BOX ASSIGNMENTS

Assistant Commissioner for Patents
and Trademarks
Washington, DC 20231

February 5, 1999

Sir:

On September 24, 1998 a request was submitted on behalf of Grove U.S. LLC to record an assignment of forty-six (46) United States trademark registrations and trademark applications. A complete copy of that request, together with a copy of the Assignment and a copy of the Notice of Recordation of Assignment Document are attached hereto.

Review of the attached materials reveals that an error occurred in connection with recordation of that assignment. This error was occasioned by a typographical error in the request for recordation.

Specifically, the assignment pertains to, *inter alia*, U.S. Trademark Registration No. 1,256,647. This was incorrectly set forth in the submission of September 24, 1998 as 1,258,647. The Examiner relied upon the typographical error when entering the assignment.

It is now requested that this matter be corrected. Accordingly, please record the attached original document or copy thereof as follows:
