## TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (this "Agreement"), dated as of October 7, 1998 is made by ELKAY PLASTICS CO., INC., a California corporation ("Debtor"), and FLEET CAPITAL CORPORATION, a Rhode Island corporation ("Secured Party").

### RECITALS

A. Debtor and Secured Party have entered into that certain Loan and Security Agreement, of even date herewith (as amended, restated, modified, renewed or extended from time to time, the "Loan Agreement"), pursuant to which Secured Party has agreed to make certain financial accommodations to Debtor, and pursuant to which Debtor has granted to Secured Party security interests in (among other things) all of the general intangibles of Debtor.

B. Pursuant to the Loan Agreement and as one of the conditions precedent to the obligations of Secured Party under the Loan Agreement, Debtor has agreed to execute and deliver this Agreement to Secured Party for filing with the PTO and with any other relevant recording systems in any domestic jurisdiction, and as further evidence of and to effectuate Secured Party's existing security interests in the trademarks and other general intangibles described herein.

### ASSIGNMENT

NOW, THEREFORE, for valuable consideration, the receipt and adequacy of which is hereby acknowledged, Debtor hereby agrees in favor of Secured Party as follows:

1. Definitions; Interpretation.

(a) Certain Defined Terms. As used in this Agreement, the following terms shall have the following meanings:

"Debtor" shall have the meaning ascribed to such term in the introductory paragraph of this Agreement.

"Proceeds" means whatever is receivable or received from or upon the sale, lease, license, collection, use, exchange or other disposition, whether voluntary or involuntary, of any Trademark Collateral, including "proceeds" as defined at UCC Section 9306, all insurance proceeds and all proceeds of proceeds. Proceeds shall include (i) any and all accounts, chattel paper, instruments, general intangibles, cash and other proceeds, payable to or for the account of Debtor, from time to time in respect of any of the Trademark Collateral, (ii) any and all proceeds of any insurance, indemnity, warranty or guaranty payable to or for the account of Debtor from time to time with respect to any of the

Trademark Collateral, (iii) any and all claims and payments (in any form whatsoever) made or due and payable to Debtor from time to time in connection with any requisition, confiscation, condemnation, seizure or forfeiture of all or any part of the Trademark Collateral by any Person acting under color of governmental authority, and (iv) any and all other amounts from time to time paid or payable under or in connection with any of the Trademark Collateral or for or on account of any damage or injury to or conversion of any Trademark Collateral by any Person.

“PTO” means the United States Patent and Trademark Office and any successor thereto.

“Secured Obligations” means all liabilities, obligations, or undertakings owing by Debtor to Secured Party of any kind or description arising out of or outstanding under, advanced or issued pursuant to, or evidenced by the Loan Agreement, the other Loan Documents, or this Agreement, irrespective of whether for the payment of money, whether direct or indirect, absolute or contingent, due or to become due, voluntary or involuntary, whether now existing or hereafter arising, and including all interest (including interest that accrues after the filing of a case under the Bankruptcy Code) and any and all costs, fees (including attorneys fees), and expenses which Debtor is required to pay pursuant to any of the foregoing, by law, or otherwise.

“Trademark Collateral” has the meaning set forth in Section 2.

“Trademarks” has the meaning set forth in Section 2.

“United States” and “U.S.” each mean the United States of America.

(b) Terms Defined in UCC. Where applicable and except as otherwise defined herein, terms used in this Agreement shall have the meanings assigned to them in the UCC.

(c) Interpretation. In this Agreement, except to the extent the context otherwise requires:

(i) Any reference to a Section or a Schedule is a reference to a section hereof, or a schedule hereto, respectively, and to a subsection or a clause is, unless otherwise stated, a reference to a subsection or a clause of the Section or subsection in which the reference appears.

(ii) The words “hereof,” “herein,” “hereto,” “hereunder” and the like mean and refer to this Agreement as a whole and not merely to the specific Section, subsection, paragraph or clause in which the respective word appears.

(iii) The meaning of defined terms shall be equally applicable to both the singular and plural forms of the terms defined.

(iv) The words “including,” “includes” and “include” shall be deemed to be followed by the words “without limitation.”

(v) References to agreements and other contractual instruments shall be deemed to include all subsequent amendments and other modifications thereto.

(vi) References to statutes or regulations are to be construed as including all statutory and regulatory provisions consolidating, amending or replacing the statute or regulation referred to.

