MOVABLE HYPOTHEC, dated as of February 8, 1996, made by Ritvik Holdings Inc., a Canadian corporation ("*Holdings*"), Ritvik Toys Inc., a Quebec corporation (the "*Revolving Borrower*"), RTI Funding Corporation, a Delaware corporation (the "*U.S. Term Borrower*"), 9029-8712 Quebec Inc., a Quebec corporation (the "*Canadian Term Borrower*"), and the Subsidiaries (such term and each other capitalized term used but not defined herein having the meaning assigned to it in the Credit Agreement referred to below) party hereto (collectively, the "*Grantors*"), in favor of CHEMICAL BANK, a New York banking corporation, as collateral agent (in such capacity, the "*Collateral Agent*") for the Secured Parties (as defined below). Reference is made to the Credit Agreement, dated as of February 8, 1996 (as the same may be amended, supplemented or otherwise modified from time to time, the "*Credit Agreement*"), among Holdings, the Revolving Borrower, the U.S. Term Borrower, the Canadian Term Borrower, the financial institutions party thereto (the "*Lenders*"), Chemical Bank, as administrative agent (in such capacity, the "*U.S. Administrative Agent*") for the U.S. Lenders and Collateral Agent, Chemical Bank of Canada, a Canadian chartered bank, as administrative agent (in such capacity, the "*Canadian Administrative Agent*") for the Canadian Lenders and issuing bank (in such capacity, the "*Issuing Bank*"), Societe Generale (Canada), as co-agent (in such capacity, the "*Co-Agent*"), and Canadian Imperial Bank of Commerce, as documentation agent (in such capacity, the "*Documentation Agent*") and, together with the Lenders, the U.S. Administrative Agent, the Canadian Administrative Agent, the Collateral Agent, Co-Agent and the Issuing Bank, the "*Secured Parties*").

The Lenders have agreed to extend credit to the Term Borrowers in the form of Term Loans and Acceptances and to the Revolving Borrower in the form of Revolving Loans and Acceptances, and the Issuing Bank has agreed to issue Letters of Credit for the account of the Revolving Borrower, in each case on the terms and subject to the conditions set forth in the Credit Agreement.

The obligation of the Lenders to extend credit and of the Issuing Bank to issue Letters of Credit under the Credit Agreement are conditioned upon, among other things, the execution and delivery by the Grantors of a movable hypothec in the form hereof to secure the due and punctual payment of, with respect to each Grantor, its obligations as an obligor or guarantor in respect of (a) the unpaid principal of and premium, if any, and interest (including interest accruing at the then applicable rate provided in the Credit Agreement after the applicable Maturity Date and interest accruing at the then applicable rate provided in the Credit Agreement after the filing of any petition in bankruptcy, or the commencement of any insolvency, reorganization or like proceeding, relating to the Revolving Borrower or any Term Borrower, whether or not a claim for post-filing or post-petition interest is allowed in such proceeding) on the Loans and Acceptances, when and as due, whether at maturity, by acceleration, upon one or more dates set for prepayment or otherwise, (b) each payment required to be

made by the Revolving Borrower or any Term Borrower under the Credit Agreement, when and as due, including, in the case of the Revolving Borrower, payments in respect of reimbursements of L/C Disbursements, interest thereon and the obligations to provide cash collateral, and (c) all other obligations and liabilities of every nature of any Term Borrower, the Revolving Borrower, Holdings or any Subsidiary (each, a "Credit Party") from time to time owed to the Secured Parties or any of them, whether direct or indirect, absolute or contingent, due or to become due, or now existing or hereafter incurred (including monetary obligations incurred during the pendency of any bankruptcy, insolvency, receivership or other similar proceeding, regardless of whether allowed or allowable in such proceeding), which may arise under, out of or in connection with, the Credit Agreement, this Agreement or any other Loan Document and any obligation of the Revolving Borrower, any Term Borrower or Holdings to a Lender under any Interest Rate Protection Agreement or Exchange Rate Protection Agreement or under any other document made, delivered or given in connection with any of the foregoing, in each case whether on account of principal, interest, reimbursement obligations, fees, indemnities, costs, expenses or otherwise, including all fees and disbursement of counsel to the Collateral Agent or to the Secured Parties that are required to be paid by any Credit Party pursuant to the terms of the Credit Agreement, this Agreement, any other Loan Document, any Interest Rate Protection Agreement or Exchange Rate Protection Agreement with a Lender (all the foregoing obligations, collectively, the "Obligations").

In addition, "Collateral" shall not include any property of the type specified in Sections 2(b), (c), (d) (to the extent such Equipment constitutes Fixtures), (e), (f), (g), (h) and (i) if the granting of a Lien by such Grantor hereunder would violate the terms of, or otherwise constitute a default under, any document or instrument to which any Loan Party is a party (other than those documents or instruments between or among the Loan Parties and/or their Affiliates only) relating to the ownership of, or pertaining to any rights or interests held, in such property, *provided* that the terms to be violated or default that would result in the event of the granting of the Lien hereunder are typical or customary in connection with the document or instrument to which they relate.

Such security interests are granted as security only and shall not subject any Secured Party to, or in any way alter or modify, any obligation or liability of any Grantor with respect to or arising out of the Collateral.

3. *Representations and Warranties.* Each Grantor hereby represents and warrants to the Collateral Agent, for the ratable benefit of the Secured Parties, that:

No security agreement, financing statement or other public notice with respect to all or any part of such Collateral is on file or of record in any public office, except such as have been filed, pursuant to this Agreement, in favor of the Collateral Agent, for the ratable benefit of the Secured Parties, or in respect of Permitted Liens.

3.2. *Authority.* Such Grantor has full power and authority to grant to the Collateral Agent the security interest in the Collateral pursuant hereto and to execute, deliver and perform its obligations in accordance with the terms of this Agreement, without the consent or approval of any other person other than any consent or approval that has been obtained.

3.3. *Information Regarding Names.* Such Grantor has disclosed in writing to the Collateral Agent on Schedule VI any material trade names used to identify it in its business or in the ownership of its properties during the past five years.

3.4. *Enforceable Obligation; Perfected, First Priority Security Interests.* This Agreement constitutes a legal, valid and binding obligation of such Grantor, enforceable against such Grantor in accordance with its terms, except as enforceability may be limited by bankruptcy, insolvency, moratorium, reorganization or other similar laws affecting creditors' rights generally and except as enforceability may be limited by general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law), and the security interest granted pursuant to this Agreement (a) upon completion of the filings and other actions specified in Schedule VII attached hereto shall constitute perfected security interests in the Collateral in favor of the Collateral Agent for the ratable benefit of the Secured Parties, and (b) are prior to all other Liens (other than Permitted Liens) on the Collateral in existence on the date hereof.

3.5. *Inventory and Equipment.* The Inventory and the Equipment owned by such Grantor are kept at the locations listed in Schedule VIII hereto or at such other locations permitted hereunder which shall be updated from time to time in accordance with Section 4.4 of this Agreement,

or at such other location as shall be permitted by Section 4.4, provided that in the case of any Equipment that in the ordinary course of such Grantor's business is moved to a motor vehicle, such Equipment may also be kept on or near such motor vehicle as is usual in the ordinary course of business.

