Sir:

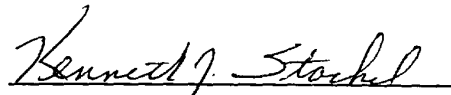

REQUEST FOR RECORDING OF ASSIGNMENT

On October 13, 1997, an assignment of trademarks covering sixteen (16) U.S. trademark registrations and three (3) pending U.S. trademark applications along with an assignment recordation cover sheet was transmitted to the U.S. Patent and Trademark Office. On October 17, 1997, under Reel 1645, Frame 0347, the change in recordation was made for the 16 trademark registrations and one of the pending trademark applications. At the time of filing the assignment, we did not have the serial number for the Man-Gill Chemical & Design marks filed on September 16, 1997. We would like to record the change in assignment for one of these trademark applications (U.S. Serial No. 75/357,549, filed September 16, 1997).

Enclosed is a new assignment recordation cover sheet covering U.S. Serial No., 75/357,549, filed September 16, 1997, on which we are requesting that the assignment change be made from Man-Gill Chemical Company to PPG Industries, Inc. Also enclosed is a copy of the original assignment recordation cover sheet and Notice of Recordation of Assignment Document.

Please record the assignment for U.S. Serial No. 75/357,549, filed September 16, 1997, and charge Deposit Account No. 16-2025 in the amount of \$40.00 for recording the assignment. The Commissioner is hereby authorized to charge payment of the fees associated with this communication or credit any overpayment to Deposit Account No. 16-2025.

Respectfully submitted,
