor's good faith judgment, the retention of such items is not material to the proper conduct of Debtor's business, except that the Debtor shall not permit the expiration or cancellation of registrations of trademarks in the United States Patent Office, listed in Schedule A hereto, without the prior written consent of the Bank, which consent shall not be unreasonably withheld.

6. **Remedies on Default.** Upon the occurrence of an Event of Default, the Bank shall be entitled to exercise in respect to the Collateral all of the rights and remedies available to a secured party upon default under the Uniform Commercial Code in New Jersey at that time, and, in addition thereto, the rights and remedies as might be provided for by law. In the event of the sale of the Collateral, or any part thereof, the Bank shall give CME reasonable notice of the time and place of any public sale thereof or of the time and place of any private sale or other intended disposition thereof. The requirement of reasonable notice shall be met if notice of the sale or other intended disposition is mailed, by registered mail, postage prepaid, to CME at its address set forth on the first page hereof or such other address as CME may by notice have furnished the Bank in writing for such purpose, at least ten (10) days prior to the time of such sale or other intended disposition. CME will, in the event of such sale, duly execute and acknowledge all documents necessary or advisable to record title to the Collateral in the name of the purchaser, including valid, recordable assignments of all trademark registrations and all assignable trademark registration applications (i.e., use-based applications and intent-to-use based applications as to which a Statement of Use or Amendment to Allege Use has been filed and accepted) listed in Schedule A hereof. In the event that Debtor should then fail or refuse to execute and deliver any or all documents necessary or advisable to record title to the Collateral in the name of the purchaser, Debtor does hereby irrevocably appoint the Bank its Attorney-in-Fact to execute any or all of such documents on Debtor's behalf.

If CME shall fail to do any act or thing which it has covenanted to do hereunder or any representation or warranty of the Debtor shall be breached, the Bank may (but shall not be obligated to) do such act or thing or cause it to be done or remedy any such breach and there shall be added to the liability of the Debtor hereunder the cost or expense incurred by the Bank in so doing, and any and all amounts expended by

the Bank in taking any such action shall be repayable to it upon its demand to the Debtor thereof and shall bear interest at the same rate which would apply to such amounts if they were advances under the Loan Documents, from and including the date advanced to the date of repayment.

7. **Application of Proceeds.** All proceeds of Collateral shall be applied as provided in the Loan Documents and in the Intercreditor Agreement.

8. **Purchasers of Collateral.** Upon any sale of Collateral by the Bank hereunder (whether under power of sale herein granted, pursuant to judicial process or otherwise), the receipt of the proceeds by the Bank or the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Bank or such officer or be answerable in any way for the misapplication or nonapplication thereof.

9. **Indemnity.** The Debtor agrees to indemnify and hold the Bank harmless from and against any and all claims, demands, losses, judgments and liabilities (including liabilities for penalties) of whatsoever kind or nature, and to reimburse the Bank for all costs and expenses, including attorney's fees, growing out of or resulting from this Agreement, or the exercise by the Bank of any right or remedy granted to it hereunder. In no event shall the Bank be liable for any matter in connection with this Agreement, other than to account for monies actually received by it in accordance with the terms hereof.

10. **Further Assurances.** The Debtor agrees that it will join with the Bank in executing and, at its own expense, file and refile under the Uniform Commercial Code such financing statements, continuation statements and other documents in such offices as the Bank may reasonably deem necessary or appropriate and wherever required or permitted by law in order to perfect and preserve the Bank's security interest in the Collateral, and hereby authorizes the Bank to file financing statements and amendments thereto relative to all or any part of the Collateral without the signature of the Debtor where permitted by law, and agrees to do such further acts and things and execute and deliver to the Bank such additional conveyances, assignments, agreements and instruments as the Bank may require to deem advisable to carry into effect the purpose of this Security Agreement or to better assure and confirm unto the Bank its rights, powers and remedies hereunder.

11. **Termination.** This Security Agreement, and the security interest of the Bank hereunder, shall terminate when all indebtedness secured hereby has been fully paid and satisfied, at which time the Bank shall release to the Debtor its security interest in the Collateral and, if requested by the Debtor, shall execute and file in each office in which any financing statement or assignment relative to the Collateral, or any part thereof, shall have been filed, a termination statement, assignment or other appropriate instrument releasing the Bank's interest therein, all without recourse upon warranty by the Bank and at the cost and expense of the Debtor.

The Bank, BOCP, and CEO further agree that this Trademark Security Agreement shall be included in the definition of "Senior Security Documents" set forth in the Intercreditor Agreement, and treated for all purposes thereunder as a Senior Security Document and/or "Senior Document" as set forth therein.