3.6. *Accounts.* (a) As of the Closing Date, the place where such Grantor keeps its records concerning the Accounts is at the location listed in Schedule IX hereto.

(b) As of the Closing Date, the amounts owing with respect to Accounts of obligors that are Governmental Authorities do not constitute more than 15% of the average aggregate amount owing on the Accounts owing to the Revolving Borrower and any Subsidiaries, taken as a whole, during the most recently ended period of twelve consecutive calendar months.

3.7. *Validity of Patents, Trademarks, Copyrights and Industrial Designs.* Each of the Patents, Trademarks, Copyrights and Industrial Designs listed on Schedules I, II, III, IV or V is subsisting and has not been adjudged invalid or unenforceable, in whole or in part, except as could not reasonably be expected to have a Material Adverse Effect.

3.8. *Intellectual Property Schedules.* As of the Closing Date, Schedules I, II, III, IV and V fully identify all Patents, Trademarks, Copyrights, Licenses and Industrial Design used in the conduct of such Grantor's business.

3.9. *Chief Executive Office.* As of the Closing Date, such Grantor's chief executive or head office and chief place of business is located at the location listed in Section 9.01 of the Credit Agreement or under its signature set forth below.

3.10. *Consumer Goods.* None of the Collateral constitutes, or is the Proceeds of, Consumer Goods.

4. *Covenants.* Each Grantor covenants and agrees with the Secured Parties that, from and after the date of this Agreement until this Agreement is terminated and the security interests created hereby are released:

4.1. *Delivery of Instruments and Chattel Paper.* If an Event of Default shall have occurred and be continuing and if any amount payable under or in connection with any of the Collateral owned by such Grantor shall be or become evidenced by any promissory note, other Instrument or Chattel Paper, upon the request of the Collateral Agent, such promissory note, Instrument or Chattel Paper shall be immediately delivered to the Collateral Agent, duly indorsed in a manner reasonably satisfactory to the Collateral Agent, to be held as Collateral pursuant to this Agreement.

4.2. *Maintenance of Insurance.* Such Grantor shall maintain insurance policies in accordance with the requirements of Section 5.02 of the Credit Agreement.

4.3. *Maintenance of Perfected Security Interest; Further Documentation.* (a) Each Grantor shall cause all filings and other actions listed in Schedule VII to be taken. Each Grantor shall maintain the security interests created by this Agreement as first, perfected security interests subject only to Permitted Liens and shall defend such security interests against all claims and demands of all persons whomsoever (other than those pursuant to Permitted Liens).

(b) At any time and from time to time, upon the written request of the Collateral Agent, and at the sole expense of the applicable Grantor, such Grantor shall promptly and duly execute and deliver such further instruments and documents and take such further action as the Collateral Agent may reasonably request for the purpose of obtaining or preserving the full benefits of this Agreement and of the rights and powers herein granted with respect to the security interests created hereby.

4.4. *Changes in Locations, Name, etc.* A Grantor shall not, except (x) upon prior written notice to the Collateral Agent and delivery to the Collateral Agent of a written supplement to Schedule VIII showing the additional location or locations at which Inventory or Equipment shall be kept, and (y) if filings have been made which maintain in favour of the Collateral Agent a valid, legal and perfected security interest in the Collateral subject to no liens, other than Permitted Liens,

(a) permit any of the Inventory or Equipment to be kept at a location other than those listed on Schedule VIII hereto or motor vehicles as described in Section 3.5, except for Inventory and Equipment in transit between locations described in this Section 4.4(a).

(b) change the location of its chief executive or head office and chief place of business from that specified in Section 3.8; or

(c) change its (i) corporate name or any trade name used to identify it in its conduct of business or in the ownership of its properties, (ii) identity or (iii) corporate structure to such an extent that any financing statement filed in favor of the Collateral Agent in connection with this Agreement would become misleading.

4.5. *Further Identification of Collateral.* Such Grantor shall furnish to the Collateral Agent from time to time statements and schedules, including schedules in the format of Schedules I, II, III, IV or V, further identifying and describing the Collateral in existence on the date thereof and not then listed on such schedules or previously so identified to the Collateral Agent.

4.6. *Notices.* Such Grantor shall advise the Collateral Agent promptly, in reasonable detail, at its address set forth in the Credit Agreement, of:

(a) any Lien (other than security interests created hereby or Permitted Liens) on any material portion of the Collateral; and

(b) the occurrence of any other event which could reasonably be expected to have a material adverse effect on the security interests created hereby or on the aggregate value of (i) such Collateral and (ii) all other Collateral (as such term is defined in the other Security Documents).

4.7. *Use and Disposition of Collateral.* A Grantor shall not (i) make or permit to be made an assignment, pledge or hypothecation of the Collateral, and shall grant no other security interest in such Collateral (other than pursuant hereto or except for any Permitted Liens) or (ii) make or permit to be made any transfer of such Collateral, and shall remain at all times in possession thereof except that (a) Inventory may be sold in the ordinary course of business and (b) unless and until the Collateral Agent shall notify the Grantors (which notice may be given by telephone if promptly confirmed in writing) that an Event of Default shall have occurred and be continuing and that during the continuance thereof the Grantors shall not sell, convey, lease, assign, transfer or otherwise dispose of any Collateral

(other than any transfer of Collateral by any Grantor in the ordinary course of business, consistent with past practice and otherwise permitted under the Credit Agreement and the other Loan Documents), the Grantors may use, sell or otherwise dispose of (including by way of merger or otherwise) the Collateral in any lawful manner not inconsistent with the provisions of this Agreement, the Credit Agreement or any other Loan Document. Without limiting the generality of the foregoing, each Grantor agrees that it shall not permit any Inventory to be in the possession or control of any warehouseman, bailee, agent or processor at any time unless such warehouseman, bailee, agent or processor shall have been notified of the security interest and each Grantor shall use its best efforts to obtain a written agreement in form and substance reasonably satisfactory to the Collateral Agent to hold the Inventory subject to the Security Interest and the instructions of the Collateral Agent and to waive and release any Lien held by it with respect to such Inventory, whether arising by operation of law or otherwise.

4.8. *Collateral Agent's Liabilities and Expense; Indemnification.* (a) Notwithstanding anything to the contrary provided herein, the Collateral Agent assumes no liability with respect to any claims regarding each Grantor's ownership (or purported ownership) of, or rights or obligations (or purported rights or obligations) arising from, the Collateral or any use (or actual or alleged misuse) whether arising out of any past, current or future event, circumstance, act or omission or otherwise, or any claim, suit, loss, damage, expense or liability of any kind or nature arising out of or in connection with the Collateral or the production, marketing, delivery, sale or provision of goods or services under or in connection with any of the Collateral. All of such liabilities shall, as between the Collateral Agent and the Grantors, be borne exclusively by the Grantors.