(vii) Any captions and headings are for convenience of reference only and shall not affect the construction of this Agreement.

(viii) Terms defined in the Loan Agreement and not otherwise defined herein shall have the respective meanings assigned to them in the Loan Agreement and the rules of construction set forth in the Loan Agreement shall likewise govern this Agreement.

(ix) In the event of any actual, irreconcilable conflict between the terms and provisions of this Agreement and the Loan Agreement, the terms and provisions of the Loan Agreement shall control and govern; provided, however, that the inclusion herein of additional obligations on the part of Debtor and supplemental rights and remedies in favor of Secured Party (whether under federal law or applicable California law), in each case in respect of the Trademark Collateral, shall not be deemed a conflict in the Loan Agreement.

## 2. Security Interests.

(a) Assignment and Grant of Security Interests. To secure the Secured Obligations, Debtor hereby grants, assigns, transfers and conveys to Secured Party continuing security interests in all of Debtor's right, title and interest in and to the following property, whether now existing or hereafter acquired or arising and whether registered or unregistered (collectively, the "Trademark Collateral"):

(i) all state (including common law) and federal trademarks, service marks and trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, now existing or hereafter adopted or acquired, together with and including all licenses therefor held by Debtor (unless otherwise prohibited by any license or related licensing agreement under circumstances where the granting of the security interests would have the effect under applicable law of terminating or permitting termination of the license for breach (unless the licensor has consented to such grant or waived such termination remedy)), and all registrations and recordings thereof, and all applications filed or to be filed in connection therewith, including registrations and applications in the PTO, any State of the United States and all extensions or renewals thereof, including without limitation any of the foregoing identified on Schedule A hereto (as the same may be amended, modified or supplemented from time to time), and the right (but not the

obligation) to register claims under any state or federal trademark law or regulation and to apply for, renew and extend any of the same, to sue or bring opposition or cancellation proceedings in the name of Debtor or in the name of Secured Party for past, present or future infringement or unconsented use thereof, and all rights arising therefrom throughout the world (collectively, the "Trademarks");

(ii) all claims, causes of action and rights to sue for past, present or future infringement or unconsented use of any Trademarks and all rights arising therefrom and pertaining thereto;

(iii) all general intangibles related to or arising out of any of the Trademarks and all the goodwill of Debtor's businesses symbolized by the Trademarks or associated therewith and associated product lines to the extent embodying the Trademarks; and

(iv) all products and Proceeds of any and all of the foregoing.

(b) Continuing Security Interests. Debtor agrees that this Agreement shall create continuing security interests in the Trademark Collateral which shall remain in effect until terminated in accordance with Section 17.

3. Further Assurances; Appointment of Secured Party as Attorney-in-Fact. Debtor at its expense shall execute and deliver, or cause to be executed and delivered, to Secured Party any and all documents and instruments, in form and substance reasonably satisfactory to Secured Party, and take any and all action, which Secured Party may reasonably request from time to time, to perfect and continue perfected, maintain the priority of or provide notice of Secured Party's security interests in the Trademark Collateral and to accomplish the purposes of this Agreement. Secured Party shall have the right, in the name of Debtor, or in the name of Secured Party or otherwise, without notice to or assent by Debtor, and Debtor hereby irrevocably constitutes and appoints Secured Party (and any of Secured Party's officers or employees or agents designated by Secured Party) as Debtor's true and lawful attorney-in-fact with full power and authority, (i) to sign the names of Debtor on all or any of such documents or instruments and perform all other acts that Secured Party reasonably deems necessary or advisable in order to perfect or continue perfected, maintain the priority or enforceability of or provide notice of Secured Party's security interests in, the Trademark Collateral, and (ii) to execute any and all other documents and instruments, and to perform any and all acts and things for and on behalf of Debtor, which Secured Party reasonably may deem necessary or advisable to maintain, preserve and protect the Trademark Collateral and to accomplish the purposes of this Agreement, including (A) after the occurrence and during the continuance of any Event of Default, to defend, settle, adjust or institute any action, suit or proceeding with respect to the Trademark Collateral, (B) after the occurrence and during the continuance of an Event of Default, to assert or retain any rights under any license agreement for any of the Trademark Collateral, and (C) after the occurrence and during the continuance of any Event of Default, to execute any and all applications, documents, papers and instruments for Secured Party to use the Trademark

Collateral, to grant or issue any exclusive or non-exclusive license with respect to any Trademark Collateral, and/or to assign, convey or otherwise transfer title in or dispose of the Trademark Collateral. The power of attorney set forth in this Section 3, being coupled with an interest, is irrevocable so long as this Agreement shall not have terminated in accordance with Section 17.

