AMENDED AND RESTATED TRADEMARK SECURITY AGREEMENT

(TRADEMARKS, TRADEMARK REGISTRATIONS, TRADEMARK APPLICATIONS AND TRADEMARK LICENSES)

WHEREAS, Hallmark Entertainment, Inc. (the "Borrower") and each subsidiary of the Borrower whose name appears at the foot hereof (each a "Subsidiary"; together with the Borrower, the "Pledgors"), now own or hold and may hereafter acquire or hold Trademarks (defined as all of the following: all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade dress, logos, other source of business identifiers and general intangibles of like nature, now existing or hereafter adopted or acquired, all registrations and recordings thereof or similar property rights, and all applications in connection therewith, including, without limitation, registrations, recordings and applications in the United States Patent and Trademark Office or in any similar office or agency of the United States, any state thereof or any other country or any political subdivision thereof, and all reissues, extensions or renewals thereof) including, without limitation, the Trademarks listed on Schedule A annexed hereto, as such Schedule may be amended from time to time by the addition of Trademarks subsequently registered or otherwise adopted or acquired;

WHEREAS, pursuant to that certain Credit and Security Agreement, dated as of August 31, 1995 as amended and restated as of October 16, 1998 (as the same may be further amended, modified or otherwise supplemented from time to time, the "Credit Agreement"), among the Borrower, the Guarantors named therein, the Lenders named therein (the "Lenders") and The Chase Manhattan Bank, as Agent (the "Agent") the Lenders have agreed to make loans to the Borrower;

WHEREAS, pursuant to the terms of the Credit Agreement, each of the Pledgors has granted to the Agent (for the benefit of the Lenders) a security interest in all personal property of such Pledgor including, without limitation, all right, title and interest of such Pledgor in, to and under all of such Pledgor's Trademarks and Trademark licenses (including, without limitation, those Trademark licenses listed on Schedule B hereto), whether presently existing or hereafter arising, adopted or acquired, together with the goodwill of the business connected with, and symbolized by, the Trademarks and all products and proceeds thereof and all income therefrom, including, without limitation, any and all causes of action which exist now or may exist in the future by reason of infringement or dilution thereof or injury to the associated goodwill, to secure the payment of the Obligations (such term being used herein as defined in the Credit Agreement);

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Pledgor does, as security for the Obligations, hereby grant to the Agent (for the benefit of the Lenders) a continuing security interest in all of such Pledgor's right, title and interest in, to and under the following (all of the following items or types of property being collectively referred to herein as the "Trademark Collateral"), whether presently existing or hereafter arising or acquired:

(i) each Trademark and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark, including, without limitation, each Trademark referred to in Schedule A annexed hereto;

(ii) each Trademark license, including, without limitation, each Trademark license referred to in Schedule B annexed hereto, to the extent such Trademark license does not prohibit the licensee from assigning or granting a security interest in its rights thereunder; and

(iii) all products and proceeds of, and income from, any of the foregoing, including, without limitation, any claim by any Pledgor against third parties for the past, present or future infringement or dilution of any Trademark or any Trademark licensed under any Trademark license, or for injury to the goodwill associated with any Trademark.

Each Pledgor agrees to deliver updated copies of Schedule A and Schedule B to the Agent at the end of any quarter in which such Pledgor registers or otherwise adopts or acquires any Trademark not listed on Schedule A hereto or enters into any Trademark license not listed on Schedule B hereto, and to duly and promptly execute and deliver, or have duly and promptly executed and delivered, at the cost and expense of the Pledgors, such further instruments or documents (in form and substance satisfactory to the Agent), and promptly perform, or cause to be promptly performed, any and all acts, in all cases, as may be necessary, proper or advisable from time to time, in the reasonable judgment of the Collateral Agent, to carry out the provisions and purposes of the Credit Agreement and this Trademark Security Agreement, and to provide, perfect and preserve the liens of the Agent for the benefit of the Lenders under the Credit Agreement and this Trademark Security Agreement, in the Trademark Collateral or any portion thereof.

Each Pledgor agrees that if any person, firm, corporation or other entity shall do or perform any acts which the Agent believes constitute an infringement of any Trademark, or violate or infringe any right of a Pledgor or the Lenders therein or if any person, firm, corporation or other entity shall do or perform any acts which the Agent believes constitute an unauthorized or unlawful use thereof, then and in any such event, while an Event of Default (as defined in the Credit Agreement) is continuing, the Agent may and shall have the right to take such steps and institute such suits or proceedings as the Agent may deem advisable or necessary to prevent such acts and conduct and to secure damages and other relief by reason thereof, and to

generally take such steps as may be advisable or necessary or proper for the full protection of the rights of the parties. The Agent may take such steps or institute such suits or proceedings in its own name or in the name of the applicable Pledgor or in the names of the parties jointly. The Agent hereby agrees to give the applicable Pledgor notice of any steps taken, or any suits or proceedings instituted, by the Agent pursuant to this paragraph.

This security interest is granted in conjunction with the security interests granted to the Agent (for the benefit of the Lenders) pursuant to the Credit Agreement. Each Pledgor does hereby further acknowledge and affirm that the rights and remedies of the Agent (for the benefit of the Lenders) with respect to the security interest in the Trademark Collateral made and granted hereby are subject to, and more fully set forth in, the Credit Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

This Trademark Security Agreement is made for collateral purposes only. At such time as all of the Obligations have been indefeasibly repaid in full, all the Commitments under the Credit Agreement (including any commitment to issue any Letter of Credit) shall have terminated and all Letters of Credit issued under the Credit Agreement shall have expired or been terminated or cancelled, the Agent (on behalf of the Lenders), shall execute and deliver to such Pledgors, at Borrower or the applicable Pledgor's expense, without representation, warranty or recourse, all releases and reassignments, termination statements and other instruments as may be necessary or proper to terminate the security interest of the Agent (for the benefit of the Lenders) in the Trademark Collateral, subject to any disposition thereof which may have been made by the Agent pursuant to the terms hereof or of the Credit Agreement.

The Agent (on behalf of the Lenders) agrees that there will be no assignment of the Trademark Collateral, other than the security interest described herein, unless and until there shall occur an Event of Default (such term being used herein as defined in the Credit Agreement) and the Agent gives written notice to the applicable Pledgor of its intention to enforce its rights against any of the Trademark Collateral.

So long as no Event of Default shall have occurred and be continuing, and subject to the various provisions of the Credit Agreement and the other Fundamental Documents to which it is a party, each Pledgor may use, license and exploit the Trademark Collateral in any lawful manner.

**THIS TRADEMARK SECURITY AGREEMENT SHALL BE
CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY, THE LAWS OF THE
STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND TO BE
PERFORMED WHOLLY WITHIN THE STATE OF NEW YORK.**

Capitalized terms used herein and not otherwise defined shall have the meanings ascribed thereto in the Credit Agreement.

IN WITNESS WHEREOF, the Pledgors have caused this Trademark Security Agreement to be duly executed as of October 15, 1998 by their officers thereunto duly authorized.