(b) Each Grantor hereby agrees to pay all expenses of the Collateral Agent and to indemnify the Collateral Agent with respect to any and all losses, claims, damages, liabilities, and related expenses in respect of this Agreement or the Collateral in each case to the extent the Term Borrowers or the Revolving Borrower is required to do so pursuant to Section 9.05 of the Credit Agreement.

(c) Any amounts payable as provided hereunder shall be additional Obligations secured hereby and by the other Security Documents. Without prejudice to the survival of any other agreements contained herein, all indemnification and reimbursement obligations contained herein shall survive the payment in full of the principal and interest under the Credit Agreement, the expiration of the Letters of Credit and the termination of this Agreement.

4.9. *Accounts.* (a) The amount represented by such Grantor to the Secured Parties from time to time as owing by each account debtor or by all Account Debtors in respect of such Accounts shall at such time be in all material respects the correct amount actually owing by such account debtor or debtors thereunder.

(b) No Grantor shall, without the prior written consent of the Collateral Agent, grant any extension of the time of payment of any of the Accounts Receivable, compromise, compound or settle the same for less than the full amount thereof, release, wholly or partly, any person liable for the payment thereof, or allow any credit or discount whatsoever thereon (other than extensions, credits, discounts, compromises, compounds or settlements granted or made in the ordinary course of business).

4.10. *Intellectual Property Assignment Filings.* Promptly following the Closing Date, and in any event within 10 days thereof, any Grantor that shall have received an assignment of any

Intellectual Property rights from Group shall make all appropriate filings with any Governmental Authority necessary to evidence such assignment.

4.11. *Covenants Regarding Patent, Trademark and Copyright Collateral.* (a) Such Grantor (either itself or through licensees) will, for each Patent, not do any act, or omit to do any act, whereby any Patent that is material to the conduct of the Grantors' businesses, taken as a whole, may become invalidated or dedicated to the public, and shall continue to mark, to the extent consistent with past practices and good business judgment, any products covered by a material Patent with the relevant patent number as necessary and sufficient to establish and preserve such Grantor's material rights under applicable patent laws.

(b) Such Grantor (either itself or through its licensees or its sublicensees) will, for each Trademark material to the conduct of the Grantors' businesses, taken as a whole, to the extent consistent with past practices and good business judgment, (i) maintain such Trademark in full force free from any material claim of abandonment or invalidity for nonuse, (ii) maintain the quality of products and services offered under such Trademark to the extent that the failure to do so would result in a Material Adverse Effect, (iii) display such Trademark with notice of federal or foreign registration to the extent necessary and sufficient to establish and preserve such Grantor's material rights under applicable law and (iv) not knowingly use or knowingly permit the use of such Trademark in violation of any material third-party rights, except to the extent the same could not reasonably be expected to have a Material Adverse Effect.

(c) Such Grantor (either itself or through licensees) will, for each work covered by a material Copyright, to the extent consistent with past practices and good business judgment, continue to publish, reproduce, display, adopt and distribute the work with appropriate copyright notice as necessary and sufficient to establish and preserve such Grantor's material rights under applicable copyright laws.

(d) Such Grantor (either itself or through licenses) will, for each Industrial Design material to the conduct of such Grantor's business, maintain such Industrial Design in full force and free from any material claim of invalidity and shall continue to mark any products covered by a material Industrial Design with notice of federal or foreign registration to the extent necessary and sufficient to establish and preserve such Grantor's material rights under applicable law, in each case to the extent consistent with past practices and good business judgment.

(e) Such Grantor shall notify the Collateral Agent immediately if it knows that any Patent, Trademark, Copyright or Industrial Design material to the conduct of the Grantors' businesses, taken as a whole, may become abandoned, lost or dedicated to the public, or of any adverse determination or development (including the institution of, or any such determination or development in, any proceeding in the Canadian Patent Office, Canadian Trademark Office, Canadian Copyright Office, Canadian Office for Industrial Designs or any court or similar office of any country) regarding such Grantor's ownership of any such Patent, Trademark, Copyright or Industrial Design, its right to register the same, or to keep and maintain the same.

(f) In no event shall any Grantor, either itself or through any agent, employee, licensee or designee, file an application for any Patent, Trademark, Copyright or Industrial Design (or for the registration of any Trademark, Copyright or Industrial Design) with the Canadian Patent Office, Canadian Trademark Office, Canadian Copyright Office, Canadian Office for Industrial Designs or any

office or agency in any other country or any political subdivision thereof, unless it promptly informs the Collateral Agent, and, upon request of the Collateral Agent, executes and delivers any and all agreements, instruments, documents and papers as the Collateral Agent may reasonably request to evidence (and, in the case of applications for Trademarks with the Canadian Trademark Office, perfect) the Collateral Agent's security interest in such Patent, Trademark, Copyright or Industrial Design of such Grantor and the good will and Intangibles of such Grantor relating thereto or represented thereby, and such Grantor hereby appoints the Collateral Agent as its attorney-in-fact to execute and file such writings for the foregoing purposes, all acts of such attorney being hereby ratified and confirmed; such power, being coupled with an interest, is irrevocable until the Obligations are paid in full. Notwithstanding the foregoing and provided that no Event of Default shall have occurred and be continuing, any and all agreements, instruments, documents or papers received by the Collateral Agent relating to such applications shall be kept confidential by the Collateral Agent.

(g) Such Grantor will take all necessary steps that are consistent with the practice in any proceeding before the Canadian Patent Office, Canadian Trademark Office, Canadian Copyright Office or Canadian Office for Industrial Designs or any office or agency or in any other country or any political subdivision thereof, to maintain and pursue each material application (and to obtain the relevant grant or registration) relating to the Patents, Trademarks, Copyrights and/or Industrial Designs that are material to the Grantors' businesses, taken as a whole, to maintain each issued Patent and each registration of the Trademarks, Copyrights and Industrial Designs that is material to the conduct of the Grantors' businesses, taken as a whole, including timely filings of applications for renewal, affidavits of use, affidavits of incontestability and payment of maintenance fees, and, if consistent with good business judgment, to initiate opposition, interference and cancellation proceedings against third parties.

(h) In the event that any Collateral consisting of a Patent, Trademark, Copyright or Industrial Design material to the conduct of the Grantors' businesses, taken as a whole, is believed by the Grantor that has created the security interest in such Collateral pursuant hereto to have been infringed, misappropriated or diluted by a third party in any material respect, such Grantor shall notify the Collateral Agent promptly after it learns thereof and shall, if consistent with good business judgment, promptly sue for infringement, misappropriation, or dilution and to recover any and all damages for such infringement, misappropriation or dilution, and take such other actions as are appropriate under the circumstances to protect such Collateral.

5. Collections.

5.1. *Lockbox System.* (a) As promptly as practicable and in any event within 60 days following the Closing Date, the Grantors shall establish, pursuant to the Lockbox Agreements and the Depository Agreements, for the ratable benefit of the Collateral Agent and the other Secured Parties, a system of lockboxes and related deposit accounts, including the Collection Deposit Accounts and the Collateral Proceeds Account (the "*Lockbox System*") into which the Proceeds of all U.S. Accounts Receivable and U.S. Inventory shall be deposited in accordance with this Section 5.