4. Representations and Warranties. Debtor represents and warrants to Secured Party, in each case to the best of its knowledge, information, and belief, as follows:

(a) No Other Trademarks. Schedule A sets forth, as of the Closing Date, a true and correct list of all of the material existing Trademarks that are registered, or for which any application for registration has been filed with the PTO, and that are owned or held (whether pursuant to a license or otherwise) and used by Debtor, except as to any which, either individually or in the aggregate, if not owned or held by Debtor, would not have a Material Adverse Effect, as defined in the Loan Agreement. Any Trademark owned or held by Debtor and applied by Debtor to its inventory shall be considered material for the purpose of this Section 4(a).

(b) Trademarks Subsisting. Each of the Trademarks listed in Schedule A is subsisting and has not been adjudged invalid or unenforceable, in whole or in part, and each of the Trademarks is valid and enforceable.

(c) Ownership of Trademark Collateral; No Violation. (i) Debtor has rights in and good and defensible title to the existing Trademark Collateral, (ii) with respect to the Trademark Collateral shown on Schedule A hereto as owned by it, Debtor is the sole and exclusive owner thereof, free and clear of any Liens and rights of others (other than the security interests created hereunder), including licenses, registered user agreements and covenants by Debtor not to sue third persons, and (iii) with respect to any Trademarks for which Debtor is either a licensor or a licensee pursuant to a license or licensee agreement regarding such Trademark, each such license or licensing agreement is in full force and effect, Debtor is not in default of any of its obligations thereunder and, other than the parties to such licenses or licensing agreements, no other Person has any rights in or to any of the Trademark Collateral. The past, present and contemplated future use of the Trademark Collateral by Debtor has not, does not and will not infringe upon or violate any right, privilege or license agreement of or with any other Person.

(d) No Infringement. No material infringement or unauthorized use presently is being made of any of the Trademark Collateral by any Person.

(e) Powers. Debtor has the unqualified right, power and authority to pledge and to grant to Secured Party security interests in all of the Trademark Collateral pursuant to this Agreement, and to execute, deliver and perform its obligations in accordance with the terms of this Agreement, without the consent or approval of any other Person except as already obtained.

5. Covenants. So long as any of the Obligations remain unsatisfied, Debtor agrees that it will comply with all of the covenants, terms and provisions of this Agreement, the Loan Agreement and the other Loan Documents, and Debtor will promptly give Secured Party written notice of the occurrence of any event that could have a material adverse effect on any of the Trademarks or the Trademark Collateral, including any petition under the Bankruptcy Code filed by or against any licensor of any of the Trademarks for which Debtor is a licensee.

6. Future Rights. Except as otherwise expressly agreed to in writing by Secured Party, for so long as any of the Obligations shall remain outstanding, or, if earlier, until Secured Party shall have released or terminated, in whole but not in part, its interest in the Trademark Collateral, if and when Debtor shall obtain rights to any new Trademarks, or any reissue, renewal or extension of any Trademarks, the provisions of Section 2 shall automatically apply thereto and Debtor shall give to Secured Party prompt notice thereof. Debtor shall do all things reasonably deemed necessary or advisable by Debtor, using its best business judgment, to maintain and preserve in existing Trademarks and shall do all things deemed advisable by Secured Party, in the exercise of its reasonable credit judgment from the perspective of an asset based lender, to ensure the validity, perfection, priority and enforceability of the security interests of Secured Party in such future acquired Trademark Collateral. Debtor hereby authorizes Secured Party to modify, amend or supplement the Schedules hereto and to request Debtor to, or to re-execute this Agreement from time to time on Debtor's behalf and as its attorney-in-fact upon the occurrence and during the continuation of an Event of Default, to include any future Trademarks which are or become Trademark Collateral and to cause such re-executed Agreement or such modified, amended or supplemented Schedules to be filed with the PTO.

