MEMORANDUM TO:Carmen Colon

FROM:Lisa Sheridan - New York Records Dept.

RE:Records Database - Data Entry

There have been some changes with the Records Database - (Legaltrax). As of January there will be more changes, but for now, please comply with the following procedures when entering information into the system:

1. When creating a pocket for the L.A. office, the pocket number should **always** be pocket # **80000** (no exceptions). The reason for this is because we are now using **office code** numbers for pockets. For example: New York = **10000**

London = **40000**

D.C. = **60000**

L.A. = **80000**

As of January, attorneys will see only one matter. Within that one matter there will be pockets for each individual file that has been created for that specific office location.

2. If you are creating folders for a matter, you must detail the matter by pressing F-2 and delete the area where it reads: **(file not made up.)**

If you have any questions you may call me at extension 3992.