(b) All Proceeds of U.S. Inventory and U.S. Accounts Receivable that have been received on any Business Day through the Lockbox System will be transferred into the Collection Deposit Account on such Business Day to the extent required by the applicable Lockbox Agreement or Depository Agreement. All Proceeds (net of taxes and other obligations required to be paid out of such Proceeds in accordance with the terms of the agreements governing such obligations and the Credit Agreement and the other Loan Documents) stemming from the sale of a substantial portion of the U.S.

Collateral (other than Proceeds of U.S. Accounts) that have been received by a Grantor on any Business Day will be transferred into the Collection Deposit Account on such Business Day (or, if such Proceeds are received after normal business hours, on the following Business Day). All U.S. Proceeds received on any Business Day by the Collateral Agent pursuant to Section 5.2 will be transferred into the Collection Deposit Account on such Business Day.

(c) The Collateral Proceeds Account is, and shall remain, under the sole dominion and control of the Collateral Agent. Each Grantor acknowledges and agrees that (i) such Grantor has no right of withdrawal from the Collateral Proceeds Account, (ii) the funds on deposit in the Collateral Proceeds Account shall continue to be collateral security for all of the Obligations and (iii) upon the occurrence and during the continuance of an Event of Default, at the Collateral Agent's election, the funds on deposit in the Collateral Proceeds Account shall be applied as provided in Section 7.3. So long as no Event of Default has occurred and is continuing, any funds on deposit in the Collection Deposit Account shall be available to the Grantors for withdrawal in accordance with the Sub-Agent's customary procedures.

(d) Effective upon notice to the Grantors and the Sub-Agent from the Collateral Agent after the occurrence and during the continuance of an Event of Default (which notice may be given by telephone if promptly confirmed in writing), all amounts on deposit in the Collection Deposit Account shall immediately be transferred to the Collateral Proceeds Account for the benefit of Secured Parties. Each Grantor irrevocably authorizes the Collateral Agent to notify each Sub-Agent (i) of the occurrence of an Event of Default and (ii) of the matters referred to in this paragraph (d). Following the occurrence of an Event of Default, the Collateral Agent may instruct each Sub-Agent to transfer immediately all funds held in each deposit account to the Collateral Proceeds Account.

5.2. *Collections.* (a) Each Grantor agrees (i) to notify and direct promptly each U.S. Account Debtor and every other person obligated to make payments on U.S. Accounts Receivable or in respect of any U.S. Inventory to make all such payments directly to the Lockbox System established in accordance with Section 5.1 (or to wire transfer such payments directly to the Collection Deposit Account), (ii) to use all reasonable efforts to cause each U.S. Account Debtor and every other person identified in clause (i) above to make all payments with respect to U.S. Accounts Receivable and U.S. Inventory directly to such Lockbox System (or to wire transfer such payments directly to the Collection Deposit Account) and (iii) promptly to deposit all payments received by it on account of U.S. Accounts Receivable and U.S. Inventory, whether in the form of cash, checks, notes, drafts, bills of exchange, money orders or otherwise, in the Lockbox System in precisely the form in which received (but with any endorsements of the Grantors necessary for deposit or collection), and until they are so deposited such payments shall be held by such Grantor, as agent, for the benefit of the Collateral Agent.

(b) Without the prior written consent of the Collateral Agent, no Grantor shall, in a manner adverse to the Lenders, change the general instructions given to U.S. Account Debtors in respect of payment on U.S. Accounts to be deposited in the Lockbox System. Each Grantor shall be entitled to, and the Collateral Agent hereby authorizes each Grantor to, enforce and collect all amounts owing on the U.S. Inventory and U.S. Accounts Receivable, for the benefit and on behalf of the Collateral Agent and the other Secured Parties; *provided, however*, that such privilege may at the option of the Collateral Agent be terminated upon the occurrence and during the continuance of any Event of Default by notice to such Grantor (which notice may be given by telephone if promptly confirmed in writing).

6. Provisions Relating to Contracts and Licenses.

6.1. Grantor Remains Liable Under Contracts and Licenses. Anything herein to the contrary notwithstanding, each Grantor shall remain liable to observe and perform all the conditions and obligations to be observed and performed by it under each Contract or License, all in accordance with the terms and conditions thereof, to the extent consistent with good business practice. Without limiting the foregoing, the Collateral Agent shall not have any obligation or liability under any Contract or License by reason of or arising out of this Agreement or the granting or the assignment to the Collateral Agent of the security interest or the receipt by the Collateral Agent of any payment relating to such Contract or License pursuant hereto, nor shall the Collateral Agent be required or obligated in any manner to perform any of the obligations of a Grantor under or pursuant to any Contract or License, to make any payment, to make any inquiry as to the nature or the sufficiency of any payment received by it or as to the sufficiency of any performance by any party under any Contract or License, to present or file any claim, to take any action to enforce any performance or to collect the payment of any amounts which may have been assigned to it or to which it may be entitled at any time or times.

6.2. Communication With Contracting Parties. Upon the occurrence and during the continuance of an Event of Default, the Collateral Agent in its own name or in the name of others may communicate with parties to the Contracts to verify with them to the Collateral Agent's satisfaction the existence, amount and terms of any Contracts.

6.3. Assignment of Licenses. Upon and during the continuance of an Event of Default and at the reasonable request of the Collateral Agent, each Grantor shall use its reasonable efforts to obtain all requisite consents or approvals by the licensor of each Copyright License, Patent License or Trademark License to effect the assignment of all of the Grantors' rights, title and interest thereunder to the Collateral Agent or its designee.

7. Remedies.

7.1. Notice to Account Debtors and Contract Parties. Upon the request of the Collateral Agent at any time after the occurrence and during the continuance of an Event of Default, each Grantor shall notify parties to the Contracts that the Contracts have been charged and assigned to the Collateral Agent for the ratable benefit of the Secured Parties and that payments in respect thereof during the continuance of such an Event of Default shall be made directly to the Collateral Agent.

7.2. Proceeds To Be Turned Over to Collateral Agent. In addition to the rights of the Collateral Agent and the Secured Parties specified in Section 5.1 with respect to the Lockbox System, if an Event of Default shall occur and be continuing, all Proceeds received by a Grantor consisting of cash, cheques and other near-cash items shall upon the Collateral Agent's request be held by such Grantor, as agent, for the benefit of the Secured Parties, segregated from other funds of such Grantor, and shall, upon the Collateral Agent's request forthwith upon receipt by such Grantor, be turned over to the Collateral Agent in the exact form received by such Grantor (duly indorsed by such Grantor to the Collateral Agent, if required) and held by the Collateral Agent in the Collateral Proceeds Account. All Proceeds while held by the Collateral Agent in the Collateral Proceeds Account (or by such Grantor in trust for the Collateral Agent and the Secured Parties) shall, subject to Section 7.3, continue to be held as collateral security for all the Obligations and shall not constitute payment thereof until applied as provided in Section 7.3.