7. Secured Party's Duties. Notwithstanding any provision contained in this Agreement, Secured Party shall have no duty to exercise any of the rights, privileges or powers afforded to it and shall not be responsible to Debtor or any other Person for any failure to do so or delay in doing so. Except for the accounting for moneys actually received by Secured Party hereunder or in connection herewith, Secured Party shall have no duty or liability to exercise or preserve any rights, privileges or powers pertaining to the Trademark Collateral.

8. Remedies. Subject to the terms of the Loan Agreement, from and after the occurrence and during the continuation of an Event of Default, Secured Party shall have all rights and remedies available to it under the Loan Agreement and applicable law (which rights and remedies are cumulative) with respect to the security interests in any of the Trademark Collateral or any other Collateral. Debtor agrees that such rights and remedies include the right of Secured Party as a secured party to sell or otherwise dispose of its Collateral after default, pursuant to UCC Section 9504. Debtor agrees that Secured Party shall at all times have such royalty-free licenses, to the extent permitted by law, for any Trademark Collateral that is reasonably necessary to permit the exercise of any of Secured Party's rights or remedies upon or after the occurrence of (and during the continuance of) an Event of Default with respect to (among other things) any tangible asset of Debtor in which

Secured Party has security interests, including Secured Party's rights to sell inventory, tooling or packaging which is acquired by Debtor (or its successors, assignees or trustees in bankruptcy). In addition to and without limiting any of the foregoing, upon the occurrence and during the continuance of an Event of Default, Secured Party shall have the right but shall in no way be obligated to bring suit, or to take such other action as Secured Party deems necessary or advisable, in the name of Debtor or Secured Party, to enforce or protect any of the Trademark Collateral, in which event Debtor shall, at the request of Secured Party, do any and all lawful acts and execute any and all documents required by Secured Party in aid of such enforcement. To the extent that Secured Party shall elect not to bring suit to enforce such Trademark Collateral, Debtor, in the exercise of its reasonable business judgment, agrees to use all reasonable measures and its diligent efforts, whether by action, suit, proceeding or otherwise, to prevent the infringement, misappropriation or violation thereof by others and for that purpose agrees diligently to maintain any action, suit or proceeding against any Person necessary to prevent such infringement, misappropriation or violation.

9. Binding Effect. This Agreement shall be binding upon, inure to the benefit of and be enforceable by Debtor and Secured Party and their respective successors and assigns.

10. Notices. All notices and other communications hereunder shall be in writing and shall be mailed, sent or delivered in accordance with the Loan Agreement.

11. Governing Law. This Agreement shall be governed by, and construed and enforced in accordance with, the federal laws of the United States of America and the laws of the State of California.

12. Amendment. Neither this Agreement nor any provision hereof may be modified, amended or waived except by the written agreement of the parties as provided in the Loan Agreement. Notwithstanding the foregoing, Secured Party may re-execute this Agreement or modify, amend or supplement the Schedules hereto as provided in Section 6 hereof.

13. Severability. If one or more provisions contained in this Agreement shall be invalid, illegal or unenforceable in any respect in any jurisdiction or with respect to any party, such invalidity, illegality or unenforceability in such jurisdiction or with respect to such party shall, to the fullest extent permitted by applicable law, not invalidate or render illegal or unenforceable any such provision in any other jurisdiction or with respect to any other party, or any other provisions of this Agreement.

14. Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute but one and the same agreement.

15. Loan Agreement. Debtor acknowledges that the rights and remedies of Secured Party with respect to the security interests in the Trademark Collateral granted

hereby are more fully set forth in the Loan Agreement and all such rights and remedies are cumulative.

16. No Inconsistent Requirements. Debtor acknowledges that this Agreement and the other Loan Documents may contain covenants and other terms and provisions variously stated regarding the same or similar matters, and Debtor agrees that all such covenants, terms and provisions are cumulative and all shall be performed and satisfied in accordance with their respective terms. To the extent of any conflict between the provisions of this Agreement and the Loan Agreement, however, the provisions of the Loan Agreement shall govern.

17. Termination. Upon the payment in full of the Obligations, including the cash collateralization, expiration, or cancellation of all Obligations, if any, consisting of letters of credit, and the full and final termination of any commitment to extend any financial accommodations under the Loan Agreement, this Agreement shall terminate, and Secured Party shall execute and deliver such documents and instruments and take such further action reasonably requested by Debtor, at Debtor's expense, as shall be necessary to evidence termination of the security interests granted by Debtor to Secured Party hereunder, including cancellation of this Agreement by written notice from Secured Party to the PTO.
