**COLLATERAL ASSIGNMENT AND
TRADEMARK SECURITY AGREEMENT**

THIS COLLATERAL ASSIGNMENT AND TRADEMARK SECURITY AGREEMENT (this "Agreement"), made as of the 1st day of August, 1998, by KUDZU, L.L.C., an Alabama limited liability company ("Grantor"), in favor of SUNTRUST BANK, ATLANTA, a Georgia banking corporation ("Grantee");

WITNESSETH THAT:

WHEREAS, Grantor owns and uses certain trademarks which are registered in the United States Patent and Trademark Office, all as more fully described on Exhibit "A" attached hereto and by reference made part hereof (hereinafter, together with all rights, benefits and privileges derived therefrom, the goodwill of the business symbolized thereby, all registrations thereof, all reissues, divisions, continuations, renewals and extensions thereof, and all proceeds of the foregoing, called the "Trademark Rights"); and

WHEREAS, Grantee proposes to make certain loans and advances and other financial accommodations to Grantor, all pursuant to that certain Loan and Security Agreement, dated as of even date herewith between Grantor and Grantee (hereinafter, together with any amendments, modifications or supplements thereto, called the "Loan Agreement"; capitalized terms used herein and not defined herein shall have the meanings ascribed to them in the Loan Agreement) and that certain Credit Agreement, dated as of even date herewith (hereinafter, together with any amendments, modifications or supplements thereto, called the "Credit Agreement"), between Grantor and Grantee; and

WHEREAS, as a condition precedent to the extension of such financial accommodations to Grantor pursuant to the Loan Agreement, Grantee has required that Grantor grant to Grantee a security interest in and collateral assignment of the Trademark Rights;

NOW, THEREFORE, in order to induce Grantee to consummate the financial accommodations to Grantor provided for in the Loan Agreement and the Credit Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor hereby grants to Grantee a security interest in, and makes to Grantee a collateral assignment of, the entire right, title, and interest of Grantor in and to the Trademark Rights. The Trademark Rights shall serve as collateral security to Grantee for the payment of all Obligations of Grantor to Grantee shall constitute a part of the Collateral and shall be subject to all of the terms and conditions of the Loan Agreement.

Notwithstanding the foregoing, unless and until Grantee exercises the rights and remedies accorded to it under the Loan Agreement, and by law with respect to the realization upon its security interest in and collateral assignment of the Trademark Rights, Grantor shall own, and

may use and enjoy the Trademark Rights in connection with its business operations, but only in a manner consistent with the preservation of their current substance, validity, registration and the security interest herein granted.

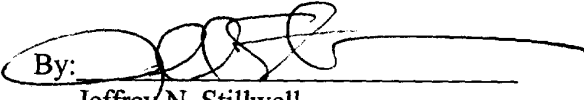

Grantor further agrees (a) that Grantee shall not have any obligation or responsibility to protect or defend the Trademark Rights and Grantor shall at its own expense protect, defend and maintain the same to the extent advisable for its business, (b) that it shall forthwith advise Grantee in writing of infringements of the Trademark Rights detected by it and (c) that if Grantor fails to comply with the requirements of the preceding clause (a), Grantee may do so in Grantor's name or in Grantee's name but at Grantor's expense, and Grantor hereby agrees to reimburse Grantee for all expenses, including attorneys' fees, incurred by Grantee in protecting, defending and maintaining the Trademark Rights owned by Grantor.

The security interest in and collateral assignment of the Trademark Rights granted hereunder shall remain in full force and effect until the termination of the Loan Agreement and the Credit Agreement and the payment and satisfaction in full of the Obligations. At such time Grantee shall, if requested by Grantor, execute and deliver to Grantor, or to a third party upon Grantor's instructions, for filing with the United States Patent and Trademark Office and in each office in which any financing statement relative to the security interest granted hereby may have been filed, (i) documentation in accordance with the rules and regulations of said office, (ii) termination statements under the Uniform Commercial Code and (iii) any other documentation reasonably requested by Grantor, all as may be necessary to release Grantee's interest in the Trademark Rights, all at the cost and expense of Grantor.

This Agreement shall inure to the benefit of Grantee and its successors and assigns and bind Grantor and its successors and assigns.

IN WITNESS WHEREOF, Grantor has caused this Agreement to be executed by its manager thereunto duly authorized, under seal as of the date first above written.