7.3. Application of Proceeds. If an Event of Default shall have occurred and be continuing, and the Collateral Agent shall have requested a Grantor to take any action set forth in Section 7.2 or the Collateral Agent shall have taken any action pursuant to Section 5.1 or 7.4, the Collateral Agent shall apply the proceeds as follows:

First, to the payment of the reasonable costs and expenses of the Collateral Agent as set forth in Section 7.4;

Second, to the payment of all amounts of the Obligations owed to the Secured Parties in respect of Loans and Acceptances made by them and outstanding and amounts owing in respect of any L/C Disbursement, pro rata as among the Secured Parties in accordance with the amount of such Obligations owed to them;

Third, to the payment and discharge in full of the Obligations (other than those referred to above), pro rata as among the Secured Parties in accordance with the amount of such Obligations owed to them; and

Fourth, after payment in full of all Obligations, to the applicable Grantor, or its successors or assigns, or to whomsoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct, any Collateral then remaining.

7.4. Remedies. (a) If an Event of Default shall have occurred and be continuing, the Collateral Agent, on behalf of the Secured Parties may exercise, in addition to all other rights and remedies granted to them in this Agreement and in any other instrument or agreement securing, evidencing or relating to the Obligations, all rights and remedies of a secured party provided for by law. Without limiting the generality of the foregoing, the Collateral Agent may, if an Event of Default shall have occurred and be continuing, take any one or more of the following actions (in each case subject to and as required by applicable law):

(i) enter into possession of the Collateral;

(ii) commence proceedings in any court of competent jurisdiction for sale or foreclosure or similar proceedings of all or any part of the Collateral;

(iii) file proofs of claim and any other documents to establish its claims in any proceeding relative to a Grantor;

(iv) take possession of, collect, receive, appropriate and realize upon the Collateral, and/or sell, lease, assign, license, give one or more options to purchase, or otherwise dispose of and deliver the Collateral (or contract to do any of the foregoing), in one or more parcels at public, private or judicial sale or sales, at any exchange, broker's board or office of the Collateral Agent or elsewhere upon such terms and conditions as it may deem advisable and at such prices as it may deem best, for cash or on credit or for future delivery without assumption of any credit risk. The Collateral Agent will have the right upon any such public or judicial sale or sales, and, to the extent permitted by law, upon any such private sale or sales, to purchase the Collateral so sold, free of any right or equity of redemption in a Grantor, which right or equity is hereby waived and released to the extent permitted by applicable law. Each Grantor agrees, at the Collateral Agent's request, to assemble the

Collateral and make it available to the Collateral Agent at places which the Collateral Agent will reasonably select, whether at such Grantor's premises or elsewhere;

(v) by an instrument in writing appoint a receiver (which term as used herein will include a receiver, manager or an agent) of the Collateral and may remove or replace such receiver from time to time or may institute proceedings in any court of competent jurisdiction for the appointment of such receiver;

(vi) commence proceedings in any court of competent jurisdiction for the appointment of a receiver of the Collateral;

(vii) transfer any securities forming part of the Collateral into the name of the Collateral Agent or its nominee, in their respective capacities as Collateral Agent or nominee of the Collateral Agent, with or without disclosing that such securities are subject to the Lien hereunder;

(viii) exercise any and all rights of conversion, exchange, subscription or any other rights, privileges or options pertaining to any securities forming part of the Collateral as if it were the absolute owner thereof, including the right to exchange at its discretion any and all securities upon the merger, consolidation, reorganization, recapitalization or other readjustment of any issuer thereof or upon the exercise by any issuer thereof or the Collateral Agent of any right, privilege or option pertaining to any of the securities, and in connection therewith, to deposit and deliver any and all securities with any committee, depositary, transfer agent, registrar or other designated agency upon such terms and conditions as the Collateral Agent may determine, all without liability except to account for property actually received by the Collateral Agent;

(ix) with respect to Collateral consisting of Intellectual Property, on demand, cause the security interest to become an assignment, transfer and conveyance of any of or all such Collateral by the applicable Grantors to the Collateral Agent, or license or sublicense, whether general, special or otherwise, and whether on an exclusive or non-exclusive basis, any such Collateral throughout the world on terms and conditions and in such manner as the Collateral Agent shall reasonably determine (other than in violation of any then-existing licensing arrangements to the extent that waivers cannot be obtained); and/or;

(x) exercise any other remedy or proceeding authorized or permitted hereby or by applicable law.

(b) The Collateral Agent may take any or all of the foregoing action without demand of performance or other demand, presentment, protest, advertisement or notice of any kind (except as required by law or the Credit Agreement) to or upon a Grantor or any other person, and such Grantor hereby waives each such demand, presentment, protest, advertisement and notice to the extent permitted by applicable law.

(c) The Collateral Agent may apply the net proceeds of any collection, recovery, receipt, appropriation, realization or sale of any Collateral, after deducting all reasonable costs and expenses of every kind incurred therein or incidental to the care or safekeeping of any of the Collateral or in any way relating to the Collateral or the rights of the Collateral Agent hereunder, including

reasonable legal fees and disbursements on a solicitor and his own client basis and the reasonable costs of any receiver, to the payment in whole or in part of the Obligations, in such order as set forth in Section 7.3, and only after such application and after the payment by the Collateral Agent of any other amount required by applicable law, need the Collateral Agent account for the surplus, if any, to such Grantor.

(d) To the extent permitted by applicable law, each Grantor waives all claims, damages and demands it may acquire against the Collateral Agent arising out of the exercise by the Collateral Agent or any receiver of any rights or remedies hereunder, except to the extent such claims, damages and demands are the result of the Collateral Agent's intentional or gross fault. Each Grantor shall remain liable for any deficiency if the proceeds of any sale or other disposition of the Collateral are insufficient to pay and satisfy the Obligations.

(e) Each Grantor agrees that in connection with any offer or sale of any securities forming part of the Collateral, the Collateral Agent is authorized to comply with any limitation or restriction in connection with any such offer or sale as it may be advised by counsel is necessary in order to avoid any violation of applicable law, including compliance with such procedures as may restrict the number of prospective bidders and purchasers, requiring that such prospective bidders and purchasers have certain qualifications, and restricting such prospective bidders and purchasers to persons who will represent and agree that they are purchasing for their own account or investment and not with a view to the distribution or resale of such securities. Each Grantor further agrees that such compliance will not result in such sale being considered or deemed not to have been made in a commercially reasonable manner, and the Collateral Agent will not be liable or accountable to any Grantor for any discount allowed by reason of the fact that such securities are sold in compliance with any such limitation or restriction.

(f) The Collateral Agent shall have absolute discretion as to the time of application of any such proceeds, moneys or balances in accordance with this Agreement. Upon any sale of the Collateral by the Collateral Agent (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the Collateral Agent or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Collateral Agent or such officer or be answerable in any way for the misapplication thereof.

7.5. Grant of License to Use Patent, Trademark and Copyright Collateral. For the purpose of enabling the Collateral Agent to exercise rights and remedies under Section 7 hereof at such time as the Collateral Agent shall be lawfully entitled to exercise such rights and remedies, each Grantor hereby grants to the Collateral Agent an irrevocable, non-exclusive license (exercisable without payment of royalty or other compensation to such Grantor) to use, license or sublicense any of the Collateral now owned or hereafter acquired by such Grantor, and wherever the same may be located, and including in such license reasonable access to all media in which any of the licensed items may be recorded or stored. The use of such license by the Collateral Agent shall be exercised, at the option of the Collateral Agent for any purpose appropriate in connection with the exercise of remedies hereunder, only upon the occurrence and during the continuance of an Event of Default, *provided* that any license, sublicense or other transaction entered into by the Collateral Agent in accordance herewith shall be binding upon such Grantor notwithstanding any subsequent cure of an Event of Default. The Collateral Agent agrees to apply the net proceeds received from any license as provided in Section 7.3 hereof.

7.6. Powers of Receiver. (a) Any receiver appointed by the Collateral Agent hereunder may be vested with the rights and powers of the Collateral Agent hereunder and, upon the occurrence and during the continuance of an Event of Default, will have power to take possession of and collect the Collateral and for that purpose, to take proceedings in the name of a Grantor or otherwise and to make any arrangement or compromise and to carry on, or concur in carrying on, all or any part of the business of such Grantor and to use, collect, sell, dispose of, realize upon, release to third parties and otherwise deal with the Collateral or any part thereof as to it seems best. The Collateral Agent may from time to time fix the remuneration of the receiver. Without limiting the generality of the foregoing, any receiver appointed by the Collateral Agent hereunder will have power, upon the occurrence and during the continuance of an Event of Default, to:

(i) from time to time and without any previous notice or demand and free of charge enter upon or into and occupy and use all or any of the premises, buildings, warehouse and undertaking of or occupied or used by such Grantor;

(ii) borrow or raise money on the security of the Collateral in priority to this Agreement or otherwise for such purposes as may be approved by the Collateral Agent; and

(iii) sell or otherwise dispose of or concur in selling or otherwise disposing of the Collateral without notice and in such manner as may seem advisable to the receiver, and to effect such sale or disposition by conveying in the name and on behalf of such Grantor or otherwise.

(b) The receiver may be vested with such other rights and powers of the Collateral Agent hereunder and such other discretions and powers reasonably related thereto as are granted in the instrument of appointment and any supplement thereto. The receiver will for all purposes be deemed to be the agent of such Grantor and not of the Collateral Agent, and such Grantor will be solely responsible for his acts or defaults (except in the case of the gross negligence or willful misconduct of the receiver) and for his remuneration.

8. Collateral Agent's Appointment as Attorney-in-Fact; Collateral Agent's Performance of Grantors' Obligations.

8.1. Powers. Each Grantor hereby irrevocably constitutes and appoints the Collateral Agent and any officer or agent thereof, with full power of substitution, during the continuance of an Event of Default, as its true and lawful attorney-in-fact, with full irrevocable power and authority in the place and stead of such Grantor and in the name of such Grantor or in its own name from time to time in the Collateral Agent's discretion, for the purpose of carrying out the terms of this Agreement, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of this Agreement, and, without limiting the generality of the foregoing, such Grantor hereby gives the Collateral Agent the power and right, on behalf of such Grantor, without notice to or assent by such Grantor, to do the following upon the occurrence and during the continuance of an Event of Default:

(a) in the name of such Grantor or its own name, or otherwise, to take possession of and indorse and collect any cheques, drafts, notes, acceptances or other instruments for the payment of moneys due under any Account, Instrument, Intangible or Contract or with respect to any other Collateral and to file any claim or to take any other action or proceeding in any

court of law or equity or otherwise deemed appropriate by the Collateral Agent for the purpose of collecting any and all such moneys due under any Account, Instrument, Intangible or Contract or with respect to any other Collateral whenever payable;

(b) to pay or discharge taxes and Liens levied or placed on or threatened against the Collateral, to effect any repairs or any insurance called for by the terms of this Agreement and to pay all or any part of the premiums therefor and the costs thereof;

(c) to execute, in connection with any sale provided for in Section 7.4 hereof, any endorsements, assignments or other instruments of conveyance or transfer with respect to the Collateral; and

(d) (i) to direct any party liable for any payment under any of the Collateral to make payment of any and all moneys due or to become due thereunder directly to the Collateral Agent or as the Collateral Agent shall direct; (ii) to ask or demand for, collect, receive payment of and receipt for, any and all moneys, claims and other amounts due or to become due at any time in respect of or arising out of any Collateral; (iii) to sign and indorse any invoices, freight or express bills, bills of lading, storage or warehouse receipts, drafts against debtors, assignments, verifications, notices and other documents in connection with any of the Collateral; (iv) to commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect the Collateral or any thereof and to enforce any other right in respect of any Collateral; (v) to defend any suit, action or proceeding brought against such Grantor with respect to any Collateral; (vi) to settle, compromise or adjust any such suit, action or proceeding and, in connection therewith, to give such discharges or releases as the Collateral Agent may deem appropriate; and (vii) generally, to use, sell, transfer, pledge and make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though the Collateral Agent were the absolute owner thereof for all purposes, and to do, at the Collateral Agent's option and at the expense of such Grantor, at any time, or from time to time, all acts and things that the Collateral Agent reasonably deems necessary to protect, preserve or realize upon such Collateral and the Collateral Agent's and the Secured Parties' security interests therein and to effect the intent of this Agreement, all as fully and effectively as such Grantor might do.

8.2. *Performance by Collateral Agent of Grantor's Obligations.* If any Grantor fails to perform or comply with any of its agreements contained herein, the Collateral Agent, at its option, but without any obligation so to do, may perform or comply, or otherwise cause performance or compliance, with such agreement.

8.3. *Grantor's Reimbursement Obligation.* The expenses of the Collateral Agent reasonably incurred in connection with actions undertaken as provided in this Section 8, together with interest thereon at a rate per annum equal to the default rate of interest set forth in Section 2.07 of the Credit Agreement, from the date payment is demanded by the Collateral Agent to the date reimbursed by such Grantor, shall be payable by such Grantor to the Collateral Agent on demand.

8.4. *Ratification; Power Coupled With An Interest.* Each Grantor hereby ratifies all that said attorneys shall lawfully do or cause to be done by virtue hereof. All powers, authorizations and agencies contained in this Agreement are coupled with an interest and are irrevocable until this Agreement is terminated and the security interests created hereby are released.

9. *Duty of Collateral Agent.* The Collateral Agreement's sole duty with respect to the custody, safekeeping and physical preservation of any Collateral in its possession shall be to deal with it in the same manner as the Collateral Agent deals with similar property for its own account. No Secured Party nor any of its respective directors, officers, employees or agents shall be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of the Grantor or any other person or to take any other action whatsoever with regard to the Collateral or any part thereof. The powers conferred on the Secured Parties hereunder are solely to protect the Collateral Agent and the Secured Parties' interests in the Collateral and shall not impose any duty upon the Collateral Agent or any Secured Party to exercise any such powers. The Collateral Agent and the Secured Parties shall be accountable only for amounts that they actually receive as a result of the exercise of such powers, and neither they nor any of their officers, directors, employees or agents shall be responsible to any Grantor for any act or failure to act hereunder, except for their own intentional or gross fault.

10. *Execution of Financing Statements.* Each Grantor authorizes the Collateral Agent to file financing statements and make all other similar or necessary filings and registrations with respect to the Collateral.

11. *Authority of Collateral Agent.* The rights and responsibilities of the Collateral Agent under this Agreement with respect to any action taken by the Collateral Agent or the exercise or non-exercise by the Collateral Agent of any option, voting right, request, judgment or other right or remedy provided for herein or resulting or arising out of this Agreement shall, as between the Collateral Agent and the other Secured Parties, be governed by the Credit Agreement and by such other agreements with respect thereto as may exist from time to time among them but, as between the Collateral Agent and the Grantors, the Collateral Agent shall be conclusively presumed to be acting as agent for the other Secured Parties with full and valid authority so to act or refrain from acting.

12. *Notices.* All notices, requests and demands to or upon the Collateral Agent, the Secured Parties or the Grantors under this Agreement shall be given or made in accordance with Section 9.01 of the Credit Agreement.

13. *Security Interest Absolute.* All rights of the Collateral Agent hereunder, the security interest and all obligations of each Grantor hereunder shall be absolute and unconditional.

14. *Survival of Agreement.* All covenants, agreements, representations and warranties made by any Grantor herein and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the Secured Parties and shall survive the making by the Lenders of the Loans, the execution and delivery to the Lenders of the Loan Documents and the issuance of any Letters of Credit, regardless of any investigation made by the Secured Parties or on their behalf, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or L/C Disbursement, or any Fee or any other amount payable under or in respect of this Agreement or any other Loan Document is outstanding and unpaid and so long as any Letter of Credit is outstanding and the Commitments have not been terminated.

15. Jurisdiction; Consent to Service of Process. (a) Each Grantor hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of any Quebec court and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such Quebec court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that any Grantor, the Collateral Agent or any Secured Party may otherwise have to bring any action or proceeding relating to this Agreement or the other Loan Documents in the courts of any jurisdiction.

(b) Each Grantor, the Collateral Agent and each Secured Party hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection that it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of relating to this Agreement in any Quebec court. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) Each party to this Agreement irrevocably consents, to the fullest extent it may legally and effectively do so, to service of process in the manner provided for notices in Section 12. Nothing in this Agreement will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

16. Release. (a) This Agreement and the security interest created hereunder shall terminate when all Obligations have been fully and indefeasibly paid and when the Secured Parties have no further Commitments under the Credit Agreement and no Letters of Credit are outstanding, at which time the Collateral Agent shall execute and deliver to each Grantor, or to such person or persons as such Grantor shall reasonably designate, all discharges and similar documents prepared by each Grantor at its expense which such Grantor shall reasonably request to evidence such termination. Any execution and delivery of discharges pursuant to this Section 17(a) shall be without recourse to or warranty by the Collateral Agent.

(b) Should the Obligations of any Grantor be indefeasibly paid in full at any time or from time to time without the security interests hereby created being released and discharged by the Collateral Agent, the security interests herein created shall remain effective and secure the payment, execution and performance of any new Obligations, to the same extent and for the amounts herein expressed, as if the Obligations had never been repaid and any such Grantor is and will continue to be bound hereby; each Grantor agreeing that it shall be deemed to have obliged itself again in respect of any new Obligations pursuant to this agreement and the security interests herein created shall secure the payment, performance and execution of any and all such new Obligations.

(c) All Collateral used, sold, transferred or otherwise disposed of, in accordance with the terms of the Credit Agreement or this Agreement (including, in each case, pursuant to a waiver or amendment of the terms thereof) shall be used, sold, transferred or otherwise disposed of free and clear of the Lien and the security interest created hereunder. In connection with the foregoing, (i) the Collateral Agent shall execute and deliver to each Grantor, or to such person or persons as each Grantor shall reasonably designate, all discharges and similar documents prepared by each Grantor at

its expense which such Grantor shall reasonably request to evidence the release of the Lien and security interest created hereunder with respect to such Collateral and (ii) any representation, warranty or covenant contained herein relating to such Collateral shall no longer be deemed to be made with respect to such used, sold, transferred or otherwise disposed Collateral.

17. *Severability.* Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. The parties hereunder shall endeavor in good faith negotiations to replace the invalid provisions with valid provisions, the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

18. *Amendments in Writing; No Waiver; Cumulative Remedies.*

18.1. *Amendments in Writing.* None of the terms or provisions of this Agreement may be waived, amended, supplemented or otherwise modified except by a written instrument executed by the Grantors and the Collateral Agent, *provided* that any provision of this Agreement may be waived by the Required Lenders pursuant to a letter or agreement executed by the Collateral Agent or by telecopy transmission from the Collateral Agent.

18.2. *No Waiver by Course of Conduct.* Neither the Collateral Agent nor any Secured Party shall, by any act (except by a written instrument pursuant to Section 19.1 hereof) or delay be deemed to have waived any right or remedy hereunder or to have acquiesced in any Default or Event of Default or in any breach of any of the terms and conditions hereof. No failure to exercise, nor any delay in exercising, on the part of the Collateral Agent or any Secured Party, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by the Collateral Agent or any Secured Party of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy which the Collateral Agent or any such Secured Party would otherwise have on any future occasion.

19. *Remedies Cumulative.* The rights and remedies herein provided are cumulative, may be exercised singly, concurrently or successively and are not exclusive of any other rights or remedies provided by law and all such rights and remedies shall be available independently as against each Grantor in respect of its Obligations to the same extent and as if each Grantor had executed this Agreement alone.

20. *Section Headings.* The section and Section headings used in this Agreement are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof.

21. *Successors and Assigns.* This Agreement shall be binding upon the permitted successors and assigns of each Grantor and shall inure to the benefit of each Grantor and the Secured Parties and their permitted successors and assigns, *provided* that this Agreement may not be assigned by any Grantor without the prior written consent of the Collateral Agent.

22. *Governing Law.* THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE PROVINCE OF QUEBEC, EXCEPT TO THE EXTENT THAT CANADIAN LAW MAY APPLY TO CANADIAN PATENTS, TRADEMARKS AND COPYRIGHTS AND THE LAWS OF ANY FOREIGN JURISDICTION MAY APPLY TO ITS PATENTS, TRADEMARKS AND COPYRIGHTS.

23. *Counterparts.* This Agreement may be executed in two or more counterparts, each of which shall constitute an original but all of which when taken together shall constitute but one contract.

24. *Language.* The parties confirm their express wish that this Agreement and all documents related hereto be drafted in English.

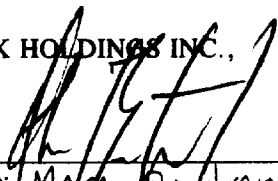

Les parties confirment leur volonté expresse de voir le présent contrat et tous les documents dy rattachement rédigés en anglais.

25. *Additional Grantors.* Pursuant to Section 5.11 of the Credit Agreement, each Subsidiary that was not in existence or not a Subsidiary on the date thereof is required to enter into this Agreement as a Grantor upon becoming a Subsidiary. Upon execution and delivery, after the date hereof, by the Collateral Agent and such Subsidiary of an instrument in the form of Annex 2, such Subsidiary shall become a Grantor hereunder with the same force and effect as if originally named as a Grantor hereunder. The execution and delivery of any such instrument shall not require the consent of any Grantor hereunder. The rights and obligations of each Grantor hereunder shall remain in full force and effect notwithstanding the addition of any new Grantor as a party to this Agreement.

IN WITNESS WHEREOF, the undersigned has caused this Movable Hypothec to be duly executed and delivered as the date first above written.

[LETTERHEAD OF CHEMICAL BANK]

February 1, 1996

National Bank of Canada
[Address]Attention: ●

Dear Sirs:

Re: Ritvik Toys Inc.

We refer to the Credit Agreement (the "Credit Agreement") dated as of February 8, 1996 among Ritvik Holdings Inc., Ritvik Toys Inc., RTI Funding Corporation, 9029-8712 Quebec Inc., the Subsidiaries of Ritvik Toys Inc. from time to time parties thereto, Chemical Bank of Canada, as administrative agent for the Canadian Lenders (in such capacity, the "Canadian Administrative Agent") and issuing bank (in such capacity, the "Issuing Bank"), the financial institutions from time to time parties thereto (collectively, the "Lenders"), Chemical Bank, as administrative agent (in such capacity, the "U.S. Administrative Agent") for the U.S. Lenders, and as collateral agent (in such capacity, the "Collateral Agent"). Capitalized terms not defined in this letter have the meanings given in the Credit Agreement. We are writing to you in our capacity as Collateral Agent.

We understand that Ritvik Toys Inc. and Ritvik Holdings Inc. (the "Credit Parties") may from time to time establish one or more bank accounts with National Bank of Canada ("National"). The purpose of this letter is to notify National that, pursuant to various security documentation executed and delivered by the Credit Parties pursuant to the Credit Agreement, the Credit Parties have assigned, pledged and hypothecated to the Collateral Agent, and have granted to the Collateral Agent a continuing security interest in, all of their present and future property (the "Collateral"). The Collateral includes all right, title and interest of each Credit Party in all of its accounts receivable, including any bank account which may from time to time be established by National for either Credit Party.

Please confirm, by signing a copy of this letter in the space provided below and returning it to the Collateral Agent, the following:

1. National acknowledges the assignment, pledge and hypothecation of, and grant of a continuing security interest in, the Collateral to the Collateral Agent.
2. National acknowledges that, pursuant to the security documentation delivered by the Credit Parties to the Collateral Agent pursuant to the Credit Agreement, the Collateral Agent may, by written notice to National after the occurrence and during the continuance of a Default or an Event of Default, require that National pay to the Collateral Agent any and all amounts deposited by or for the account of either Credit Party with National. Upon receipt by National of any such notice from the Collateral Agent, National will, on such day and each Business Day thereafter until such Default or Event of Default shall have been cured, pay to the Collateral Agent any and all such amounts then on deposit with National.
3. National will not exercise any right of setoff, bankers' lien, right to combine or consolidate accounts or any other similar right with respect to any of the Collateral without the prior written consent of the Collateral Agent.
4. National will not take any security (in any form) in respect of any of the assets of either Credit Party without the prior written consent of the Collateral Agent; provided, however, that the foregoing restriction will not apply to the extent that National, as a Lender under the Credit Agreement, has the ratable benefit of any of the security granted by the Credit Parties to the Collateral Agent pursuant to the Credit Agreement.

The parties hereto have expressly required that this agreement and all documents, agreements and notices related hereto be drafted in the English language. Les parties aux présentes ont expressement exigé que le présent contrat et tous les autres documents, conventions ou avis qui y sont afférents soient rédigés en langue anglaise.

Yours truly,

B. The Grantors have entered into the Movable Hypothec in order to induce the Lenders to make Loans and the Issuing Bank to issue Letters of Credit pursuant to, and upon the terms and subject to the conditions specified in, the Credit Agreement. Pursuant to Section 5.11 of the Credit Agreement, each Subsidiary that was not in existence or not a Subsidiary on the date thereof is required to enter into the Movable Hypothec as a Grantor upon becoming a Subsidiary. Section 25 of the Movable Hypothec provides that additional Subsidiaries may become Grantors under the Movable Hypothec by execution and delivery of an instrument in the form of this Supplement. The undersigned (the "*New Grantor*") is a Subsidiary and is executing this Supplement in accordance with the requirements of the Credit Agreement to become a Grantor under the Movable Hypothec in order to induce the Lenders to make additional Loans and the Issuing Bank to issue additional Letters of Credit and as consideration for Loans previously made and Letters of Credit previously issued.

Accordingly, the Collateral Agent and the New Grantor agree as follows:

SECTION 1. In accordance with Section 25 of the Movable Hypothec, the New Grantor by its signature below becomes a Grantor under the Movable Hypothec with the same force and effect as if originally named therein as a Grantor and the New Grantor hereby agrees to all the terms and provisions of the Movable Hypothec applicable to it as a Grantor thereunder and hereby hypothecates by way of first ranking hypothec in favour of the Collateral Agent, for the benefit of the Secured Parties, for the same amount and the same interest rate provided in the Movable Hypothec, all its right to any Collateral. Each reference to a "Grantor" in the Movable Hypothec shall be deemed to include the New Grantor. The Movable Hypothec is hereby incorporated herein by reference.

SECTION 2. The New Grantor represents and warrants to the Secured Parties that this Supplement has been duly authorized, executed and delivered by it and constitutes its legal, valid and binding obligation, enforceable against it in accordance with its terms, subject to the effects of

applicable bankruptcy, insolvency or similar laws effecting creditors' rights generally and equitable principles of general applicability.

SECTION 3. This Supplement may be executed in two or more counterparts, each of which shall constitute an original, but all of which, when taken together, shall constitute but one instrument. This Supplement shall become effective when the Collateral Agent shall have received counterparts of this Supplement that, when taken together, bear the signatures of the New Grantor and the Collateral Agent.

SECTION 4. Except as expressly supplemented hereby, the Security Agreement shall remain in full force and effect.

SECTION 5. THIS SUPPLEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE PROVINCE OF QUEBEC.

SECTION 6. In case any one or more of the provisions contained in this Supplement should be held invalid, illegal or unenforceable in any respect, neither party hereto shall be required to comply with such provision for so long as such provision is held to be invalid, illegal or unenforceable, but the validity, legality and enforceability of the remaining provisions contained herein and in the Movable Hypothec shall not in any way be affected or impaired. The parties hereto shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 7. All communications and notices hereunder shall be in writing and given as provided in the Credit Agreement. All communications and notices hereunder to the New Grantor shall be given to it at the address set forth under its signature, with a copy to the Borrower.

IN WITNESS WHEREOF, the New Grantor and the Collateral Agent have duly executed this Supplement to the Movable Hypothec as of the day and year first above written.
